

Spirit and Spirit Silver

WINNEBAGO[®]

Spirit Silver

Spirit

Why Spirit | Spirit Silver?

- Silver Package Upgrade
- Five family-friendly floorplans
- Large rear storage compartment
- MCD solar/blackout roller shades (with Silver Package Upgrade)
- Bunk beds (31H)
- Available HDTVs
- Vinyl ceiling

On the Cover: 31K Champagne Scarlet Standard Graphics
31KP Bronze Deluxe Graphics

31K Sahara with Coffee-Glazed Vienna Maple Cabinetry

Let Your Spirit Move You

Experience the freedom of the open road in the friendly-priced, full-featured Class C Spirit®. Bring the entire family and still sleep comfortably with generous sleeping spaces including a private bedroom and cab overhead bed. A large living area with an available HDTV and DVD player provides plenty of opportunities for fun and relaxation. Your Spirit has plenty of

storage including a large rear storage trunk for all your favorite gear. Choose the Spirit Silver loaded with upscale features and deluxe graphics that will be sure to turn heads. Best of all, you will have peace of mind knowing that your Spirit or Spirit Silver are built with the SuperStructure® construction you will only find from Winnebago®.

Recognized Quality The Recreation Vehicle Dealer Association annually rates RV manufacturers and awards the Quality Circle Award to manufacturers that provide exceptional products, service, and support. Winnebago is proud to be the only manufacturer that has received this award every year since its inception.

Best in Class

See how Winnebago takes motorhome design and function to the next level, and why we've earned the right to be called the Most Recognized Name in Motorhomes.®

Click on this icon throughout the brochure to link to more information on the web.

The 31K **Overhead Bunk** with privacy curtains provides a convenient extra sleeping space for family or friends.

Listen to AM/FM radio or connect your iPod®/MP3 player to the 6" color touch screen with the **Radio/Rearview Monitor System**.

The **U-Shaped Dinette** (22R, 31K/31KP) easily converts from a dining area into a comfortable bed for overnight guests.

Enjoy your favorite shows on the available **HDTV**.

Store your food in the **Pantry** with full-extension drawers, making it easier to find what you need (27Q/27QP, 31K/31KP).

31K Sahara with Coffee-Glazed Vienna Maple Cabinetry

Experience the comforts of home on the road when you relax on the dinette and sofa in your Spirit's lounge, accented by an attractive vinyl ceiling. Choose from five unique floorplans and add an available HDTV with a DVD player to create your ideal living and entertaining arrangement. Upgrade to the Spirit Silver Package with the Dream Dinette™ table (27QP) or the U-Dinette (31KP), plus MCD solar/blackout roller shades so you can control all aspects of your lounging environment.

31K Sofa

31K Sofa as Bed

Savor home-cooked meals and snacks from your user-friendly galley with a microwave oven, three-burner range, and vented range hood. Choose the available Comfort and Safety Package for a double-door refrigerator, Wilsonart® high-definition laminate countertops, and a sealed cooktop cabinet. The Spirit Silver Package offers an upgrade to a large double-door refrigerator with raised panel door inserts, Corian® countertops with a sink cover, and MCD solar/blackout roller shades.

31K Galley

31K Pantry

Full-Extension Drawer Slides

Refrigerator/Freezer

A private master bedroom with a walk-around queen bed on most models provides a welcome retreat after a full day of adventure (corner double bed in the 22R and 25B). The 31H, with bunk beds, a wardrobe, and a large chest of drawers, is an excellent choice for the traveling family.

Dash

Stay comfortable on extended road trips by relaxing in the fully-adjustable cab seats. A host of available amenities, including the touch-screen Radio/Rearview Monitor System, lets you outfit your Spirit for the travel and entertainment specifications you want. Upgrade to the Spirit Silver Package which includes a brushed aluminum dash appliqué, power mirrors with defrost, and a sideview camera system.

Available Radio/Rearview Monitor System

The Spirit features a generous rear trunk with storage capacity you won't find in many Class C motorhomes. Choose from two standard graphics options, or upgrade to the Spirit Silver and get deluxe graphics with a premium high-gloss fiberglass exterior. You'll be set for entertaining around the campsite when you select the available 4,000-watt Cummins Onan® MicroQuiet™ generator and powered patio awning.

31K Available Powered Patio Awning

Entrance Steps

Exterior Rear Storage

Available Stainless Steel Wheel Liners

Fiberglass Roof

The one-piece fiberglass roof is backed by a 10-year limited parts-and-labor roof skin warranty.

Rubber Can't Cut It

Rubber roofs used by competitors can streak and degrade over time.

Thermo-Panel[®] Sidewalls

By layering fiberglass and high-density block foam insulation with welded aluminum support structures, we create some of the industry's strongest, most durable, and lightweight sidewalls.

E-Coating An electrodeposition coating helps protect critical steel components.

Embedded Steel Metal substructures embedded into the sidewall provide solid attachment points to keep cabinets and appliances mounted securely in place.

Laser-Cut Tubing

Precision laser cutters create precise joints in structural steel that are stronger and require less welding.

Interlocking Joints Specially engineered interlocking joints connect the floor, sidewalls, and roof where competitors often rely on simple screws to bear the weight.

Solid Framework Aluminum extruded in our own facility to our exacting standards creates an extremely strong and solid structural framework.

**SUPER
STRUCTURE[®]**

BUILT TO LAST

Every coach—from our smallest Class C to our largest diesel-pusher model—is built to Winnebago's[®] legendary SuperStructure[®] construction standards. It's a process developed and refined over more than 50 years of building some of the strongest, most durable coaches in the industry.

TESTING Before rolling out of our factories, every coach undergoes an extensive 113-point inspection. Each coach also passes a high-pressure water test that simulates rain at a rate of 50-inches per hour to check for leaks. During the design process, our computer simulations, physical testing center, and rigorous test track ensure each model is built to last.

DETAILS At Winnebago, we treat the features you can't see with the same care as the ones you can. Look in the access panels of some of our competitors' coaches and you'll see loose insulation and wires haphazardly strewn about. Winnebago maintains a clean fit and finish throughout so your coach will last for the long haul.

BUILT IN-HOUSE We extrude our own aluminum. We rotocast our own plastic components. In fact, we manufacture most of our own parts so they are designed to fit the space, rather than fitting the space to an awkward off-the-shelf component size.

**SUPER
STRUCTURE**
BUILT TO LAST

Visit BetterBuiltRVs.com to gain real insight into what goes into a Winnebago motorhome.

TAKE A TOUR We're proud of our processes, state-of-the-art facilities, and the people who make Winnebago number one. We invite you to visit our complex in Forest City, Iowa, for a firsthand look at the dedication and technology behind every motorhome we build.

22R

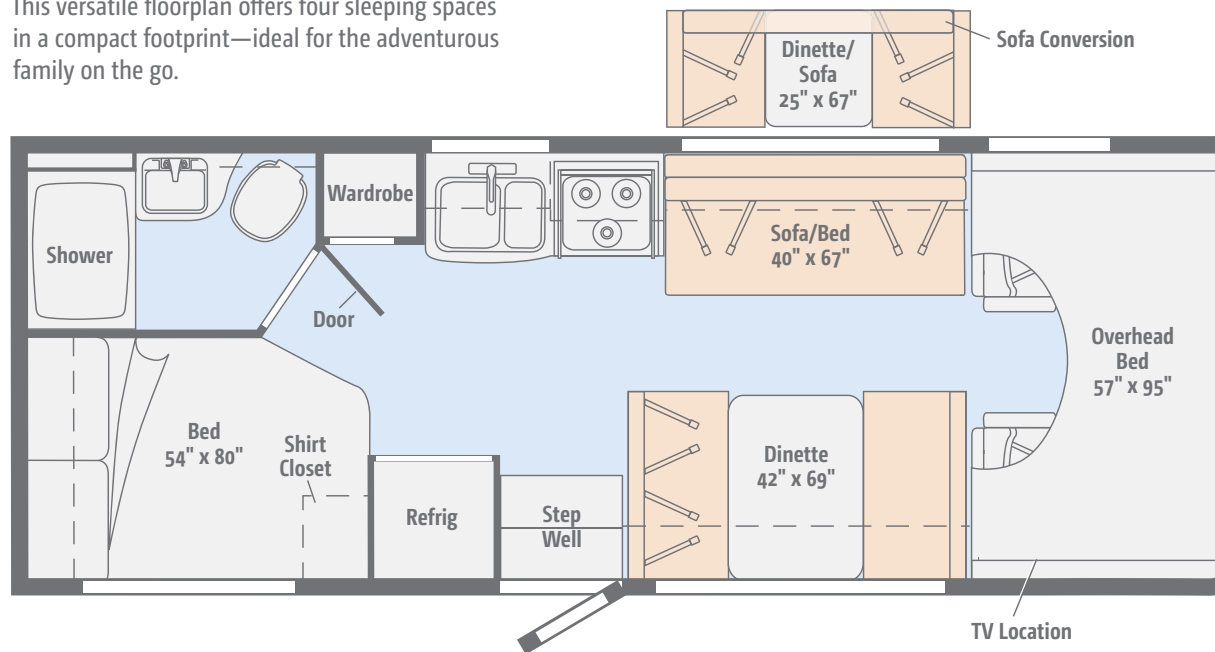

This efficient floorplan features a U-shaped dinette and a cozy, double bed for comfortable sleeping after a long day on the road.

Dimensions shown are for sleeping space only and may vary due to styling differences. Dashed lines denote overhead storage areas. Floorplans and specifications are also available online at WinnebagoInd.com.

25B

This versatile floorplan offers four sleeping spaces in a compact footprint—ideal for the adventurous family on the go.

Dimensions shown are for sleeping space only and may vary due to styling differences. Dashed lines denote overhead storage areas. Floorplans and specifications are also available online at WinnebagoInd.com.

27Q | 27QP

With its walk-around queen bed and slideout dinette, you can comfortably entertain guests while making use of the extra space.

36-month/36,000-mile limited warranty on structure⁸

10-year limited parts-and-labor warranty on roof skin⁸

FOOTNOTES

- 1 The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.
- 2 Floorplans feature a wide-body design – over 96". In making your purchase decision, you should be aware that some states restrict access on some or all state roads to 96" in body width. Before making your purchase decision, you should confirm the road usage laws in the states of interest to you.
- 3 The load capacity of your motorhome is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motorhome.
- 4 Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.
- 5 Capacities shown are tank manufacturer's listed water capacity (W.C.) Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.
- 6 Actual towing capacity is dependent upon your particular loading and towing circumstances, which includes the GVWR, GAWR and GCWR as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.
- 7 See separate chassis warranty.
- 8 See your dealer for complete warranty information.

Winnebago's continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Published content reflects the most current product information at time of printing. Please consult your dealer for individual vehicle features and specifications.
