

Journey

WINNEBAGOTM

Why Journey?

- Unmatched performance of the exclusive Maxum Chassis[®]
- Larger Contour[™] frameless dual-pane windows to enhance natural light
- Ultraleather[™] cab seats and lounge furniture
- MCD solar/blackout roller shades
- TrueAir[®] Maximum Comfort air conditioning
- Expansive exterior storage
- Premier clearcoat automotive-finish full-body paint
- Powered patio awning with motion sensor and LED lighting
- Hardwood cabinet finishes
- Polished Corian[®] countertops with tile and mosaic backsplashes
- Residential refrigerator

On the Cover: 40R Light Sandalwood Full-Body Paint

40R Splendor with Coffee-Glazed Honey Cherry Cabinetry

Luxurious Living Awaits in Your Journey®

If life is a journey, why not travel in style? The Journey is the perfect blend of luxury and comfort with Ultraleather™ furniture, coffee-glazed hardwood cabinetry, a counter-depth French door residential refrigerator, and top-of-the-line entertainment features. The new 40R boasts a full-wall slide, high-polished Corian® countertops, and a cozy

lounge with an electric fireplace. Experience world-class ride and handling with the Winnebago-exclusive Maxum Chassis® and enjoy unbelievable storage—up to 229 cubic feet—thanks to its lowered-rail design. And now, larger Contour™ frameless dual-pane windows create an even more open feeling in your Journey on the road.

Recognized Quality The Recreation Vehicle Dealer Association annually rates RV manufacturers and awards the Quality Circle Award to manufacturers that provide exceptional products, service, and support. Winnebago is proud to be the only manufacturer that has received this award every year since its inception.

Best in Class

See how Winnebago takes motorhome design and function to the next level, and why we've earned the right to be called the Most Recognized Name in Motorhomes.®

Click on this icon throughout the brochure to link to more information on the web.

Choose a set of two plush **Ottomans** for extra storage and seating or to rest your legs while relaxing on your sofa (NA 36M).

Day or night, the smooth-retracting **MCD Solar/Blackout Roller Shades** give you total control over light and privacy levels.

Full-Extension Drawer Slides make it easy to open drawers wide and maximize their storage space.

Important gauges, switches, and controls are all centrally located in the **OnePlace® Systems Center**.

The **Rest Easy® Extendable Sectional Sofa** glides from a sofa to a lounge to a bed at the touch of a button (40R, 42E).

40R Rest Easy Extendable Sectional Sofa

Premium amenities and contemporary décor come together seamlessly in the Journey lounge. A generous living area with new, larger Contour™ dual-pane windows welcomes you with its spacious, inviting, and open feel. With upscale features such as Ultraleather furniture, MCD solar/blackout roller shades, an electric fireplace (standard 40R, 42E and available in the 36M), and a state-of-the-art Blu-Ray™ home theater soundbar system, you can relax with complete control over your surroundings. From the tray ceiling with crown molding and LED ceiling lights to the reliable TrueAir™ Maximum Comfort air conditioning system, the lounge is undeniably sophisticated and equally comfortable.

40R Electric Fireplace

40R Mid-Coach HDTV with Storage

40R Ottoman

40R Galley

From quiet dinners to entertaining get-togethers, the Journey's galley is fully-equipped for any event. Quality features include a microwave/convection oven and a residential stainless steel French door refrigerator/freezer with an ice and water dispenser. This complete galley also has ample work space for easy meal prep. Customize your motorhome with your preferred choice of distinguished coffee-glazed cabinet finishes. With natural flow and plentiful space, your polished galley will serve as the heart of your Journey.

40R Pantry

40R Glide & Dine Dining Table with Chairs

The Glide & Dine dining table with buffet (36M, 40R) and the distinguished, extendable dining table with buffet (42E) set the stage for many enjoyable evenings. Each tabletop easily expands to allow for additional guest seating.

Glide & Dine Dining Table

Glide & Dine Dining Table

40R Powered Bed Up

A good night's sleep is simply an adjustment away with the Ideal Rest® Natural Reserve digital comfort control mattress (40R, 42E and available in the 36M). The natural cotton and bamboo fibers and duo-firmness memory-cell insert offer adjustable comfort in addition to the mattress' customizable support settings. The powered bed adjusts to your preferred position and the 36M slides side-to-side, so you can enjoy maximum comfort whether you're reading a book or watching the HDTV. Each floorplan offers abundant bedroom storage, and now the 36M features an available electric fireplace as well.

The 36M features a mid-coach bath with a Corian countertop and backsplash, flexible showerhead, textured glass shower door, skylight, and porcelain toilet. The 40R and 42E feature a mid-coach half bath and a private master bath.

40R Guest Bath

Dash

With its signature smooth ride and nimble handling, the cab delivers the upscale comforts one expects from a luxury diesel-pusher with the unmatched performance of a Maxum Chassis. The Ultraleather cab seats make even the most ambitious rides comfortable. Have a relaxing ride and let the Infotainment Center with a Rand McNally RV GPS and 10.4" screen guide your way while you enjoy other great features such as sideview cameras, a color rearview camera, compass, iPod®/iPhone® audio integration, Bluetooth™, and much more.

Powered Mirrors

Cab Seats Reclined

40R Powered Patio Awning with Motion Sensor and LED Lighting

Enjoy the outdoors and all that you want to bring with plenty of exterior storage space in the sliding storage trays that allow for easy access from either side of the coach. From the color-coded service center and the KeyOne® lock system to the automatic entrance steps, the Journey is designed with simplicity and comfort in mind. For those warm summer evenings, relax with the available exterior entertainment center and its HDTV under the standard powered patio awning with a motion sensor and LED lighting.

Stylized Aluminum Wheels

Fiberglass Roof The crowned, one-piece fiberglass roof is backed by a 10-year limited parts-and-labor roof skin warranty.

Thermo-Panel® Sidewalls By layering fiberglass and high-density block foam insulation with welded aluminum support structures, we create some of the industry's strongest, most durable and lightweight sidewalls.

E-Coating An electrodeposition coating helps protect critical steel components.

Embedded Steel Metal substructures embedded into the sidewall provide solid attachment points to keep cabinets and appliances mounted securely in place.

Solid Framework Aluminum extruded in our own facility to our exacting standards creates an extremely strong and solid structural framework.

Laser-Cut Tubing Precision laser cutters create precise joints in structural steel that are stronger and require less welding.

Interlocking Joints Specially engineered interlocking joints connect the floor, sidewalls and roof where competitors often rely on simple screws to bear the weight.

SUPER STRUCTURE

BUILT TO LAST

Every coach—from our smallest Class C to our largest diesel-pusher model—is built to Winnebago's® legendary SuperStructure® construction standards. It's a process developed and refined over more than 50 years of building some of the strongest, most durable coaches in the industry.

TESTING Before rolling out of our factories, every coach undergoes an extensive 113-point inspection. Each coach also passes a high-pressure water test that simulates rain at a rate of 50-inches per hour to check for leaks. During the design process, our computer simulations, physical testing center, and rigorous test track ensure each model is built to last.

DETAILS At Winnebago, we treat the features you can't see with the same care as the ones you can. Look in the access panels of some of our competitors' coaches and you'll see loose insulation and wires haphazardly strewn about. Winnebago maintains a clean fit and finish throughout so your coach will last for the long haul.

BUILT IN-HOUSE We extrude our own aluminum. We rotocast our own plastic components. In fact, we manufacture most of our own parts so they are designed to fit the space, rather than fitting the space to an awkward off-the-shelf component size.

SUPER STRUCTURE
BUILT TO LAST

Visit BetterBuiltRVs.com to gain real insight into what goes into a Winnebago motorhome.

TAKE A TOUR We're proud of our processes, state-of-the-art facilities, and the people who make Winnebago number one. We invite you to visit our complex in Forest City, Iowa, for a firsthand look at the dedication and technology behind every motorhome we build.

3-point engine mounting reduces engine vibration.

Engine brake uses the engine to slow the coach, promoting longer brake life.

Allison® 3000 MH 6-speed automatic transmission includes a touchpad control for ease of use.

Rear axle incorporates proprietary gear machining for a smoother, quieter ride.

NeWay® rear air suspension provides superior ride and handling.

The lowered-rail design moves intrusive rails from storage areas, creating up to 229 cubic feet of storage.

Taller, 23.25" pass-through storage height accommodates bulky items compared to 19.5" similar raised-rail and 17" on a typical raised-rail.

Extra space in critical areas allows for more pass-through storage.

55° wheel cut provides a tighter turning radius and better maneuvering.

Color-coded air lines make service easy.

10,000-pound trailer hitch® (36M)

15,000-pound trailer hitch® (40R, 42E)

"Clean Air Diesel" Cummins® engine delivers hill-climbing power when you need it most:

- Cummins ISB XT 6.7L 360-hp (36M)
- Cummins ISL 8.9L 380-hp (40R)
- Cummins ISL 8.9L 450-hp (42E)

Low frame rails create a lower center of gravity improving stability.

Winnebago's SuperStructure integrated with the lowered-rail design creates a chassis that is seven times stronger than typical raised-rail chassis designs.

Dual-fill fuel tank.

MAXUM CHASSIS

A True Work of Art

You may not be able to see the Maxum Chassis® as you're driving through the Rockies or cruising the coast, but you'll know it's there. Its powerful Cummins® turbo-charged diesel engine and Allison® transmission go to work so you don't have to sweat the peaks and valleys ahead.

Through a strong partnership with Freightliner, the undisputed leader in diesel motorhome

chassis, we set a new standard for handling, ride and performance in diesel chassis design.

But performance doesn't mean sacrificing storage. The innovative lowered-rail design of the Maxum Chassis opens up a cavernous basement storage compartment, offering up to 229 cubic feet of storage.

4-wheel ABS anti-lock air brakes provide fast stopping power.

Michelin® tires and polished aluminum wheels look sharp.

36M

This elegant full-wall slideout boasts room for everyone with opposing Ultraleather™ sofas, a pull-out island, and a Glide & Dine dining table with buffet.

Dimensions shown are for sleeping space only and may vary due to styling differences. Dashed lines denote overhead storage areas. Floorplans and specifications are also available online at WinnebagoInd.com.

NEW 40R

This full-wall slideout features a spacious lounge complete with a unique, split-layout front galley, Rest Easy Extendable Sectional Sofa, electric fireplace, and a private master bath.

Dimensions shown are for sleeping space only and may vary due to styling differences. Dashed lines denote overhead storage areas. Floorplans and specifications are also available online at WinnebagoInd.com.

42E

Loaded with striking features, this full-wall slideout boasts an Ultraleather Rest Easy Extendable Sectional Sofa, an HDTV, and a private master bath with the BIG Shower.

Dimensions shown are for sleeping space only and may vary due to styling differences. Dashed lines denote overhead storage areas. Floorplans and specifications are also available online at WinnebagoInd.com.

36-month/36,000-mile limited warranty on structure⁸

10-year limited parts-and-labor warranty on roof skin⁸

FOOTNOTES

- 1 The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.
- 2 Floorplans feature a wide-body design - over 96." In making your purchase decision, you should be aware that some states restrict access on some or all state roads to 96" in body width. Before making your purchase decision, you should confirm the road usage laws in the states of interest to you.
- 3 The load capacity of your motorhome is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motorhome.
- 4 Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.
- 5 Capacities shown are tank manufacturer's listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.
- 6 Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and GCWR, as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.
- 7 See separate chassis warranty.
- 8 See your dealer for complete warranty information.

Winnebago's® continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Published content reflects the most current product information at time of printing. Please consult your dealer for individual vehicle features and specifications.
