ABSOLUTE NORTHWOOD

Our Guarantee of
**QUALITY
STRENGTH
DURABILITY**

HEATED ENCLOSED HOLDING TANKS & DUMP VALVES.
DESIGNED FOR COLD NORTHERN CLIMATES

Northwood builds true 4-Season Coaches. Our fully insulated holding tank area circulates warm air around the suspended tanks providing the best protection from freezing. Our knife valves are also enclosed to keep them from freezing. Our 4-Season coaches are insulated with various types of residential quality *Rigid Foam, *Batten & *Reflective Foil insulation to protect you from the winter cold & summer heat.

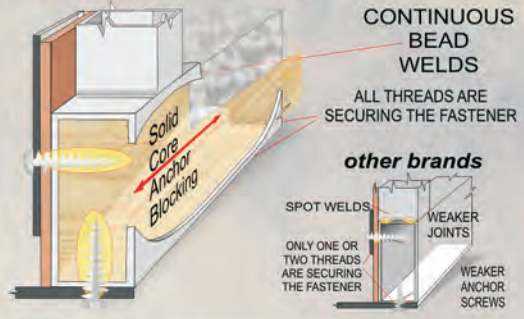

ALUMINUM SUPERSTRUCTURE

.125"-.060" (Up to 1/8" Thick)
Heavy Gauge / Thick Wall Aluminum Tubing in our Travel Trailers Fifth Wheels & Campers.

Solid Core Anchor Blocking

NORTHWOOD BUILT CERTIFIED

Utilizing Aerospace Interference Grid Technology Design Analysis for Optimum Performance and Safety

HEAVY DUTY STRUCTURAL STEEL OFF-ROAD CHASSIS

We Build Our Own!

We are one of the few manufacturers who build their own chassis. The name NORTHWOOD is known throughout the industry for quality chassis and we certify ours through an independent testing laboratory for quality assurance.

FULL WALK-ON ROOF THE NORTHWOOD

GLUE BONDED ROOF TRUSS SYSTEM

UP TO 5-1/2" OF CROWN

The Northwood Bonded Roof Truss System incorporates all the components of the roof structure with glue bonding. The ceiling, trusses and roof sheathing are unified in a bonded system that gives superior load distribution and maximum load bearing capacity.

Top quality exterior grade decking is glue bonded to the trusses and a thick one piece roofing membrane is then applied for a durable, long lasting seal to protect you and your coach from the elements.
