What is ABSOLUTE NORTHWOOD?

Our Commitment to

Quality
Strength
Durability

When you purchase an Arctic Fox, you are investing in the best quality materials, construction and craftsmanship. That is why the resale value in an Arctic Fox remains higher, and your investment retains its value longer. If you ever decide to trade in your Fox, you will get top dollar. That is why you don't see many used Arctic Foxes on the market, folks buy them up as quickly as they become available because Arctic Fox has a reputation for durability and longevity.

NORTHWOOD BUILT CERTIFIED CHASSIS

WE BUILD OUR OWN HEAVY DUTY STRUCTURAL STEEL OFF-ROAD CHASSIS

We are one of the few manufacturers that build their own chassis. The name NORTHWOOD is known throughout the industry for quality chassis and we certify ours through an independent testing laboratory for quality assurance.

THICK WALL TUBULAR ALUMINUM SUPERSTRUCTURE

.060"-.125"
(Up to 1/8" Thick)
heavy gauge thick wall aluminum tubing in our travel trailers & fifth wheels

SOLID CORE ANCHOR BLOCKING AND CONTINUOUS WELDS

Now that's an ABSOLUTE Quality Superstructure!

OUR BONDED ROOF TRUSS SYSTEM ENSURES A FULL WALK-ON ROOF

BONDED ROOF TRUSS SYSTEM

UP TO
5-1/2"
OF CROWN

The Northwood Bonded Roof Truss System bonds all the components of the roof structure together as a unit. The ceiling, trusses and roof plywood are unified in a bonded system that gives superior load distribution and maximum load bearing capacity.

Top quality exterior grade plywood panels are bonded to the trusses and a thick one piece roofing membrane is then applied for a durable, long lasting seal to protect you and your coach from the elements.

Northwood's Bow Trusses offer up to 5-1/2 inch center height, giving the roof plenty of runoff slope to eliminate standing water.

CUSTOM BUILT FACE FRAME CABINETS

CABINETRY w/SOLID WOOD DOORS,
BUILT USING RESIDENTIAL FACE FRAME
CONSTRUCTION METHODS &
INTEGRATED WITH THE WALL & CEILING.

BEAUTIFUL & STRONG

MATERIALS

CONSTRUCTION

INSTALLATION

Solid Wood
cabinet doors ensure
lasting beauty and
rugged strength.

Face Frame
construction gives our
cabinets 'high end'
residential quality.

Structurally Integrated
cabinetry is
anchored to the
walls and ceiling
structure of our
coaches making both
the RV and the
cabinets stronger.

A TRUE FOUR SEASON ALL CONDITIONS UNIT

HEATED ENCLOSED HOLDING TANKS & DUMP VALVES
DESIGNED FOR COLD NORTHERN/HOT SOUTHERN CLIMATES

Northwood builds true 4-Season Coaches. Our fully insulated holding tank area circulates warm air around the suspended tanks providing the best protection from freezing. Our knife valves are also enclosed to keep them from freezing. Our 4-Season coaches are insulated with various types of residential quality Rigid Foam, Batten & Reflective Foil insulation to protect you from the winter cold & summer heat.

'Fox Talk'

This was on our 8,500 mile trip to the Yukon and Alaska with our 2012 22GQ Arctic Fox trailer. We covered a lot of rough roads including well over 200 miles of gravel roads. The trailer performed flawlessly and we are very pleased with the quality Northwood puts into its products. This is the 6th trailer we have owned over a 40 year span and by far the best built.

If and when there is another trailer in our future it will be a Northwood product!

Glen & Linda Johnson * Volcano, CA

There is no other brand that we would put through almost 100 nights a year boondocking.

We can focus on having fun and not worry about our accommodations, and no other brand will provide that kind of peace of mind.

Our Fox is always there for us and ready to go.

Shawn and Sue Pauls
Calgary Alberta, Canada

5th Wheels

After over 20 years in the Air Force and several tours around the world, we retired in May 2011. As retirement crept closer, we set a goal to hit the road full time to see our own country. That lifestyle would best suit our adventurous interests that include fishing, kayaking, biking, skiing/snowboarding, and travel. We spent many hours researching on-line forums and visiting RV shows and determined that we had to get a well-built four-season travel trailer. The Arctic Fox 29V met all our prerequisites with a forward roomy kitchen, full wardrobe, two bedside tables, heated tanks, and thermal windows. The Northwood factory and RV dealer were great about working with us and provided exactly what we wanted.

We have been on the road a year now and are fully satisfied with the decision to purchase an Arctic Fox travel trailer. After constant heavy usage, our little home developed some minor problems, but Northwood manufacturing resolved all concerns quickly and to our full satisfaction. If we had to make the decision again tomorrow, we would purchase another Arctic Fox! Life is great!
