

REMINGTON ULTRA LITE

Ultra Lite is Right!

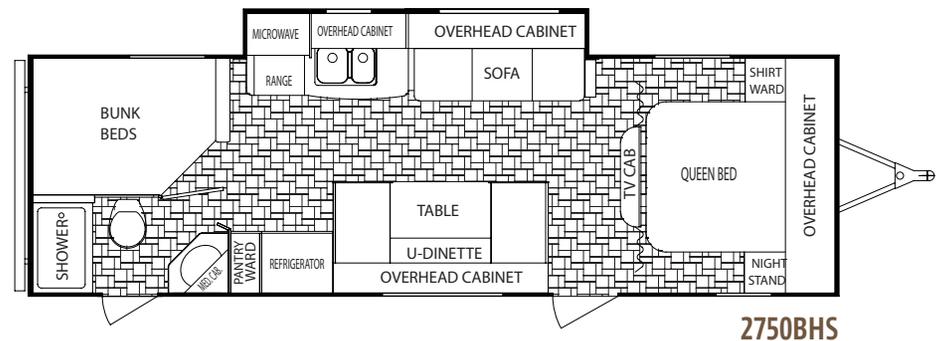

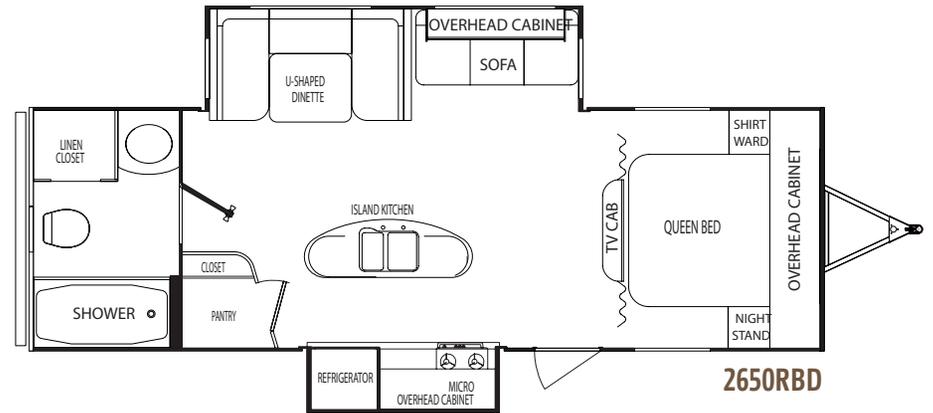

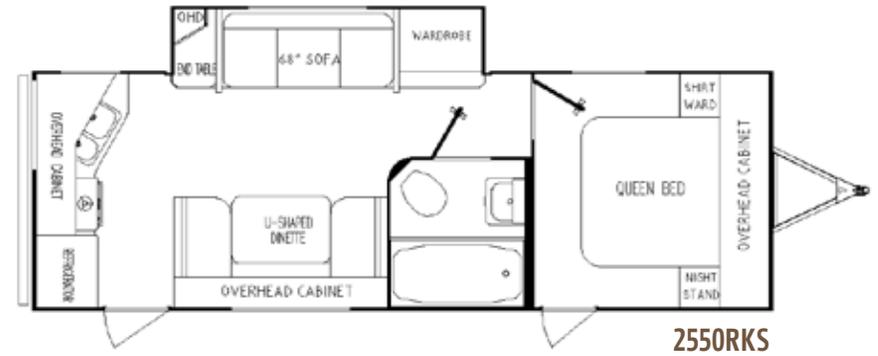

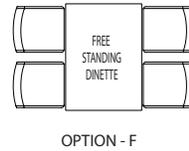

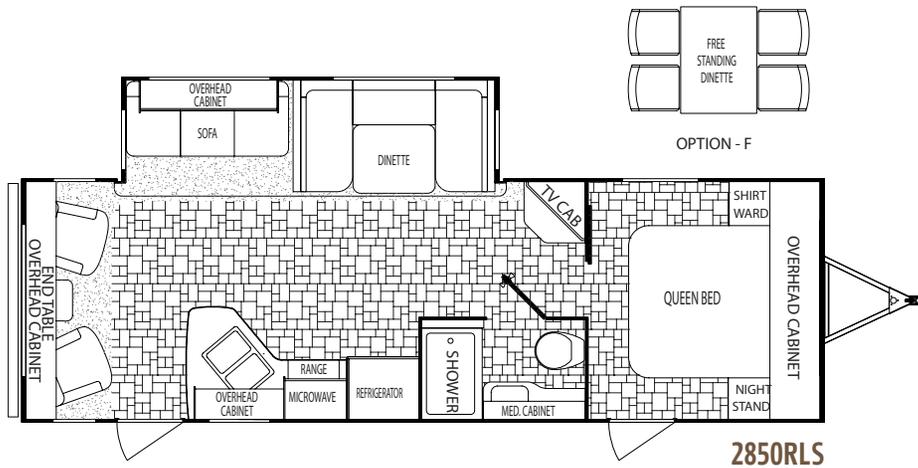

It's all about towability. The Remington Ultra Lite is easy to tow and has everything you need, plus a few extras. An aerodynamic front combined with a heated and enclosed underbelly helps to reduce drag and increase towing efficiency. You can light up the Remington Ultra Lite with an optional power awning featuring

built in LEDs, and optional slam-latch luggage doors, a 15,000 BTU A/C, and dual-pane windows, means the Remington Ultra Lite looks great and is ready for any kind of action. Whether it's a long haul or just a weekend getaway, the Remington Ultra Lite is the right choice for comfort, quality, and value.
