CONTINUING A LEGACY OF LUXURY.

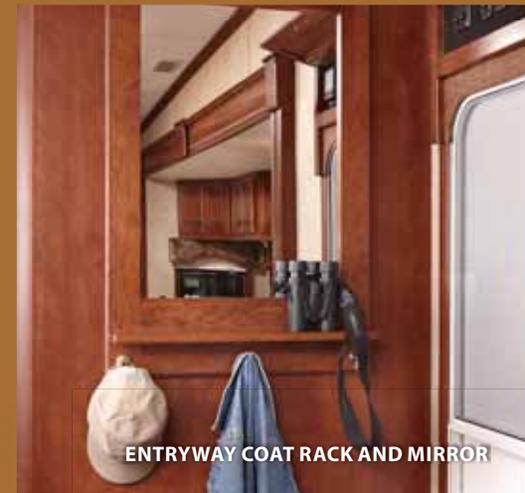

Bred from the thoroughbred class of the luxury fifth wheel segment, the new Lifestyle Luxury RVs are designed specifically for year-round comfort for full-timers that love to travel. Spacious living areas appointed with custom cabinetry and plush upholstery compliment the road ready foundation of the Titan Structure beneath your feet. The new Lifestyle Luxury RV is built for decades of rigorous travel with all the amenities of home. Welcome to the Lifestyle Luxury RV legacy—the new definition for “home away from home” in luxury fifth wheels.

KITCHENS APPOINTED FOR YOUR GOURMET.

Lifestyle designs remarkable kitchens to accent your epicurean pleasure while on the road. Many floor plans feature kitchen islands (standard on the LS37CKSL show here) with generous preparation areas and impressive food and cookware storage space. Cabinet drawers feature heavy duty, full-extension guides with soft close technology. Whichever floor plan you select, you'll enjoy Corian countertops, double stainless-steel sinks and top-of-the line built-in appliances with residential wood facades.

TRUE LUXURY IS BUILT ON A SOLID FOUNDATION.

Your Lifestyle Luxury RV experience begins with superior engineering and design. From our signature Titan Structure™ double stacked, box-steel tube frame, to boasting the industry's finest insulation R-values for the best climate control under extreme weather conditions, we are proud to share all the details of our unique construction processes and quality material specifications. At Lifestyle Luxury RV we understand your luxury travel experience begins with the peace of mind that comes with a solid foundation.

AWNINGS Lifestyle fifth wheels come standard with quality Carefree electric adjustable pitch awning for years of reliability (shown with optional awning on slideout).

Count on years of superior performance from the industry-leading MOR/ryde suspension and pin box.

STORAGE Lifestyle fifth wheels lead the industry in storage space by featuring a conventional main pass-through storage area and an additional rear pass-through storage—both with heavy duty slam latches.

LEVELING SYSTEM Lifestyle is proud to offer the reliability and convenience of the Bigfoot leveling system with fully automatic leveling. This hands off system automatically levels the RV and even remembers original hitch height.

We know we build the best RV designed for full-time use, and we back it up with a genuine, peace-of-mind warranty in writing. Lifestyle's warranty is a manufacturer's warranty. Each product is warranted to the original purchaser from the original date of purchase against defects in materials and workmanship.

Lifestyle offers a limited 5 year structural warranty. Review your coach's limited warranty in full for complete terms and conditions.

CLIMATE CONTROL You can count on quiet, efficient, year-round comfort with the Quiet Performa-Cool system which features a 15,000 BTU A/C with standard heat pump, and a powerful 40,000 BTU furnace.

SLIDEOUT Lifestyle fifth wheels feature the industry's most reliable slideout construction and innovative full-wall slide technology. Built above the subfloor and below the main floor, our slideouts offer superior structural integrity. The slideout operates on a rack and pinion mechanism and features a self cleaning roof system, thanks to an H-seal enclosure wiper and wedge system. And, unlike most manufacturers' slideouts, ours have 2¼" fully insulated floors.

THE EXCLUSIVE TITAN STRUCTURE.

The Titan Structure™ frame is built in-house for the ultimate in quality control and seamless integration with the chassis and core components of your Lifestyle fifth wheel. The double-stacked, box-steel tube frame is designed for superior strength and durability.

The deeper frame provides space for a dual floor basement keeping utilities and water tanks protected in an enclosed, heated space. The Titan Structure also supports the weight of the aluminum cage, hung wall system built 16" on center.
