357TRIP

Take a look at this intelligently designed SIERRA Select 357TRIP. This triple slide bunk model is perfect for the larger family or the camper looking for some extra storage space. This model comes standard with three oversized bunks in the rear bunk room, tri-fold hide a bed sofa and booth dinette. This versatile floorplan can also be changed to have a full party couch in main slide and hide a bed with flip down bunk above in the back bunk room. The endless storage, floor to ceiling pantry and a full walk in shower make this fifth wheel a prime choice.

The corner placement of the entertainment center with 32" flat screen TV, premium sound and a standard fireplace ensures that there isn't a bad seat in the house for entertaining the family on those rainy days. The functionality of the SIERRA 357TRIP doesn't stop there. An extra half bath off the bunk room, two entry doors and standard outside kitchen make this floorplan the perfect choice for many consumers. With too many features to list the SIERRA 357TRIP is a must see!

SIERRA

The SIERRA Select series offers a variety of travel trailer and fifth wheel floorplans that accommodate both long and short term campers alike.

CARBON DECOR

34CK

The innovative design of the SIERRA 34CK fifth wheel is perfect for the consumer looking for a wide open floorplan. The SIERRA 34CK has two main opposing super slides that give you abundant space and storage. Counter space is plentiful with the addition of the island kitchen and the full walk in pantry gives you more than enough space to store all of your essentials.

With the placement of the corner entertainment center a perfect view can be seen by all from either your plush hide a bed sofa, free standing dinette with four chairs or your incredibly comfortable reclining rear wall theatre seating.

Wherever you are going and no matter how long you are staying the SIERRA 34CK with its large living area and endless features offers the perfect fit. The Sierra brand is the correct choice for that customer seeking style and elegance without sacrificing flawless functionality!

GREAT CAMPING DESERVES GREAT FEATURES

High rise faucet with undermount sink and solid surface sink covers.

Stainless steel microwave and range/oven and 8 cubic foot refrigerator with wood insert.

Optional theater seats in place of recliners.

Full extension, soft close ball bearing drawer guides.

PRE-DELIVERY INSPECTION FACILITY

20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate daily feedback to production for quality assurance in every unit built.

Forest River, Inc. encourages our customers to purchase their Forest River products from a local dealership whenever possible for the following reasons:

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!
