

# MAPLE COUNTRY

The exclusive Canadian Maple Country line was designed to give you unmatched comfort. Get ready to relax with the power awning and outside kitchen (most floorplans). Inside, the bed is a full-sized queen with memory foam to give you a restful night's sleep. The barrel roof ceiling offers nearly 7' of interior height while the deep slides expand your living space. You can relax in the living space cooled by the 15,000BTU air conditioner while you enjoy the comfortable furniture and beautiful décor!
