

Sandpiper

SANDPIPER DESTINATION SERIES

401FLX

BRANDY DECOR

The 401FLX is the ultimate "open concept" floorplan. It offers opposing slideouts in the living area that creates a great floor space for relaxing. It also offers ample pantry space, washer/dryer prep and a great island kitchen. The "atrium" window layout on the door side offers you a great view of nature's beauty.

CAREFREE COMFORT

Welcome to the Sandpiper destination series, while designed to be comfortable for even the longest stay at your favorite destination these units are also easy to move. With residential features like a walk-in shower with seat and walk around king bed, your new home on the road will provide you with years of carefree comfort.

393RL

CREAM DECOR

The 393RL is the ultimate couple's floorplan. In the spacious rear living, the rocker recliners sit directly across from the TV for easy viewing. The kitchen is filled with ample storage space and luxurious countertops to satisfy a full time lifestyle. The bedroom features a large center wardrobe, a chest of drawers and overhead cabinets for even more storage.

Hi Rise Faucet. Sandpiper's Hi-Rise faucet with pull out sprayer is both functional and stylish.

Convenient Features. Our stainless steel digital microwave is a great way to heat up a cup of tea or make a quick snack.

Residential Finishes. All Sandpiper kitchens feature Mocha accent crown molding over the cabinets.

Pendent Lighting. Our pendent lighting fixtures are just one more example of our commitment to true residential design.

PRE-DELIVERY INSPECTION FACILITY

20,000 square feet of quality assurance. The bare essentials for a premium product. This state-of-the-art facility gives immediate daily feedback to production for quality assurance in every unit built.

Forest River, Inc. encourages our customers to purchase their Forest River products whenever possible for the following reasons:

It is the goal of Forest River, Inc. that all of our RV owners fully enjoy the RV experience and that customer satisfaction meets or exceeds their expectations!

- 1) Forest River, Inc. dealers are independently owned and operated businesses so priority service and scheduling is at their discretion and is often provided to customers that purchased their unit at that dealership.
- 2) Purchasing locally allows customers to establish meaningful relationships with a dealer, enhancing the RV experience through assistance with product questions, user tips or RV regulations for your state or country, and much more!
- 3) Canadian customers must meet requirements to bring an RV purchased out of the country to their home. These requirements may involve additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.
- 4) Scheduling timely warranty repairs and adjustments through a local dealership provides far greater flexibility and convenience to you, the customer!

24/7 EMERGENCY ROADSIDE ASSISTANCE

For a worry-free ownership experience

Coach-Net®

RV Technical & Roadside Assistance

Forest River includes one year of Coach-Net RV Technical & Roadside Assistance with each RV purchase. Whether new to the RV lifestyle or an experienced RV enthusiast, Forest River owners have 24/7 access to technical, operational and emergency road service coverage throughout the US & Canada. Coach-Net's fast, dependable service is just a phone call away.

GVWR (Gross Vehicle Weight Rating) - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

GAWR (Gross Axle Weight Rating) - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

UVW (Unloaded Vehicle Weight)* - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

*Estimated Average based on standard build optional equipment.

CCC (Cargo Carrying Capacity)** - is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

** Estimated average based on standard build optional equipment

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities.

The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

All information contained in this brochure is believed to be accurate at the time of publication. However, during the model year, it may be necessary to make revisions and Forest River, Inc., reserves the right to make all such changes without notice, including prices, colors, materials, equipment and specifications as well as the addition of new models and the discontinuance of models shown in this brochure. Therefore, please consult with your Forest River dealer and confirm the existence of any materials, design or specifications that are material to your purchase decision.
