FLORIDA

Sudden urge to disappear in nature, away from your hectic and crowded everyday reality? Get away and reconnect with your natural instincts and your freedom to move around. Tucked under a tree, your Safari Condo will remain discrete, quietly listening to the river's murmur and the rustle of the wind in the leaves. Never caught unprepared, you'll love the unexpected.

LET IT SURPRISE YOU

DELAWARE

From the outside, it looks like a standard van. It doesn't attract attention. Whether you're fond of nature or museums, your Safari Condo will also fit in the city where you'll travel unnoticed. But when you open its doors, you'll be blown away by its true nature. Its greatness is on the inside!
