A great ESCAPE

Step into the rear master bath inside floor plan 4579 and be greeted by a solid-surface vanity that rests beneath an extra-large medicine cabinet. But perhaps what is most impressive is the walk-in rear wardrobe furnished with hanging space, adjustable shelves, and shoe storage. Or maybe it's the convenient laundry station that shelters an optional Whirlpool® washer and dryer. Plus, most Mountain Aire floor plans include a half bath and raised Cathedral Ceiling.

An outdoor oasis

ENJOY *the* VIEW

Adorned with a champagne-metallic base, our Palisade Masterpiece® finish is a true work of art, accented by sharp curves and sweeping lines. And no matter the length, every Mountain Aire benefits from the STAR Foundation, a Newmar-exclusive steel superstructure that delivers a quieter ride and a more durable chassis. Outdoor standards include a Dometic® pull-out freezer and power-locking baggage doors, along with options like an entertainment center and a power pass-through storage tray.

Floor plan 4579

A HAVEN *for* CELEBRATION

Available for the first time, 4579 is designed to maximize gathering space while still presenting the substantive master suite you have been dreaming of. Guests can enjoy a marvelous chaise lounge or pair of recliners, with a sleeper sofa across the way. Accommodations continue with a mid-cabin half bath, pull-out cabinet, residential refrigerator, and a spacious pantry ready and able to handle groceries and more. There's even a walk-in wardrobe closet to help you stay organized.

LUXURY *at* ITS PEAK

Temperate and inviting, Palisade décor exhibits a soft tile shade that is an ideal match for the available Wicker glazed maple cabinetry stain. Living area furniture is enhanced by Ultrafabrics® surfaces and square-patterned throw pillows. And in the master suite, a star-covered bedspread and pillowcases add subtle character to a space with an abundance of style.
