Here you'll find superior quality in affordable aluminum open trailer hauling. Whether it's cargo and you need an agile utility trailer, or you're toting an automobile or UTV, Stealth has been manufacturing better looking, more functional and longer lasting open trailers.

PHANTOM I

The Phantom I series is designated as our auto hauler line. The larger sizes are capable of transporting full size automobiles, while shorter sized units are ideal for smaller vehicles. Tie-downs, side ramps, or flooring options are available to meet your needs. Trust your auto hauling to Stealth's reputation for quality.

PHANTOM II

Great looks and function without the high price of some all-aluminum open trailers. That's what you'll find with Phantom II, our utility models are designed for a variety of rugged hauling uses. Sturdy construction, lightweight and easy to tow, Stealth provides a 3-year warranty to keep you rolling down the road.
