ALL NEW EXPANDABLES NOW AVAILABLE!

Passport expandables compact design comes with travel-friendly lengths and lightweight floorplans that make this travel trailer towable by many smaller vehicles*.

*CHECK WITH YOUR VEHICLE MANUFACTURER FOR TOWING SPECIFICATIONS

EXPRESS SUPER LITE

The Passport Express Expandable Series has been specifically engineered to maximize sleeping capacity while keeping both weight and overall length of the trailer in mind. Without sacrificing the look, comfort and amenities found in the regular Passport Express, the expandables also offer the latest in hybrid technology.

ROTO-VISE SYSTEM clamps tighter than the competition for a better seal with less effort.

Our tent system makes setting up and tearing down your hybrid a breeze. You no longer have to worry about awkward support bars or the tent canvas not being properly sealed to the tent door.
