- Ultraleather™ swivel cab seats
- Available Infotainment Center with Rand McNally RV GPS
- MCD solar/blackout roller shades
- LED ceiling lights
- Corian® countertops
- Generous bedroom and master bath (37F)
- Available stylish Contour windows

ON THE COVER: 38Q Cardinal Full-Body Paint

38Q Waldorf with Forest Cherry Cabinetry

MORE MOTORHOME THAN EVER

The Itasca SunCruiser® continues to draw rave reviews for delivering diesel-pusher style in the convenience and affordability of a Class A gas coach. The new 38Q triple-slideout floorplan joins our most exciting and diverse SunCruiser lineup ever. A restyled front cap, full-body paint, and available dual-pane

Contour windows set the stage for a coach filled with luxurious, user-friendly features, including MCD solar/blackout roller shades, Ultraleather™ furniture, and advanced LED lighting. When you want comfort and luxury in a Class A coach, look no further than the Itasca SunCruiser.

RECOGNIZED QUALITY The RV Dealers Association bestows its annual Quality Circle Award based on dealer ratings to manufacturers that provide exceptional products, service and support. Only one manufacturer has received this award for seventeen consecutive years: Winnebago Industries®.

BEST IN CLASS

See how Winnebago Industries takes motorhome design and function to the next level, and why we've earned the right to be called the Most Recognized Name in Motorhomes.®

Click on this icon throughout the brochure to link to more information on the web.

Choose a set of two plush **Ottomans** for extra storage and seating or to rest your legs while relaxing on your sofa (38Q).

With a simple switch you can quickly convert your **Rest Easy® Extendable Sectional Sofa** into a comfortable, contoured bed.

The **BIG Shower** lives up to its name with a wide entrance and plenty of elbow room (37F).

The **OnePlace® Systems Center** lets you monitor and control key systems from one convenient location.

Adjust your preferred light and privacy settings with the smooth-operating **MCD Solar/Blackout Roller Shades**.

Full-Extension Drawer Slides make it easy to open drawers wide and maximize their storage space.

The available **Infotainment Center with Rand McNally RV GPS** offers turn-by-turn voice guidance and more.

38Q Waldorf with Forest Cherry Cabinetry

Style and comfort meet in this luxurious lounge, complete with a Rest Easy® extendable sectional sofa (38Q), a Euro recliner (37F, 38Q) with a hoop base allowing the recliner to be moved when the coach is parked, and an impressive entertainment center that includes a 46" HDTV (38Q). You'll appreciate the MCD solar/blackout roller shades, the Blu-Ray™ Home Theater System, and the comfortable sofa/bed (32H) —perfect for everything from a mid-day nap to a late night movie. The available Contour windows offer an even more attractive look and reduce wind noise.

Euro Recliner

Rest Easy Extendable Sectional Sofa with Ottomans (38Q)

Rest Easy Extendable Sectional Sofa Extended (38Q)

Whether it's a quick meal or a gourmet dinner, this elegant galley is equipped to help with your preparation and presentation. You will love the residential appliances, Corian® countertops, and the abundance of storage. With the stainless steel microwave/convection oven, you can create culinary masterpieces, while the extendable island offers plenty of extra prep space.

Whether you want the convenience of a U-shaped dinette (32H) or the sophistication of a dining table/buffet with a retractable 40" HDTV (37F), the Suncruiser has versatile options for the dining experience you prefer. There is also the popular BenchMark® full comfort dinette with additional storage (35P) and the innovative Glide and Dine™ table that easily extends and glides to the left or right for maximum dining comfort and usability (38Q).

38Q Bedroom

38Q Powered Bed Up

38Q Bedroom Wardrobe

Available Washer/Dryer

Whether you're reading a book or watching a movie on the large HDTV, the powered king bed (37F, 38Q) adjusts at the press of a button. Sleep comes easier on the Ideal Rest® Natural Reserve digital comfort control mattress (available in 32H, 35P, standard in 37F, 38Q) with its ability to individually adjust the firmness of each side of the bed. The cotton and bamboo fiber cover with a duo-firmness reversible insert adds to your total comfort. The bedroom includes a dedicated 110-volt outlet connected to a 1,000-watt inverter, allowing for power without the use of a generator when shoreline power is not available.

Bedroom HDTV

38Q Bathroom

38Q Vanity

37F BIG Shower

Each bathroom features Corian countertops, a textured glass shower door, and a flexible showerhead. The 32H and 35P feature mid-coach baths, while the 38Q comes with a cross-aisle split bath. The 37F boasts a master bath featuring the BIG Shower as well as a guest bath.

Dash

Life on the road is easier and more comfortable thanks to sideview and rearview cameras incorporated into the touch screen radio and the power Ultraleather cab seats. MCD solar/blackout roller shades keep driving and evenings comfortable, while the dash workstation provides the co-pilot with a convenient work surface.

Cab Seat

Dash Workstation

MCD Solar/Blackout Powered Roller Shades

For outdoor enjoyment, a powered patio awning and available exterior entertainment center (featuring a 32" HDTV mounted on an adjustable bracket for easy viewing) maximize relaxation in the open air. You'll appreciate the abundant storage that allows you to bring all your gear—both the necessities and the extras. The leveling jacks include 3-position controls, allowing you to level the coach from the cab, service center, or the entrance door. With ergonomic controls and color-coded labels in the service center, you'll be surprised at how quick and easy hookups can be.

Fiberglass Roof
The crowned, one-piece fiberglass roof is backed by a 10-year limited parts-and-labor roof skin warranty.

Thermo-Panel® Sidewalls By layering fiberglass and high-density block foam insulation with welded aluminum support structures, we create some of the industry's strongest, most durable and lightweight sidewalls.

E-Coating An electrodeposition coating helps protect critical steel components.

Embedded Steel Metal substructures embedded into the sidewall provide solid attachment points to keep cabinets and appliances mounted securely in place.

Solid Framework Aluminum extruded in our own facility to our exacting standards creates an extremely strong and solid structural framework.

Laser-Cut Tubing
Precision laser cutters create precise joints in structural steel that are stronger and require less welding.

Interlocking Joints
Specially engineered interlocking joints connect the floor, sidewalls and roof where competitors often rely on simple screws to bear the weight.

SUPER STRUCTURE®

BUILT TO LAST

Every coach—from our smallest Class C to our largest diesel-pusher model—is built to Winnebago Industries'® legendary SuperStructure® construction standards. It's a process developed and refined over more than 50 years of building some of the strongest, most durable coaches in the industry.

TESTING Before rolling out of our factories, every coach undergoes an extensive 113-point inspection. Each coach also passes a high-pressure water test that simulates rain at a rate of 50-inches per hour to check for leaks. During the design process, our computer simulations, physical testing center, and rigorous test track ensure each model is built to last.

DETAILS At Winnebago Industries, we treat the features you can't see with the same care as the ones you can. Look in the access panels of some of our competitors' coaches and you'll see loose insulation and wires haphazardly strewn about. Winnebago Industries maintains a clean fit and finish throughout so your coach will last for the long haul.

BUILT IN-HOUSE We extrude our own aluminum. We rotocast our own plastic components. In fact, we manufacture most of our own parts so they are designed to fit the space, rather than fitting the space to an awkward off-the-shelf component size.

**SUPER
STRUCTURE**
BUILT TO LAST

Warranty⁷

12-month/15,000-mile basic limited warranty⁸

36-month/36,000-mile limited warranty on structure⁸

10-year limited parts-and-labor warranty on roof skin⁸

- The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.
- Floorplans feature a wide-body design – over 96." In making your purchase decision, you should be aware that some states restrict access on some or all state roads to 96" in body width. Before making your purchase decision, you should confirm the road usage laws in the states of interest to you.
- The load capacity of your motorhome is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motorhome.
- Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.
- Capacities shown are tank manufacturer's listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.
- Actual towing capacity is dependent on your particular loading and towing circumstances, which includes the GVWR, GAWR, and GCWR as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.
- See separate chassis warranty.
- See your dealer for complete warranty information.

GRAND NATIONAL RALLY

In 1969, two things happened: Neil Armstrong took mankind's first steps on the moon, and Winnebago Industries' WIT Club launched its first Grand National Rally in Forest City, Iowa. Every year since then, thousands of rally-goers connect with old friends to enjoy concerts, tours, activities, and more. Blast off for an adventurous week in July to celebrate 45 years of interstate land roving at the 2014 "Out of This World" Grand National Rally. It's a mission you'll never forget!
