AMERICA'S MOST **LIVEABLE** RVs.

TRUE VALUE OF OWNERSHIP

With Jayco, you get more amenities, more liveable, home-like features and superior construction for better durability and greater resale value. **Simply put, you won't find another RV packed with more TRUE VALUE — from the time of purchase to the time you sell.**

- + 2-year warranty
- + more standard features
- + more brand-name components
- + less maintenance
- + better resale value

True Value of Jayco Ownership

Learn more about Jayco's True Value by finding the blue arrows  throughout this brochure.

AMERICA'S MOST **LIVEABLE** RVs.

CERTIFIED GREEN

All Jayco products are green certified by TRA Certification Inc., an independent, third-party certification agency. Eagle earned gold certification through the use of sustainable materials, environmentally-friendly production methods, energy-efficient components and reduction of waste.

WARRANTY

WE BACK OUR PRODUCTS FOR
2 YEARS. ASK OUR COMPETITION
WHY THEY DON'T.

You want your RV to last a long time. And nobody backs their RVs better than we do. Our exclusive two-year Co-Pilot Warranty is the best in the business and provides assurance that you'll enjoy your purchase for many years.

The RV for RV lovers.

The Jayco Eagle is perfect for anyone looking to break away from ordinary RVing without breaking the bank. Whether you choose the travel trailer, fifth wheel or one of our economical Super Lite versions, you'll find Eagle offers more high-end features, more comfort and more amenities than the competition, for the best value. And that's why we say Eagle is the RV for people who love RVing.

↑ MORE LIVEABILITY

With the new adjustable-pitch electric patio awning, you can spend more time outdoors protecting yourself from rain or sun. (Adjustable pitch not available on the Eagle FW).

↑ WATER WORKS SYSTEM

Jayco's innovative 80-plus gallon fresh water system includes a water heater bypass and durable Pex water lines.

↑ DURABLE CONSTRUCTION

An I-Class structural steel chassis frame, TuffShell vacuum-bonded lamination sidewalls and longitudinal floor joists make Eagle as durable as it is liveable.

EAGLE

Super Lite Series

SUPER LITE
TRAVEL TRAILER

SUPER LITE
FIFTH WHEEL

SUPER LITE, SUPER ROOMY

The Eagle Super Lite travel trailer and Eagle Super Lite fifth wheel feature many of the same amenities and finishing touches as their larger counterparts, but with lower prices they're easier to fit into any RV budget, while their lighter weights make for easier towing.

RETREAT

With a mirrored medicine cabinet, skylight, shower and sink, the Eagle Super Lite bathroom provides a soothing sanctuary to refresh after a day outdoors.

COMFORTABLE

The living areas in the Eagle Super Lite fifth wheels feature a 32" LCD HDTV, J-Steel convertible sofa, overhead cabinetry and residential-style furniture.

Unloaded Vehicle Weight (UVW): Sometimes referred to as "Dry Weight," UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories.

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC.

Cargo Carrying Capacity (CCC): CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC.

Hitch Weight (HW): The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle before heading out on the roadways. When you tow an RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. See specifications chart above.

Eagle Series

TRAVEL TRAILER

FIFTH WHEEL

SMART MOVE

If you're looking to move beyond the traditional travel trailer or fifth wheel, then it's time to take a look at the Eagle. Both the Eagle travel trailer and Eagle fifth wheel combine intuitive design, superior construction materials, ample interior space and more name-brand appliances into the perfect home away from home.

MANEUVERABLE

The Eagle fifth wheel's tight-turn radius means it's as easy to park as it is to tow, making it an ideal upgrade from typical fifth wheels.

CONTEMPORARY

You'll love cooking in Eagle's modern kitchen, with Burnished Cherry cabinetry, Dream Dinette, Corian countertops, three-burner stove and deep stainless-steel, residential-style sink.

Unloaded Vehicle Weight (UVW): Sometimes referred to as "Dry Weight," UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories.

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC.

Cargo Carrying Capacity (CCC): CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC.

Hitch Weight (HW): The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle before heading out on the roadways. When you tow an RV, you must drive differently than when you drive a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. See specifications chart above.

LIVEABLE FEATURES AND AMENITIES

Every Jayco comes packed with features and amenities designed to make your life easier and family time more enjoyable.

RAISED-PANEL CABINETRY

Concord Cherry or Burnished Cherry cabinets and nickel hardware add to Eagle's home-like atmosphere.

OUTSIDE KITCHEN

Spend even more time outdoors with Eagle's optional outside kitchen, complete with stove, refrigerator, sink and storage space (select models).

BALL BEARING GUIDES

Our residential-style ball bearing drawer guides provide smooth operation and full-drawer extension.

HIDE-A-BED SOFA

There's plenty of room for company thanks to a hide-a-bed sofa with air mattress and blanket drawer (optional in Super Lite models).

A TRADITION OF LIVEABILITY

Starting with our first lifter system for fold-down campers in 1968, which made for an easier, more enjoyable camping experience, Jayco has always been about liveability. Today, we're the world's largest family-owned RV manufacturer, yet our priorities remain the same: making RVs more liveable and family time more memorable.

www.jayco.com

NORCOLD REFRIGERATOR

A spacious refrigerator lets you bring along everything you need for a great home-cooked meal.

DREAM DINETTE

Easily raise and lower your tabletop or extend it out with an optional 12" leaf and support leg (most models).

TRUE VALUE OF OWNERSHIP

With Jayco, you get more amenities, more liveable, home-like features and superior construction for longer durability and a better resale value. Simply put, you won't find another RV packed with more *true value*—from the time of purchase to the time you sell. Don't believe us? Run through this list. The check marks don't lie.

Jayco®

AMERICA'S MOST **LIVEABLE** RVs.

JAYCO CONSTRUCTION

At Jayco, we've built a reputation for superior construction and craftsmanship. We always use top-quality materials and production techniques, giving our products reliable resale value and our owners peace of mind.

INSIDE THE ENGINEERING | Eagle Travel Trailer and Super Lite Series

Much of what gives a Jayco its reputation for durability and strength is inside the walls and under the chassis. The Eagle Super Lites and the Eagle travel trailers feature ① an aerodynamic front profile (Super Lite fifth wheels only), ② MOR/ryde CRE 3000 suspension, ③ an enclosed and heated underbelly, ④ Torq-N-Go wheel nuts with Dexter Nev-R-Adjust brakes (Eagle travel trailers only) and ⑤ an I-Class structural steel I-beam frame.

FLOOR

Vacuum-bonded lamination joins our welded aluminum frame with bead-foam insulation (R-9) and decking to create one of the industry's strongest foundations.

WALLS

TuffShell vacuum-bonded lamination combines welded aluminum frames, metal backers, decorative interior wall panels and fiberglass exterior siding, creating a durable structure designed to withstand use and travel.

ROOF

A combination of $\frac{3}{8}$ " plywood decking, wood rafters with 4 $\frac{1}{2}$ " arched trusses, foil insulation (R-22) and a seamless rubber shield protect against moisture and resist aging.

POLAR BARRIER PACKAGE

Our exclusive Polar Barrier thermal insulation package lets you extend the camping season by providing protection against freezing (temperatures as low as 0°F or -17°C), greatly increasing your options for winter travel destinations (Eagle FW only).

*The Jayco Eagle FW was tested in 0°F (-17°C) weather over an extended period of time in a controlled environment and all functions of the coach were fully operational. Testing cannot account for natural elements, such as wind or moisture. In actual use, unit may not perform as well. In addition, outside components are subject to freezing and require steps to properly insulate. Jayco's warranty does not cover damage caused by freezing.

INSIDE THE ENGINEERING | Eagle Fifth Wheel

Much of what gives a Jayco its reputation for durability and strength is in the details. The Eagle fifth wheel features ① an aerodynamic Eurostyle front cap, ② Nev-R-Adjust brakes with Torq-n-Go lug nuts, ③ MOR/ryde CRE 3000 suspension, ④ an enclosed and heated underbelly, ⑤ Goodyear brand radial tires and ⑥ an I-Class structural steel I-beam frame.

FLOOR

A $\frac{5}{8}$ " tongue-and-groove plywood deck on 2" x 3" wooden floor joists, together with fiberglass and foil insulation (R-24) and a Poly Flex covering, creates one of the strongest foundations in the industry.

WALLS

TuffShell vacuum-bonded lamination combines welded aluminum frames, metal backers, decorative interior wall panels and fiberglass exterior siding, creating a durable structure designed to withstand use and travel.

ROOF

The laminated, vacuum-bonded roof is topped off with $\frac{1}{4}$ " plywood decking on 5" arched aluminum trusses with bead-foam insulation (R-21) and a seamless rubber shield that protects against moisture and resists aging.

↑ JAYCO CRAFTSMANSHIP

Jayco's dedicated production team includes Amish craftsmen who build with well-honed woodworking techniques passed down for generations and skilled seamstresses who produce our upholstery, bedding and draperies with great attention to detail.

AMERICA'S MOST **LIVEABLE** RVs.

WARRANTY

INDUSTRY-LEADING WARRANTY

The Jayco Co-Pilot Warranty is a manufacturer's limited warranty. It comes from the people who build Jayco recreation vehicles to the people who buy them. Each Jayco is warranted to the original purchaser for twenty-four (24) months or twenty-four thousand (24,000) miles (mileage limitation applies to motorized products only), whichever occurs first, from the original date of purchase against defects in materials and workmanship. Jayco's limited warranty is not transferable. Go ahead and compare the Jayco warranty with other manufacturers' warranties. You'll find it's the best in the business!

For a copy of the limited warranty with full terms and conditions, ask your local Jayco dealer.

OVER 300 LOCAL DEALERS

Establishing a solid relationship with your local Jayco dealer is a key component in the enjoyment of your new Jayco. By purchasing from a local dealer, you will have a convenient location for sales, parts and service support.

Jayco dealers are required to deliver all products at the site of the sale to provide a full product orientation and walkthrough at the time of delivery. It's a good way to become familiar with your Jayco and to meet the service, parts and warranty staff members who will be assisting you. If you live in Canada, there are regulations that must be met when buying a Jayco RV. Your local Canadian dealer is a professional at meeting these requirements and regulations. There simply is no substitute for a good relationship with your local Jayco dealer.

1-YEAR ROADSIDE ASSISTANCE

Travel worry-free with Jayco's Customer First Roadside Assistance program, yours at no cost during your first year of ownership. This program is offered through Coach-Net, the largest RV emergency road service in the country, and gives you immediate access to dependable roadside assistance and support services with a simple phone call.

- Free jump starts
- Free tire changes
- Free fuel delivery
- Free lockout service
- Free travelers checks
- Toll-free nationwide service appointment assistance
- 24-hour toll-free emergency message service
- Free custom trip routing and full-color map service
- Free dispatch of on-site mechanical service
- \$2,000 trip-interruption reimbursement
- RV technical assistance hotline
- Free towing to nearest qualified service

Your Jayco Dealer

Jayco proudly sponsors Tread Lightly!, a nonprofit organization whose mission is to empower generations to enjoy the outdoors responsibly through education and restoration.

From RV insurance to extended warranties, JayPlus has it covered. Ask your Jayco dealer about our exclusive JayPlus program today.

As a Jayco owner, you can be part of the Jayco Jafari International Travel Club. Ask your dealer about the Jafari "flight" in your area, write Jayco or visit our website.
