Flagstaff

MAC, LTD, SE, HARD SIDE & HIGH WALL TENT CAMPERS

PROVIDING OUTDOOR FUN SINCE 1974.

Limited

TIME TO RETIRE THE FAMILY TENT? When it is time to retire the trusty family tent because you are tired of sleeping on the hard ground, look no further than the Flagstaff LTD Tent Camper. Light on frills but an emphasis on quality and construction. The LTD is our entry-level line of tent campers that come with a limited lifetime warranty on the lift system and a 5 year tent warranty. Oh, and don't forget the standard heated mattresses that will keep you warm and comfortable on those chilly Fall nights.

MAC

MAKING YOUR INVESTMENT GO A LONG WAY. Flagstaff takes pride in packing the most value possible into our MAC series. Finding the perfect fit for the specific needs of your active family is made easier by the wide variety of floor plans available. While each model comes standard with many features, you still have flexibility to incorporate as many options as you choose to fit your camping preferences.

228BHSE

Sports Enthusiast Package

WELCOME TO THE FLAGSTAFF SPORTS ENTHUSIAST PACKAGE (SE), a camper designed for active couples and families. Whatever the preference; mountain biking, canoeing, paddle boarding or surfing, the SE camping trailers are designed to allow you to make the most of your outdoor experience. Built for 21st century camping. The SE package includes a AM/FM stereo with Bluetooth technology, USB auxiliary ports for streaming and recharging, LED lighting, a WiFi Ranger WiFi booster and a 100W solar panel with 1000W inverter to supply renewable energy to your batteries while camping "off the grid."

T12RBST

Hard Sides

QUITE POSSIBLY THE BEST OF BOTH WORLDS. When you combine the solid exterior of a travel trailer with a tent camper, you get the Flagstaff Hard Side Series, giving your camping experience the best of both worlds. Bringing a smooth fiberglass vacuum bonded exterior with a quick, easy set up, while retaining the towing and storage advantages of a tent camper, the Hard Side camper is the perfect blend.

TORFLEX
RUBBER TORSION SUSPENSION AXLES

Dexter Torflex Axles

(STANDARD ON HIGH WALL AND HARD SIDE MODELS)

- Independent wheel suspension and self-damping action
- Rubber cushioning eliminates metal-to-metal contact.
- Forged torsion arm for maximum strength

Most models are also equipped with E-Z Lube® System and Nev-R-Adjust® Brakes.

Hand-checked for the best quality.

CAI (CUSTOMER ASSURANCE INSPECTION) Each Flagstaff production line has a complete online PDI staff that is responsible for double checking all function and code test on every Flagstaff Trailer. CAI is an independent facility that takes Flagstaff trailers from each line and inspects them to ensure that the online PDI staff and system is functioning to the standards that Flagstaff has set along with all governing code groups. This ensures we are putting the best product into the hands of our selling dealers.

Flagstaff Warranty. Our Promise.

FOR DETAILS ON FLAGSTAFF'S COMPLETE WARRANTY PROGRAM, SEE YOUR FLAGSTAFF DEALER. When it comes to backing products with the same quality and commitment it does when it begins the manufacturing process, the only name you have to remember when you're looking for a recreational vehicle is Flagstaff. Flagstaff offers the following additional limited warranties to the original purchasers. Consult written warranty for details.

1. Five-year roof warranty (Excludes Hard Sides).
2. Twenty-five-year floor warranty.
3. Five-year frame warranty.
4. Five-year tent warranty.
5. Ten-year torsion axle warranty.
6. Limited lifetime warranty of lifter system (Excludes Hard Sides).

Specification Definitions :: GVWR (Gross Vehicle Weight Rating) - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR. // **GAWR (Gross Axle Weight Rating)** - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles. // **UVW (Unloaded Vehicle Weight)** - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories. *Estimated average based on standard build optional equipment. // **CCC (Cargo Carrying Capacity)**** - is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity. ** Estimated average based on standard build optional equipment. // Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities. The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit. // All information contained in this brochure is believed to be accurate at the time of publication. However, during the model year, it may be necessary to make revisions and Forest River, Inc., reserves the right to make all such changes without notice, including prices, colors, materials, equipment and specifications as well as the addition of new models and the discontinuance of models shown in this brochure. Therefore, please consult with your Forest River dealer and confirm the existence of any materials, design or specifications that are material to your purchase decision. Litho. U.S.A.
