T@B 320 U and 320 S

TAB 320 U

Known as the original TAB floor plan, the "U" got its name from the U-Shaped seating area. It features the largest sleeping space available complete with overhead cabinetry in the rear. The front of the trailer offers a sink, glass-top stove, wardrobe, cabinetry, and a 3-way fridge.

TAB 320 S

Having a tough time committing without a bathroom? The S floor plan offers the traditional U kitchen and sleeping areas, but exchanges the wardrobe and air conditioning for a wet bath, which includes a shower and toilet. Please note, the sleeping area is not compromised whatsoever, as the air conditioning unit is mounted to the wall.

T@B 320 CS and 320 CS-S

TAB 320 CS

Do you love the outdoors a little more than the average Joe? If so, the CS is for you! The Clamshell model originates from the traditional teardrop design where the kitchen is contained in the back hatch. The front of the trailer features cabinetry and a wardrobe in lieu of the standard kitchen space.

TAB 320 CS-S

Whoever said you can't have your cake and eat it too? With the CS and S floor plans you get a clamshell with a wet bath! Now you can enjoy all the benefits of the clamshell with the convenience of a toilet and shower. As with the S, the shower replaces the wardrobe and the air conditioning. Again, the sleeping area is not compromised, as the air conditioning unit is mounted to the wall.

TAB 400

Overwhelmed by interest from TAB dealers, customers, and enthusiasts, we pushed hard in designing this innovative new camper. The response has been nothing short of phenomenal.

We combined Ohio Amish craftsmanship with a modern, European-inspired look, and the result was the TAB 400. In building this camper, we employed some of the most innovative products in the RV industry including Froli™ Sleep System & Alde® Central Heat and Water System.

Whether it's the 60" x 80" queen bed, 24" TV and entertainment center, infinity flooring, second sleeping area, or any other uniquely great feature, we're confident the TAB 400 will exceed your expectations.
