TRAVEL TRAILERS & FIFTH WHEELS

EASTERN EDITION

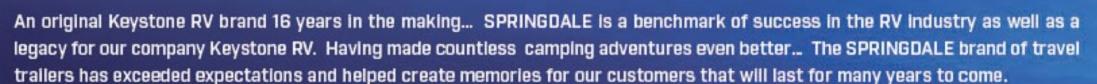

When Cole Davis founded Keystone RV in 1996 his vision was clear: Build a quality RV loaded with features priced thousands less than other RVs on the market. To accomplish his goal, Cole would recruit and build a strong team, focus on keeping overhead low, and empower the people closest to the customer to make decisions. Within a few short months after opening the doors, Keystone produced its very first camper. Delivering big on quality, features and value, the public fell in love and a star was born.

As customers appetite skyrocketed, new Keystone models were added to satisfy growing customer demand. Along with this tremendous growth came the need for expanded production. To meet this need, more manufacturing plants were built and staffed. By the beginning of 2000, Keystone was leading the industry in fifth wheel and trailer sales. Today, Keystone RV Company has grown to encompass over 1 million square feet of manufacturing space with facilities in Goshen, Indiana and Pendleton, Oregon. While Keystone is no longer the small "start up" we once were, our mission has remained true to Cole's vision—"Do the Job right and make sure we deliver a quality product every time."

Our Story

At Keystone RV, we pride ourselves on unmatched quality control procedures and maintain customer service that is second to none. With our 16 year proven track record... SPRINGDALE travel trailers are constructed with our customers in mind. This quality craftsmanship and attention to detail ensures our customers a piece of mind that they will continue to get the most out of their camping season.

With SPRINGDALE, we understand that our customer's hard earned money should go just as far as their adventures can take them. That is why we believe in the importance of delivering the best floor plans, best features, best look and best quality... period. Once on the road to adventure, our customers will see how camping in their SPRINGDALE travel trailer "is just plain better"! Unmatched in its design, SPRINGDALE offers numerous features you can't find on any of our competitors, as well as more standard options and amenities than any travel trailer in its class. From our interior vaulted celling, 14' Super Slide Room to the "Do More" dinette table, we have remained focused on providing great value and convenient features that will always make camping in your SPRINGDALE travel trailer... A Better Way To Camp!

CORRECT TRACK ALIGNMENT SYSTEM:

- · With Correct Track, the trailer or fifth wheel tows with the tow vehicle, not against it
- Tires run smoother and cooler
- · Improves fuel economy
- Helps preserve the life of the RVs equipment, appliances, etc
- Dramatically improves tire life
