AMERICA'S MOST **LIVEABLE** RVs.

Eagle

2008 TRAVEL TRAILERS & FIFTH WHEELS

You're an experienced RVer with many journeys behind you and you know exactly what you like and what works best for your lifestyle. Eagle travel trailers and fifth wheels are designed especially for enthusiasts like you. The Eagle offers high-end features at a mid-range price — a combination that makes it a very smart choice when you're ready to upgrade. If you've always wanted to experience the renowned quality of a Jayco RV, the Eagle is the one to choose.

10 Reasons to Move Up to Eagle

- » Durable Tuff-shell™ vacuum-bonded laminated construction
- » Lightweight, welded aluminum-framed sidewalls for easier towing
- » 5/8" tongue-and-groove plywood floor stays secure (fifth wheel only)
- » Underbelly is enclosed to protect from road debris and heated to extend your camping season
- » American-made Norcold® 8 cu. ft. refrigerator lets you adjust the temperature
- » Solid wood cabinet doors crafted with mortise-and-tenon joints and screwed stile construction
- » Jake Plate™ adjustable axle hangers for more level towing (fifth wheel only)
- » I-Class™ structural steel I-beam frame is designed to last
- » E-Z Lube™ axles make maintenance a snap
- » Customer Value Package enhances comfort and convenience

No Other RV Offers So Much Value

Which Eagle Fits Your Style?

Eagle Travel Trailer

- » Variety of floorplans that sleep 5 to 8
- » Ideal upgrade from an entry-level travel trailer
- » Comfortable choice for long trips

Eagle Super Lite

- » Variety of floorplans that sleep 5 to 9
- » Lightweight fifth wheel design
- » Step-up bedroom area

Eagle Fifth Wheel

- » Variety of floorplans that sleep 4 to 9
- » Most spacious Eagle model
- » All floorplans feature at least one slideout
- » Available with largest selection of residential-style amenities

Celebrating 40 Years of Liveability

The Jayco story began in 1968 with a humble desire to build more comfortable and practical ways for families to explore the world together. Jayco has grown to become the largest privately owned manufacturer of recreation vehicles in North America. While our product line is more diverse than ever before, every unit we build shares a common attribute—liveability. Because we believe every journey should be easy to enjoy.

Eagle Travel Trailer™

» For the Added Comfort to Enhance Your Trips

You already love the RV lifestyle. Take your interest even farther with the well-appointed Eagle travel trailer. It gives you more living space, more home-like furnishings and more convenient features, which will make every trip that much more enjoyable.

tread lightly!
OFFICIAL SPONSOR

Jayco proudly sponsors Tread Lightly!®, a nonprofit organization whose mission is to empower generations to enjoy the outdoors responsibly through education and restoration.

In the spacious bedroom, the deluxe pillow-top mattress is surrounded by the warmth of beautiful hardwood cabinetry.

Feel right at home in this residential-style bathroom, complete with a one-piece tub/shower surround, mirrored wood medicine cabinet and foot-flush toilet. A skylight, included in the Customer Value Package, brightens the space.

A Great Year to Buy

In honor of Jayco's 40th Anniversary, we've added special features to selected 2008 Eagle models including an electric awning, flat screen LCD TV and adjustable dream dinette table. Ask your Jayco dealer for complete details.

Eagle Super Lite™

» For a Lightweight and Affordable Fifth Wheel

Want to enjoy the floorplan advantages of a fifth wheel and still maintain the fuel efficiency of a lighter weight RV? Then the Eagle Super Lite is a great choice for you. Its multi-level fifth wheel design offers more separation for the bathroom and bedroom areas, and there's plenty of comfortable seating and convenient storage throughout. With the Eagle Super Lite, you'll be equipped for all the adventures ahead.

The bedroom with adjoining bathroom features a 312-coil innerspring mattress, ample storage and a bookshelf headboard.

You'll enjoy the thoughtful touches in the bathroom including a large sink and shelves in the shower.

Everything's at your fingertips in the convenient kitchen featuring a 3-burner range, oversized oven and acrylic residential-style sink.

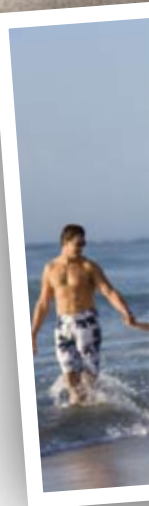

Eagle Fifth Wheel™

» For the Spacious Style to Enhance Your Journeys

At last, give yourself the space to stretch out and really relax. The Eagle fifth wheel is designed with plenty of room for preparing meals, watching a movie with friends or just taking a leisurely nap. There's even a handy desk area for catching up on correspondence. And everything inside is easy on the eyes, from the antique brass hardware and lighting to the beautiful Manchester Oak cabinetry. You won't want your trips to end.

Great style and convenience are combined in the kitchen thanks to generous storage, radius-cornered countertops and an 8 cu. ft. refrigerator with double door.

The bedroom slideout creates a cozy alcove for the queen bed, complete with windows to enjoy the view.

Jayco Builds Lasting Value

Jayco's Eagle product line is constructed with high quality materials using production techniques perfected over the past 40 years. Count on yours to look good, perform well for years and provide excellent resale value.

1. Large, lockable storage compartments with pass-through design to permit access from either side
2. FRP smooth fiberglass sidewalls for low maintenance and abrasion resistance
3. 1/8" plywood
4. Bead-foam insulation in sidewalls (R-9 in FW, R-7 in TT & Super Lite FW)
5. Seamless one-piece rubber roof with 12-yr. warranty
6. Roof rafters, constructed of residential-style tapered 4 1/2" trusses, allow for greater water run-off
7. 2"x3" longitudinal floor studs placed on 16" centers (FW) or unitized, 1 1/2" laminated construction of floor (TT & Super Lite FW)
8. 5/8" tongue-and-groove plywood floor decking (FW only)
9. Carpet pad for enhanced durability and comfort
10. Attractive, easy-care carpet
11. Carefree® 12 volt electric Travel'r awning quickly creates shaded space
12. Electro Galvanized (EGS) metal backing strips
13. R-7 fiberglass insulation in FW floor and TT roof, R-11 fiberglass insulation in FW roof, R-9 bead foam insulation in TT and Super Lite FW floor
14. Insulated foam A/C ducts for improved air flow and cooling
15. Enclosed, insulated (R-7) and heated underbelly with one-piece moisture barrier covering greatly reduces drag for better fuel economy and protects from grime and debris
16. Tinted safety glass windows
17. TuffShell™ vacuum-bonded laminated sidewalls offer durable, lightweight construction
18. Electric-powered front jacks and snap jacks are standard (FW only)
19. 3/8" plywood roof decking
20. Galvanized steel wheel wells are longer lasting
21. Aerodynamic fiberglass endcap is reinforced and dent resistant with new design for tighter turn radius (FW)

A LEGACY OF CRAFTSMANSHIP.

Jayco's dedicated production team includes Amish craftsmen who build with well-honed woodworking techniques passed down for generations and skilled seamstresses who produce our upholstery, bedding and draperies with great attention to detail.

- A.** Jayco's V-Tec™ flush-floor slideout systems increase living space with the push of a button.
- B.** EZ-Lube® axles with removable caps make maintenance a snap.
- C.** (Left) End view of Jayco's I-Class™ structural steel chassis frame made of 8" heavy-gauge steel. (Right) End view of the welded I-beam frame used by many competitors that is subject to warping.
- D.** Jake Plate™ adjustable axle hanger plates let you adjust the height of your fifth wheel up to 2 inches for more level towing.
- E.** Dream dinette table features easy-to-use hydraulic mechanism to lower table to bench height for use as a sleeping area.
- F.** Diamond-plate front panel and sturdy gas bottle cover protect from road debris (TT only).
- G.** Cabinet drawers are built with ball bearing glides for easy movement (FW only).
- H.** Reflective foil insulation under the slideout room carpet helps keep the interior comfortable.

It is important for your safety and enjoyment that your tow vehicle be adequately sized and equipped to tow and handle the GVWR of the RV you select. Review weights and rating of your tow vehicle and consult a competent advisor for questions or advice. Whether you are new to RVing or a veteran, get a feel for the performance of your tow vehicle and the RV together before heading out on the roadways. When you tow an RV, you must drive differently than you do when driving a single vehicle. Practice hooking up, driving, backing up and braking in a safe environment or seek out professional instruction. Jayco affixes a weight label to each RV which lists weight information for that vehicle. See specification chart to the left.

Unloaded Vehicle Weight (UVW): Sometimes referred to as "Dry Weight," UVW means the typical weight of this trailer as built at the factory. The UVW, as used in product literature and other promotional materials, does not include cargo, fresh water, propane, options or dealer-installed accessories.

Gross Vehicle Weight Rating (GVWR): GVWR means the maximum permissible weight of the trailer, including the UVW plus passengers, personal items, all cargo, fluids, options, and dealer-installed accessories. The GVWR is equal to or greater than the sum of the UVW and the CCC.

Cargo Carrying Capacity (CCC): CCC means the maximum weight of all passengers, personal items, food, fresh water, propane, tools, other cargo and dealer-installed accessories that can be carried by the trailer. CCC is equal to or less than GVWR minus UVW. The addition of options will decrease the CCC.

Hitch Weight (HW): The hitch weight, as used in product literature and other promotional materials, does not include cargo, fresh water, propane gas, options or dealer-installed accessories. The addition of these types of items will either add to or subtract from the stated hitch weight.

Customer First Roadside Assistance

Travel worry-free in your Eagle with Jayco's Customer First Roadside Assistance program, yours at no cost during your first year of ownership. This program is offered through Coach-Net®, the largest RV emergency road service in the country, and gives you immediate access to dependable roadside assistance and support services with a simple phone call.

- Free jump starts
- Free tire changes
- Free fuel delivery

- Free traveler's checks
- 24-hour toll-free emergency message service
- Toll-free nationwide service appointment assistance
- Free custom trip routing and full color map service
- Free dispatch of on-site mechanical service
- \$1,000 auto theft or hit-and-run reward
- \$2,000 trip interruption reimbursement

We Back What We Build.

The Jayco Co-Pilot Warranty is a manufacturer's limited warranty. It comes from the people who build Jayco recreation vehicles to the people who buy them. Each Jayco is warranted to the original purchaser for twenty-four (24) months or twenty-four thousand (24,000) miles (mileage limitation applies to motorized products only), whichever occurs first, from the original date of purchase against defects in materials and workmanship. Jayco's limited warranty is not transferable. Go ahead and compare the Jayco warranty with other manufacturers' warranties. You'll find it's the best in the business!

For a copy of the limited warranty with full terms and conditions, ask your local Jayco dealer.
