MPG Ultra-Lite

Memories Per Gallon

We know the feeling. You want to get out there and explore this great country, but you don't want to leave a big environmental footprint behind. The MPG was engineered with you (and the planet) in mind. Like all Cruiser RV products, it's lightweight yet built to last. And it tows easily behind your fuel-efficient, half-ton vehicle. Mile for mile, it's packed with value, too. The MPG features comfy homelike furnishings, king beds, taller ceilings, outside kitchens and 12 great floorplans with either single or double slides and sleeping options aplenty. If you want a trailer that's built for value and fuel efficiency, the name says it all.
