Mid-Sized Trucks

The 690FD is designed to fit most “mid-sized” pickup trucks (i.e. Toyota Tacoma, Dodge Dakota, Ford Ranger, and Chevrolet Colorado). Just because you don’t have a full-size truck doesn’t mean you can’t have a slide-in truck camper. Standard features include a refrigerator, 2 burner stovetop, sink, and other optional equipment available.

You want a What with a What?! That’s right finally a mid-sized truck camper with an indoor shower. The 610R is the second truck camper designed to fit most “mid-sized” pickup trucks. This model has all of the amenities of hte 690FD plus a shower and water heater.

Full-Sized Trucks

The 590 model is the lightest weight full-size half ton compatible truck available available tooday. With ample sized dinnette this is the perfect getaway for couples camping.

The 625SL is the #1 selling truck camper floorplan in the world. The 625SL fits into any full size truck. This floorplan is ideal for 5.5’ and 6.5’ beds. It will fit in 6.5’ beds with the tailgate closed, allowing the use of your rear camera.

The 700SL model is ideal for hunters or fisherman with separate sleeping areas. The jack-knife sofa can be converted into a bed large enough for comfort and convenience. It is designed to fit 1/2 ton trucks and larger with 6.5’ and 8’ beds. The tailgate can be closed inside an 8’ bed.

The 750SL is the newest floorplan to join the already impressove line up. The 750SL combines comfort and convenience with the optional overheshd fold down bunk.

This is the model that changed the truck camper game. The 770SL and 770 RSL is a popular 1/2 ton compatible top selling floorpaln in the industry. The 770SL is designed to fit in 5.5’, 6.5’, and 8’ beds. The tailgate can be closed with the 770SL inside an 8’ bed. The RSL offers an indoor shower for that extra privacy.
