

QUALITY

Winnebago RVs are designed and built around you, with superior craftsmanship, advanced manufacturing technologies and steel-focused construction to enhance safety and reliability.

INNOVATION

From groundbreaking RVs to game-changing features to the spacious floorplans made possible by our SmartSpace™ design, our heritage is unrivaled for continuous industry firsts in vehicle technology and design.

SERVICE

Our carefully chosen dealers are supported by factory training and our advanced parts supply system, while owners benefit from excellent real-world customer support as well as 24/7 access to online technical information.

WINNEBAGO

Engineered
to help you
get out. And
stay out.

PERFORMANCE WHEELS & ALL-TERRAIN TIRES

Augment the Revel's off-road capability with optional performance wheels from Method Race Technology featuring Bead Grip Technology and BF Goodrich® T/A® KO2 all-terrain tires.

POWER TO GO

To keep the two 125-amp-hour lithium-ion batteries charged while off-grid, the Revel comes standard with two solar panels. The batteries are also charged while driving using a second, dedicated alternator or via plugging in to shorepower.

Superbly
equipped for
adventures
that begin
where the
pavement
ends.

With 188 horsepower, on-demand
4WD with Hi/Lo range, electronic
stability and traction control,
the Revel can take you almost
anywhere — and back again.

Daytime running lamps

Warranty⁴

12-month/24,000-mile basic warranty⁵

FOOTNOTES

1. The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.
2. Capacities are based on measurements prior to tank installation. Sight capacity variations can result due to installation applications.
3. Actual towing capacity is dependent upon your particular loading and towing circumstances, which includes the GVWR, GAWR and GCWR as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.
4. See separate chassis warranty.
5. See your dealer for complete warranty information.

NA Not Available

Not all items available in combination. See dealer for details.

Because features, specifications, equipment, and options may vary from those highlighted in this brochure, the buyer is responsible for confirming with the dealer the features, specifications, equipment, and options included on their specific vehicle. In addition, Winnebago's program of continuous product improvement may result in changes to vehicle specifications, equipment, model availability, and price without notice.

Winnebago recommends following the winter use guidelines and winterization procedures outlined in your owner's manual whenever camping in freezing conditions.
