In both floorplans, the Deluxe FROLI® Sleep System provides extra cushioning and improved air flow for added comfort. Each floorplan includes a fully equipped wet bath; the 59G bath features a stainless steel sink while the 59K boasts a uniquely spacious rear shower area.

The Travato's cab is command central for its 280-hp V-6 engine and Ram ProMaster® chassis. Ergonomic seats include armrests, adjustable lumbar support, adjustable headrest, and slide/swivel/recline functions, and the 5" LCD color touch screen provides radio, GPS, and rearview monitor capabilities. A full complement of conveniences – including cruise control, power steering, power mirrors with defrost and turn signals, power windows and locks, and 12-volt powerpoints add to the Travato's car-like driving experience.
