On the Fast Track to Adventure

Adventure seekers love the great outdoors. They also love getting there in the fuel-efficient Travato® and staying as long as they like. That's because two smart floorplans offering exceptional flexibility and high-end features like Corian® countertops, Ultraleather™ furniture, and LED lighting make for a perfect home base.

Mount your gear on the optional bike and roof racks and hit the road. When the sun goes down, enjoy a hot shower thanks to the new Truma Combi™ ECO Plus heating system. Then kick back on the FROLI® deluxe sleep system. Tomorrow: repeat. Let the freedom of Travato empower all your adventures.

Recognized Quality

The Recreation Vehicle Dealer Association annually rates RV manufacturers and awards the Quality Circle Award to manufacturers that provide exceptional products, service and support. Winnebago Industries is proud to be the only manufacturer that has received this award every year since its inception.

59K Crosshatch with Aosta Cherry Cabinetry

Every inch of the Travato is utilized for your benefit. Starting with the lounge, the comfortable cab seats swivel to become lounge chairs. They even incorporate pull-out tables for quick meals in the 59K. The 59G adds a pair of bench seats and a dinette for your companions that come together to form a generous sleeping area when the lights go down. Speaking of lights, you can set the ambiance with new bright and dim settings on the recessed LED ceiling lights. You'll also breathe easy thanks to the MaxxAir fan that comes with an incorporated rain cover for proper ventilation during any weather.

59K Table

59K Galley

Whether you're carb loading for a day of biking or preparing an elegant meal, the galley offers all the essentials with style and efficiency. This includes a two-burner range, microwave (59G) or microwave/convection oven (59K) and a Corian countertop. A sliding bamboo cutting board (59K) provides a quick solution during meal prep while the refrigerator/freezer comes with a removable freezer compartment (59G) for more flexible cold storage.

Choose a large corner bed (59G) or go with a more versatile Flex Bed System that can function as a large double bed or two separate twin beds (59K). By day, the twin beds convert to comfortable bench seating with a center dining table for entertaining up to six people. Whichever floorplan you choose, you'll get a better night's sleep thanks to the FROLI® deluxe sleep system with a spring mat that provides extra cushioning and improves airflow to keep you cool and comfortable all night long.

59K Bathroom

59K Bathroom Storage

59K Fold-Down Sink

You get the most out of life and the Travato is purpose-built to get the most out of the Ram ProMaster® chassis with a rigid ladder frame and independent front wheel suspension that delivers car-like performance, even in crosswinds. Unlike a car, however, you get a larger windshield and door windows for unprecedented visibility. That visibility is further improved with large side mirrors that fold in at the press of a button for parking in tight spaces.

59K Swivel Cab Seats with Trays

Powered Mirrors with Defrost and Turn Signal

The Travato is built for adventure and it looks the part with available aluminum cab steps, bike rack, and roof rack. When you find your corner of the world, pop open the doublewide rear doors with available screen doors that let the cool breeze flow while keeping the bugs at bay. A 2,800-watt Cummins® Onan generator provides mobile power so you can continue to charge your favorite electronics wherever you are.

Warranty⁵

12-month/15,000-mile basic warranty⁶

1. The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.
2. Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.
3. Capacities shown are tank manufacturer's listed water capacity (WC). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.
4. Actual towing capacity is dependent upon your particular loading and towing circumstances, which includes the GVWR, GAWR and GCWR as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.
5. See separate chassis warranty.
6. See your dealer for complete warranty information.
