

QUALITY

Winnebago RVs are designed and built around you, with superior craftsmanship, advanced manufacturing technologies and steel-focused construction to enhance safety and reliability.

INNOVATION

From groundbreaking RVs to game-changing features to the spacious floorplans made possible by our SmartSpace™ design, our heritage is unrivaled for continuous industry firsts in vehicle technology and design.

SERVICE

Our carefully chosen dealers are supported by factory training and our advanced parts supply system, while owners benefit from excellent real-world customer support as well as 24/7 access to online technical information.

BELONGING

Winnebago owners are a connected community – some of the friendliest, most knowledgeable and welcoming RVers you'll find anywhere.

WINNEBAGO

THE ART OF TRAVEL. DOWN TO A SCIENCE.

The Winnebago® View® & Navion® are the definition of freedom, ease and versatility. From its luxurious interior to state-of-the-art technology, it redefines what it means to travel in style.

Lithium Power – The New Standard

The View and Navion include a standard lithium power system with a 2nd alternator dedicated to fast charging of the coach battery and the option to upgrade to a larger, generator free, power system.

Enhanced Tech & Safety Features

To enhance safety, the Sprinter chassis incorporates advanced Mercedes-Benz® technologies, such as a digital rearview mirror for a continuous view of the rear, Blind Spot Monitoring, Active Lane Keeping Assist, DISTRONIC PLUS® adaptive cruise control, and more.

Impressive Gear Garage

Bring all you want with upgraded storage and gear-hauling capacity. Equipped with an L-track cargo tie-down system, it spans the width of the vehicle and is big enough to store 2 full-size bikes with room to spare. This heated and easy-to-clean space also features power outlets and LED lighting.

Chassis Upgrade Anyone?

Opt for the Mercedes-Benz® all-wheel-drive Sprinter chassis and enjoy higher ground clearance to better handle adverse weather conditions and more rugged terrain.

Upgraded Adventures.

The Luxury of Space

Experience a thoughtfully modern interior with innovative amenities in each floorplan: enjoy power-reclining theater seating paired with a versatile Murphy+ bed (usable with the slide in or out) and a redesigned passenger-side dining area in the 24T, a cross-aisle bath with a convertible private bedroom in the 24R, or an expansive U-shaped dinette in the new 24D.

Storage Galore

From a cross-coach, residential-sized wardrobe and pull-out pantry to expansive under-bed storage and full-width heated exterior gear garages, every View and Navion floorplan is designed to maximize space—complete with task lighting to help you keep your gear organized, visible, and adventure-ready.

Upscale Details

Experience upscale living with a premium WinnSleep® mattress system, power-reclining seats (24T), entertainment system, and a modern galley with eye-catching cabinet details, lighted soft-close drawers and an innovative LP/induction cooktop.

Bathroom Amenities

The 24T and 24D both feature spacious rear bathrooms with built in storage space, including the full-width wardrobe in the 24T, while the 24R is designed with a cross-aisle bath for added privacy and flexible use of space.

WINNEBAGOCONNECT™

NEW TECH THAT WORKS FOR YOU.

Part co-pilot, part concierge. Winnebago Connect is a first-of-its-kind, intelligent RV platform empowered with intuitive control that proactively manages on-board systems according to your preferences.

From smart energy optimization and one-touch settings to real-time pet monitoring and over-the-air software updates, Winnebago Connect simplifies vehicle operations at every turn and notifies you as needed to deliver a more elevated experience.

Because what's the point of next-level connectivity if it doesn't help you truly unplug?

Intelligent + Intuitive

Unlike other “smart” RV platforms that simply transplant controls to your mobile device, Winnebago Connect’s unrivaled technology actively monitors and intuitively controls your RV systems and features according to your preferences - silently, efficiently and automatically.

On-the-Go Upgrades

Remote diagnostics can help speed service, while over-the-air software upgrades automatically enhance your RV systems as updates become available – without heading to the dealer. And that’s just the beginning.

Pet Minder

Winnebago Connect keeps a close eye on all vehicle systems, so you can stay focused on the adventure. It even helps you stay aware of your four-legged friend’s climate when they’re alone in the RV and notify you as needed.

At Your Service Anywhere

Forget something? No worries- now you can control your lights, cabin locks and other systems from anywhere.

WELCOME TO THE WINNEBAGO LIFE

Owning a Winnebago changes everything. Sure, it starts with your RV, but it's really an interconnected experience of meeting and communicating with fellow travelers, learning about all the possibilities RV life holds, plus perks, tips and tools to make every adventure better than the last. Consider yourself invited.

Newstate Nomads / Winnebago Ambassadors

GoLife COMMUNITY

One of the best parts of owning a Winnebago product is the community of owners. Explore upcoming owner-organized events and join GoLife Community groups to connect with Winnebago owners. Then you never have to go alone.

[LEARN MORE](#)

GoLife PERKS

The GoLife Perks program helps you maximize your RVing experience through access to special offers and discounts that make the RV lifestyle more affordable. With offers on tires, campsites, gear and more, members can save hundreds of dollars per year, allowing you to go more for less.

GoLife BLOG

Get the inside scoop from fellow adventurers. Hear from Winnebago owners on topics like winter camping and how to RV with kids, recommendations on destinations, routes and gear, and how-to guides like choosing tires, you're sure to find stories that will help you imagine how you'll go.

[LEARN MORE](#)

The Winnebago App

Adding to the perks of ownership, our app gives you easy access to how-to guides and videos, owner manuals and finding service, even if you're offline. We're here for you wherever you go.

[LEARN MORE](#)

What do you need to know before you go?

And how do I level the jacks again?

You'll find the answers to these and many more questions in the View and Navion Video Library, a collection of informative and how-to videos that explains pretty much everything you need to know about the View & Navion.

From adjusting seats and flooring care and cleaning, to operating major systems, to plumbing and electrical basics — it's all here in the View & Navion Video Library.

10' sewer hose
Winterization package water heater bypass valve and siphon tube
On-demand water pump
Lockable water tank fill
Permanent-mount LP tank w/gauge
LPg accessory connection (patio area)
Black holding tank flushing system

Safety

LP leak, smoke, and carbon monoxide detectors
Fire extinguisher
Ground fault interrupter
High-mount brake lamps

Warranty⁶

12-month/15,000-mile limited warranty⁷
36-month/36,000-mile limited warranty on structure⁷
10-year limited parts-and-labor warranty on roof skin⁷

FOOTNOTES

1. The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.
2. The load capacity of your motorhome is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motorhome.
3. Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.
4. Capacities shown are tank manufacturer's listed water capacity [WC]. Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.
5. Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and GCWR, as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.
6. See separate chassis warranty.
7. See your dealer for complete warranty information.
8. Sleeping capacity is the maximum based on a specific floorplan.

n/a Not Available

Not all items available in combination. See dealer for details.

Because features, specifications, equipment, and options may vary from those highlighted here, the buyer is responsible for confirming with the dealer the features, specifications, equipment, and options included on their specific vehicle. In addition, Winnebago's program of continuous product improvement may result in changes to vehicle specifications, equipment, model availability, and price without notice.
