

### **New Era of Class B Motorhomes**

The Era® just keeps getting better and more innovative. The popular Mercedes-Benz® Sprinter chassis 70A and 70X floorplans return with new exterior graphics and an available Infotainment Center with the new Rand McNally RV GPS. Ultraleather™ swivel cab seats, an upscale Corian® galley countertop, LED ceiling lights, and a host of features you wouldn't expect to find in a Class B motorhome sets the Era apart from the competition. Not only does this coach deliver a full-featured RV experience, it does so with incredible fuel efficiency and driveability. For style and versatility with a responsive ride, choose the Winnebago **Touring Coach™ Era.** 

**Recognized Quality** The RV Dealers Association bestows its annual Quality Circle Award based on dealer ratings to the manufacturers that provide exceptional products, service and support. Only one manufacturer has received this honor for seventeen consecutive years: Winnebago Industries.®

You'll appreciate the latest in-dash communications technology with the available Infotainment Center with Rand McNally RV GPS. It delivers safe and easy trip routing with turn-by-turn voice guidance, an AM/FM radio with a CD/DVD player, and available SiriusXM.™

The bi-fold bathroom doors open wide for easy access, yet leave the aisle clear when open.

Drawers open wide with full-extension drawer slides.

Day or night, the smooth-retracting MCD blackout roller shades give you total control of light and privacy levels.

Both models include a surprising amount of storage, such as this wardrobe in the 70A.

The Flex Bed in the 70A flips up for easy access to the convenient exterior storage compartment.

Designed with functionality and comfort in mind, the Era lounge embodies what the avid traveler desires: Ultraleather cab seats that swivel to face the movable table, or sofa/bed (70A) with a view of the 22" HDTV. Both floorplans offer room to entertain guests, play games, or relax with a late night movie. With LED ceiling lighting, MCD blackout roller shades, and a 13,500 BTU high-efficiency air conditioner, you can control your lighting, privacy levels, and indoor temperature to suit your preferences.

Our SmartSpace<sup>™</sup> design philosophy ensures you have the space you want while still having the amenities you need. Some of these include a faucet that folds down beneath a flip-up glass cover, an energy-efficient microwave and refrigerator, and plenty of storage. An attractive Corian countertop serves as your preparation space with a choice of three cabinet wood options to give your galley a polished look.

Comfortable, while still being efficient, the Era offers either the Flex Bed System that allows you to convert twin beds into a spacious queen bed (70A), or a powered sofa/bed (70X) that folds down into a comfortable bed at the touch of a button. Both floorplans offer a closet for your traveling wardrobe.

Compared to a large, Class A motorhome, the advantage of driving a Class B motorhome is that you can take it almost anywhere you can take a car. The Ultraleather cab seats make for a comfortable ride, while the available Infotainment Center with Rand McNally RV GPS offers safe and easy routing with turn-by-turn voice guidance. Additional features include a CD player, a touch screen control panel, and a Radio/Rearview Monitor System for safe maneuvering.

Touring Coach

The Era doesn't disappoint when it comes to outdoor features. The powered patio awning with LED lights allows for daytime and nighttime enjoyment. With rear double doors that open up to 270 degrees for full access to rear coach storage and a rear-pullout storage tray (70A), there's enough space to accommodate most larger items.

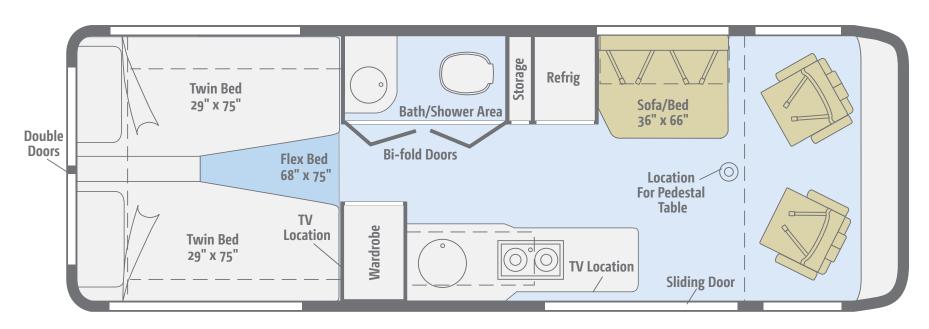

Dimensions shown are for sleeping space only and may vary due to styling differences. Dashed lines denote overhead storage areas. Floorplans and specifications are also available online at WinnebagoTouring.com.

## **70A**

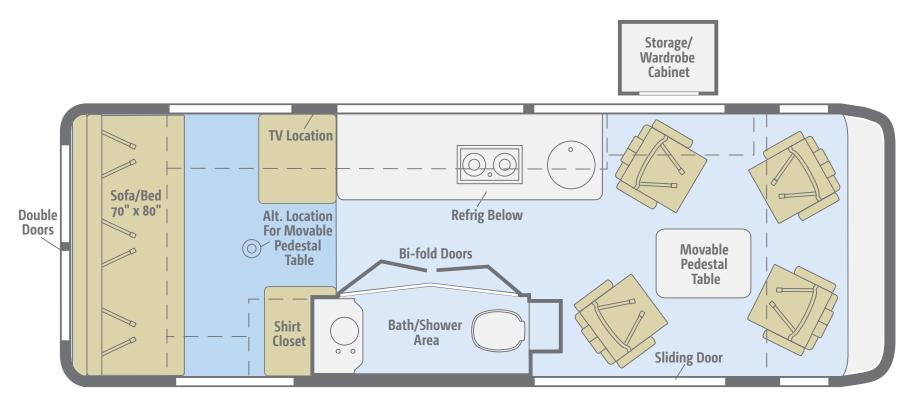

This functional floorplan offers swivel cab seats, Ultraleather furniture, a Corian countertop, and the Flex Bed System which can be a queen bed or two twin beds.

Dimensions shown are for sleeping space only and may vary due to styling differences. Dashed lines denote overhead storage areas. Floorplans and specifications are also available online at WinnebagoTouring.com.

## **70X**

Ideal for group travel, this floorplan offers four plush captain's seats, Ultraleather furniture, a Corian countertop, and rear double-door storage.
