Soak it in

Some say it's the luxurious appointments and attention to detail. Others point to the spacious interior created by the full-wall slideout in the 40WD. But if you ask savvy diesel enthusiasts, they'll tell you the most impressive feature in the Itasca Horizon® is at the very heart of the coach: the Maxum® Chassis. With a Cummins® 425-hp engine, 6-speed Allison® transmission and a lowered-rail design, it delivers the power, storage capacity and smooth ride you need for the long haul. SmartSpace™ design elements and countless elegant touches make the 2009 Itasca Horizon the diesel pusher for discriminating RVers.

Rest Easy®

Entertainment *surrounds* you

The 40WD offers two HDTVs in the living area to provide exceptional viewing no matter where you are in the coach, even with the slide room in. Both TVs are connected to the video selection system and home theater sound system with CD/DVD player. A King-Dome® in-motion satellite dish is also available for additional HD channels while you travel.

UltraLeather furniture provides plenty of seating for you and your guests whether you choose the Rest Easy® theater seating or the Rest Easy multi-position lounge that transforms into a bed at the touch of a button.

Entertainment

- 37" LCD HDTV
- 32" LCD HDTV (40WD)
- Home theater sound system
- Video selection system
- 2,000-watt inverter/charger
- Available King-Dome HD satellite dish

Presenting your *dream kitchen*

A stunning kitchen awaits you in the Horizon with elegant cabinetry and top-of-the-line amenities. Corian® countertops, ceramic tile flooring and stainless steel appliances provide an upscale appearance while a large pantry keeps you stocked with food. The four-door refrigerator/freezer comes standard or choose the larger, two-door 14 cu. ft. stainless steel refrigerator/freezer with an ice and water dispenser. Enjoy your meals from a new U-shaped UltraLeather dinette on the 40WD. It features a table top that can slide in or out for ease of entrance.

Kitchen amenities

- Corian countertops
- Microwave/convection oven
- Amana® range top
- Four-door refrigerator/freezer with icemaker
- Full-extension drawer slides
- Sink and range covers
- Available two-door stainless steel refrigerator/freezer with an ice and water dispenser

The only manufacturer to receive the RVDA Quality Circle Award for exceptional products, service and support for 11 consecutive years.

Kick back

The master suite is a private retreat, letting you stretch out in the king-size bed (40WD) and enjoy the 26" LCD TV and the CD/DVD stereo system. Choose from the standard Ideal Rest™ body-conforming mattress or the available Sleep Number® bed by Select Comfort™ that lets you individually adjust the firmness of each side of the bed.

A spacious bathroom comes complete with Corian countertops and a large shower with a deluxe flexible showerhead. A washer/dryer can also be added.

40 WD Sandy Point with Honey Cherry

 Ideal Rest
sleep  number
by SELECT COMFORT

Bedroom niceties

- 26" LCD TV
- CD/DVD stereo system w/alarm clock
- Available Sleep Number bed
- Cedar-lined wardrobe

Driven *to perform*

Never before has a diesel coach been this fun to drive. In addition to the performance of the Maxum Chassis, the pedals, steering wheel and UltraLeather cab seat all adjust to fit the driver perfectly. Once you're settled in, you'll find yourself surrounded by high-tech driver conveniences such as a rearview monitor and available side-view cameras. You'll also have an unobstructed view of the road through the one-piece windshield.

GPgo is a Winnebago Industries® exclusive that offers the convenience of a powerful integrated Global Positioning System with the flexibility of a portable GPS. At the heart of the system is an Alpine® GPS unit that mounts securely into a docking station conveniently located in an overhead cabinet. A large 7" touch screen and a remote control let you view and control GPS functions from the driver or passenger seats. You can also view the GPS output on the rearview monitor. Best of all, on day trips, simply take your Alpine GPS unit along in your tow vehicle.

The RV Radio® includes AM/FM radio, CD player, weather band and an auxiliary input for your iPod/MP3 player. Upgrade to the Sirius® Satellite Radio package for 130 channels of crystal-clear digital programming. This package includes a complimentary six-month subscription.

Driver conveniences

- Available GPgo GPS system
- Rearview monitor
- Available side-view cameras
- RV Radio
- Available Sirius Satellite Radio
- Compass and thermometer
- Powered sunvisors

Now *the fun begins*

Park the Horizon and relax in no time. Service centers provide easy access to all of your hookups and the Smart Storage features built into the Horizon give you fast access to all of your essentials. An unprecedented storage capacity and configurable panels mean you won't have to leave anything behind. It all goes into making it easier to go from the road to relaxation in your Horizon.

MAXUM
CHASSIS

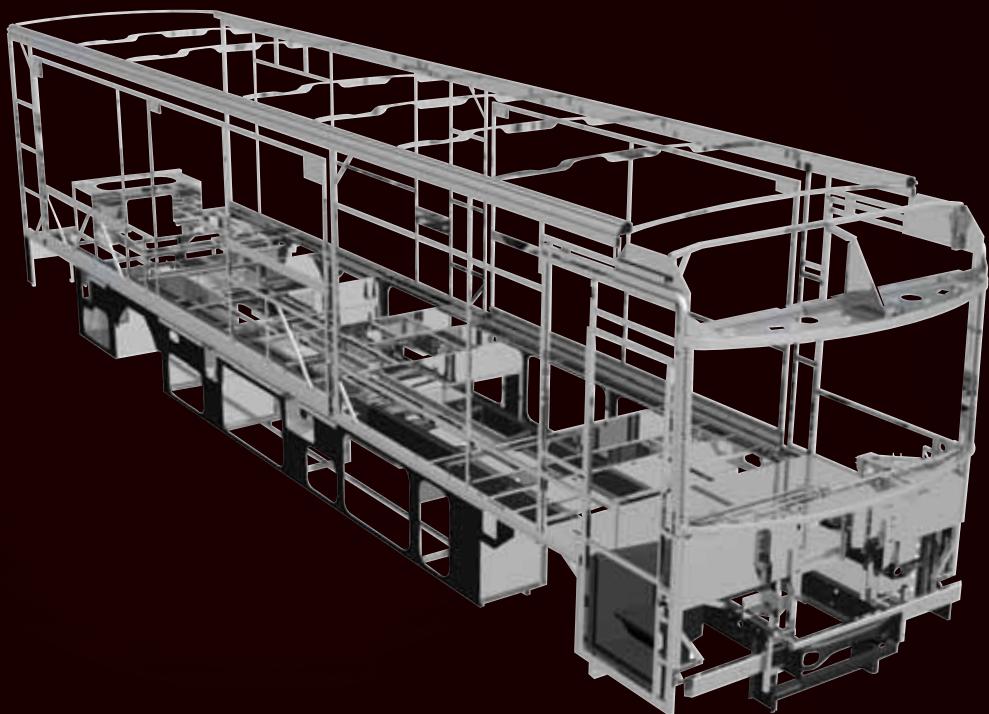

Enjoy the ride The exclusive Maxum Chassis delivers an uncompromisingly smooth ride thanks to the legendary performance of Freightliner and the advanced chassis features that cushion bumps in the road. You'll also enjoy an unheard-of 205 cu. ft. of storage as a result of the Maxum Chassis' advanced lowered-rail design. The Maxum Chassis is the ultimate foundation for a new level of travel comfort.

- 425-hp ISL Cummins clean-air diesel engine
- 34,320-lb. GVWR
- Independent front suspension
- Allison 6-speed transmission
- 10,000-lb. hitch⁶
- 4-wheel ABS anti-lock brakes
- NeWay[®] air suspension
- Engine compression brake
- 60° wheel cut
- Adjustable brake/accelerator pedals

SUPER STRUCTURE

SuperStructure Legendary strength and durability are the results of the SuperStructure construction that goes into every Itasca motor home. It's a combination of quality, proprietary components and careful attention to detail that makes Itasca motor homes the cream of the crop.

- Patented Thermo-Panel™ sidewalls are durable and lightweight
- Specially engineered interlocking joints connect the floor, sidewalls and roof together for improved strength and durability
- An automotive-style dip tank applies an advanced electrodeposition coating to protect critical steel components
- The crowned, one-piece fiberglass roof is backed by a 10-year limited parts-and-labor roof skin warranty

Electrical and plumbing service centers make set ups at the campsite quick and easy.

- Color-coded connections
- QuickPort service connection hatch for fast hookups
- Wash station
- Clean and easy QuickConnect coupling valve
- Winterization package for easy storage
- Battery disconnect system

The OnePlace® systems center lets you control key systems from one location, including:

- **TRUEAIR®** residential central air conditioning with improved cooling output
- **TRUELEVEL™** tank monitors use sonar technology to provide precise readings every time
- **POWERLINE®** energy management system monitors electrical usage and automatically cycles appliances on and off to help prevent tripped campground circuit breakers

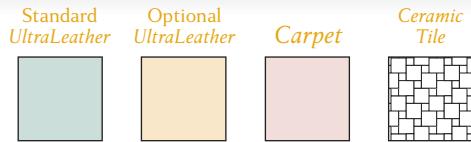

Committed to Service WE BACK OUR MOTOR HOMES WITH THE INDUSTRY'S BEST SERVICE AFTER THE SALE.

- 12-month/15,000-mile basic limited warranty
- 36-month/36,000-mile warranty on structure
- Standard 10-year limited parts-and-labor roof skin warranty

- Complimentary 24-hour roadside assistance program
 - RV Technical Assistance Hotline
 - Emergency Trip Interruption
 - Nationwide Trip Routing
 - RV Service Appointment Assistance
 - Emergency Message Service
 - Fee-Free Travelers Cheques

- LP, smoke and carbon monoxide detectors
- 10 BC fire extinguisher
- Ground fault interrupter
- High-mount brake lights

Warranty⁷

- 12-month/15,000-mile basic warranty⁸
- 36-month/36,000-mile limited warranty on structure⁸
- 10-year limited parts-and-labor warranty on roof skin⁸

- 1 The height of each model is measured to the top of the tallest standard feature and is based on the curb weight of a typically equipped unit. The actual height of your vehicle may vary by several inches depending on chassis or equipment variations. Please contact your dealer for further information.
- 2 Horizon floorplans feature a wide-body design – over 96". In making your purchase decision, you should be aware that some states restrict access on some or all state roads to 96" in body width. Before making your purchase decision, you should confirm the road usage laws in the states of interest to you.
- 3 The load capacity of your motor home is designated by weight, not by volume, so you cannot necessarily use all available space when loading your motor home.
- 4 Capacities are based on measurements prior to tank installation. Slight capacity variations can result due to installation applications.
- 5 Capacities shown are tank manufacturer's listed water capacity (W.C.). Actual filled LP capacity is 80% of listing due to overfilling prevention device on tank.
- 6 Actual towing capacity is dependent on your particular loading and towing circumstances which includes the GVWR, GAWR, and GCWR as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.
- 7 See separate chassis warranty details provided in Owner's Manual.
- 8 See your dealer for complete warranty information.
- 9 Optional

Not all items available in combination. See dealer for details.

Winnebago Industries® continuing program of product improvement makes specifications, equipment, model availability, and prices subject to change without notice. Comparisons to other motor homes are based on the most recent information available at printing.
