THE NEWMAR CUSTOMER EXPERIENCE

The Newmar Difference™ goes beyond our industry-leading motor coaches to provide you with an unrivaled ownership experience.

Crafted with Purpose

Every Newmar is crafted one at a time by folks who have spent an average of eight years building them. Each coach we assemble must undergo more than 1,000 tests and checks before ever leaving our factory.

The Highest Standards

We view our dealership network in terms of quality, not quantity. Each of our dealers acts as a partner in our shared mission to exceed your highest of expectations, for an ownership experience that's second to none from day one.

Built Around You

As a Newmar owner, you'll find resources specific to your coach through Newgle, an easy-to-use knowledge base that houses everything from user guides to technical support documents.

More than a Number

Meet fellow owners through the Newmar Kountry Klub, a top social club for RV travelers that hosts rallies and other special events throughout the U.S. and Canada.

Seamless Service

When you join the Newmar family, we pair you with a dedicated service specialist with expert knowledge of your exact coach. Our service specialists guarantee dealer warranty authorizations within four business hours and ship all in-stock parts the same day, free of charge.

Without Compromise

All models include a one-year/unlimited mileage limited warranty and a five-year, non-transferable structural warranty that covers your coach's superstructure in the event it fails to perform. Ask your Newmar dealer for more details.
