

MEET THE MINNIE WINNIE // SPIRIT NPF

Celebrate the beauty of America's national parks on all your journeys in the limited edition Minnie Winnie® and Spirit® NPF.

Adventure-Ready Style

Featuring deluxe mountainscape graphics, matte black wheels, and a compact build that fits into most park campsites, it's perfect for outdoor exploration. The cabincore-inspired interior and premium seat detailing create a cozy retreat.

Clean, Quiet Power

Harness the sun's energy with ease using the integrated solar panels, designed to provide eco-friendly power for all your adventures. Two durable 120-watt roof-mounted panels extend battery life and deliver up to 20% more generator-free energy compared to other systems. For added flexibility, an auxiliary port on the sidewall allows you to connect additional portable panels, ensuring you're always ready for the road ahead.

Home Cooking, Road Ready

The versatile dinette and galley kitchen make every adventure feel like home. Gather around the flexible dinette for dining or relaxing, then convert it into an extra sleeping space when the day winds down. The galley, equipped with Corian® countertops, a three-burner range and a full pantry, ensures you can whip up delicious meals with ease on every adventure.

Room For The Crew

The Minnie Winnie & Spirit NPF offers plenty of room for the whole family—and then some. With a cozy bed, a spacious cabover bunk, and a convertible dinette for extra sleeping space, it comfortably sleeps up to six, ensuring everyone has a place to relax and recharge after a day of adventure.

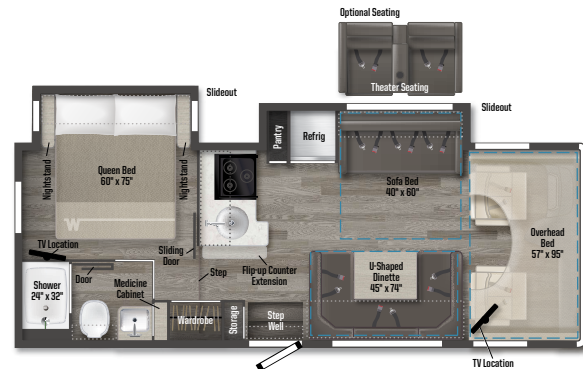

Connected And Confident

The large radio and rearview monitor system offers seamless Apple CarPlay®, Android Auto™, and Bluetooth® connectivity. Rear camera visibility with turn signal activation and a wireless steering wheel remote enhance safety and control on every drive.
