Congratulations!

The day is drawing near for you to pick up your RV at Lichtsinn RV and start enjoying the RV lifestyle. We want to make sure that your experience is as smooth as possible, so please read through this guide for details on what to expect at delivery and information on Forest City and the surrounding areas.

SCHEDULE OF EVENTS

Welcome to Lichtsinn RV!

Upon arrival, please come to the RV showroom to meet your Sales Consultant and they will escort you to your RV to have your first look!

Educational Orientation

An RVTI-certified technician will walk you through the total operation of your RV, including recommended maintenance, and answer any questions you may have. Because we have scheduled this time with our technician, please let your Sales Consultant know if you are unable to attend your scheduled delivery time so our technician may be rescheduled.

Select RV Accessories at our Walk Thru Wall

After your orientation, your technician will show you our "Walk Thru Wall" of the most commonly needed RV accessories, where you can select items for your new RV.

Complete Paperwork

Your business manager will meet with you to process all of the necessary paperwork to complete titlework, warranty registration and any necessary funding documentation.

(Please see "What to Bring" section for documents you'll need to bring.)

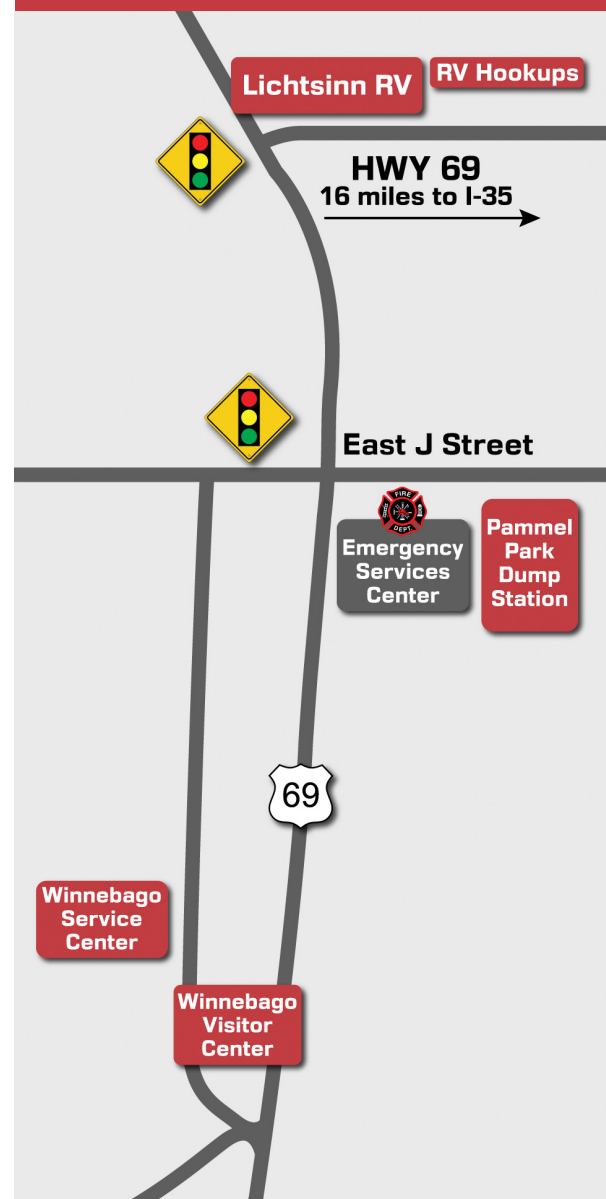

Enjoy Your RV!

You are more than welcome to stay onsite at our campground. We have both 30- and 50-amp electrical hookups and over 45 campsites. Your LP and water tanks will be full, so you will be able to stay close to Lichtsinn RV in case any questions arise. Also, if you have a trade-in, we will line up both RVs door-to-door, so you can conveniently complete the moving process.

Additional Assistance

If you have items that you will need assistance with (tow car setup, satellite receiver transfers, etc.), please be sure to schedule time with your Sales Consultant to have our service team facilitate this scheduling and payment.
