Palomino

C A M P I N G T R A I L E R S

Mustang Series

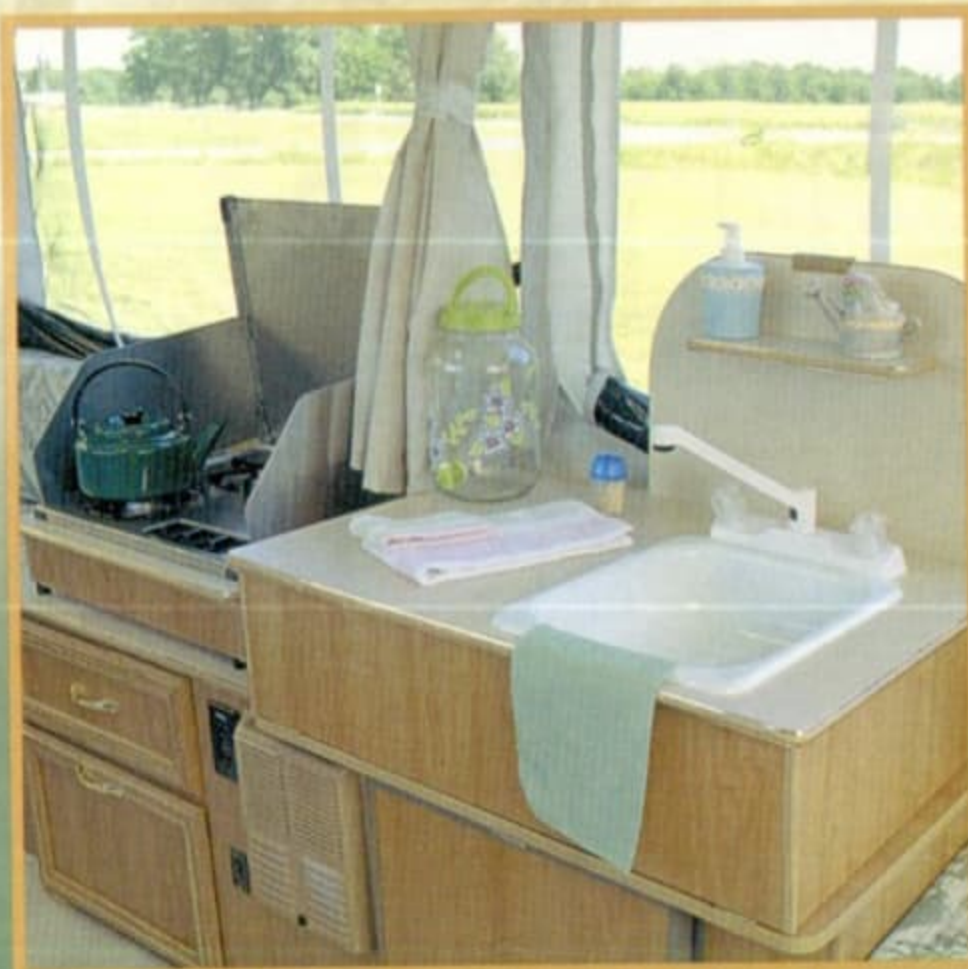

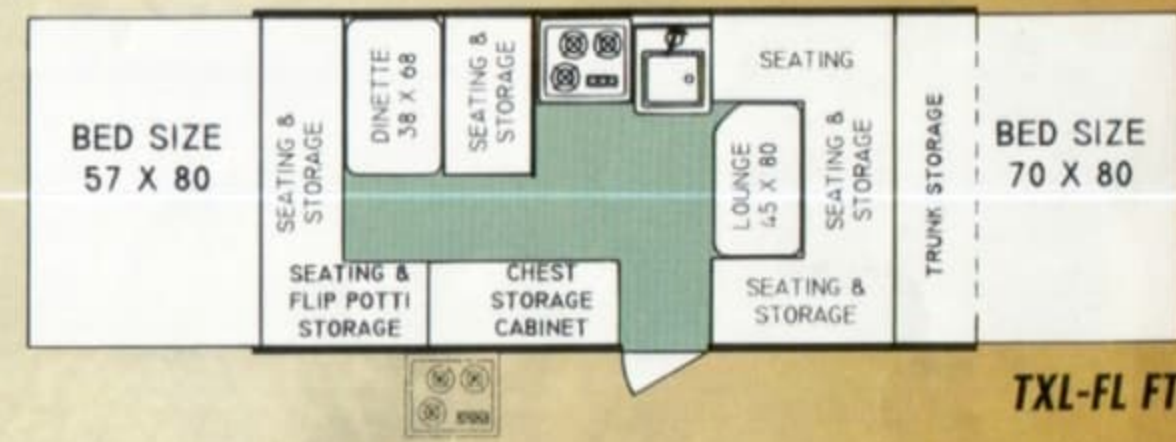

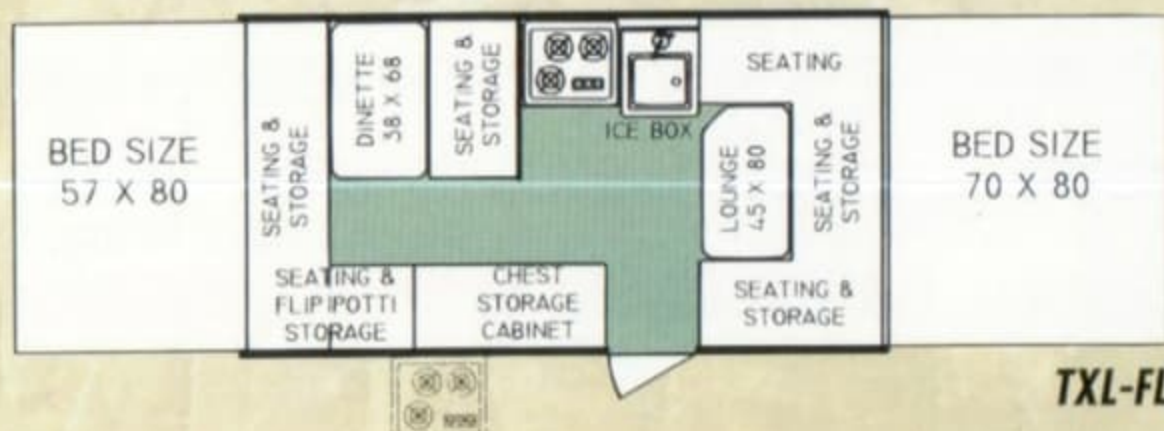

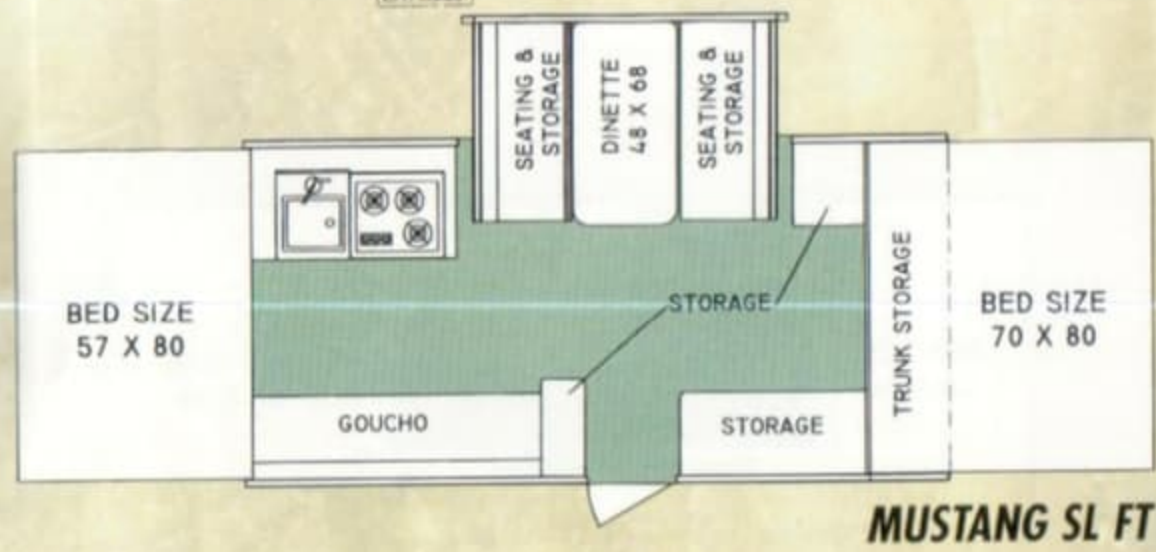

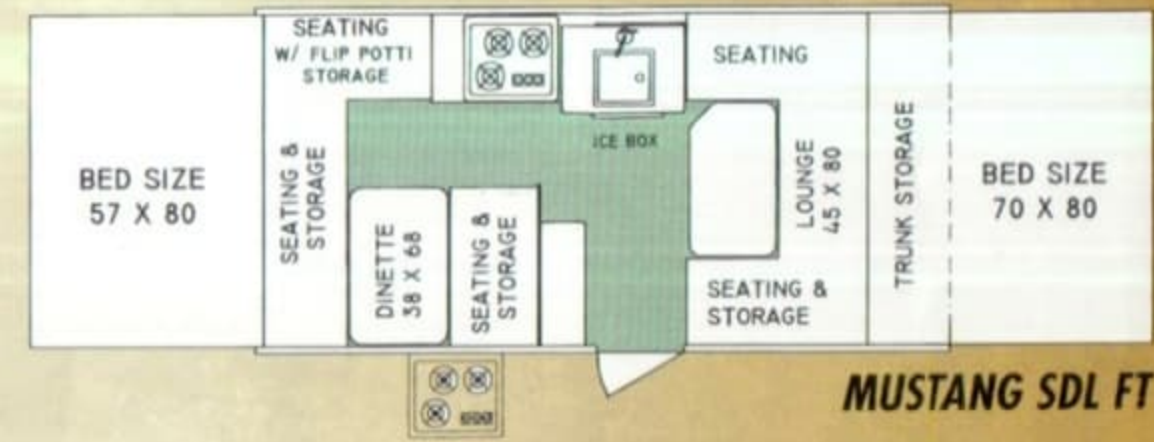

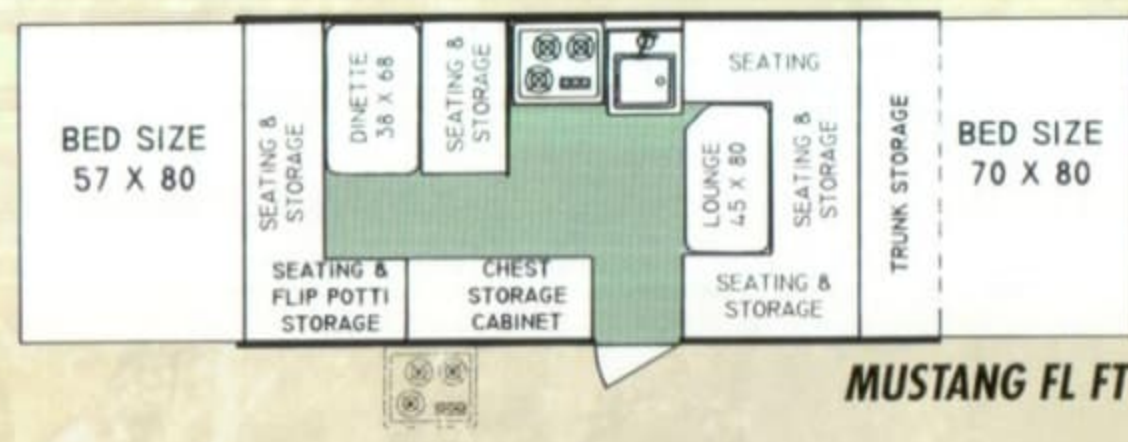

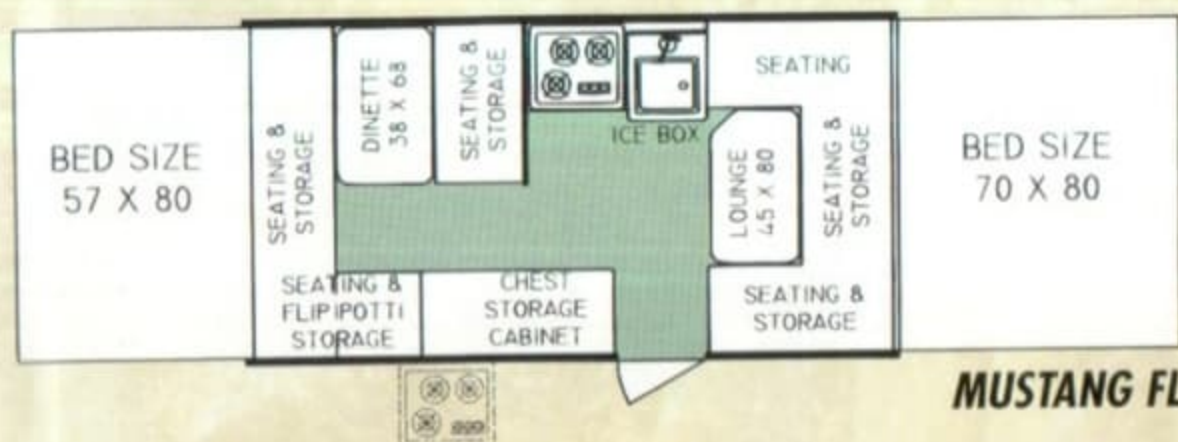

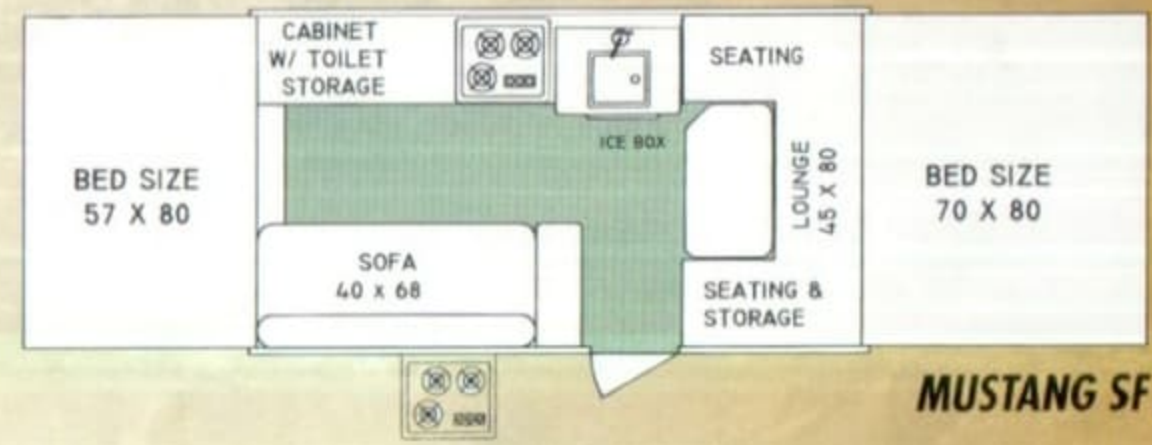

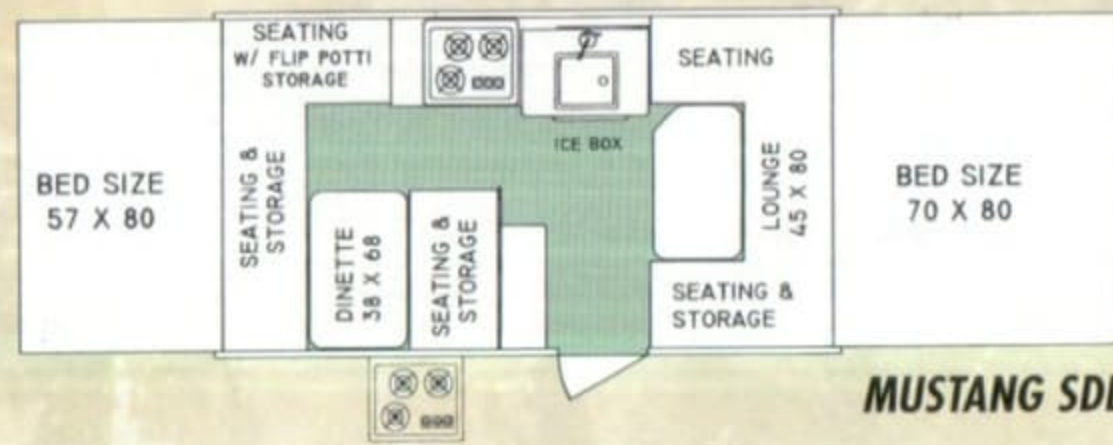

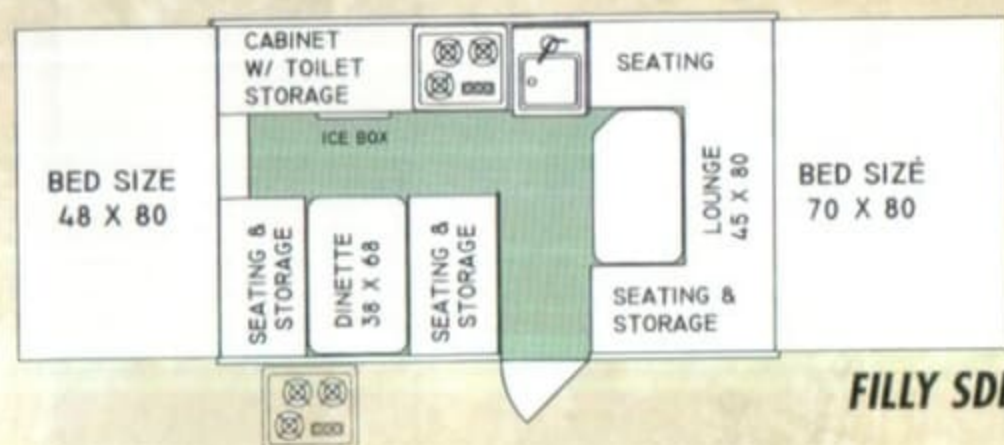

Since 1968 Palomino has been dedicated to building camping trailers designed to meet the needs of families. Integrity, innovation, quality, convenience and affordability are all words that best describe Palomino's commitment to producing not only a great camping trailer but also.....great camping memories.

For the ultimate in camping pleasure, check out Palomino's largest soft side camping trailers, the Mustang Series. These models offer many great features such as large open floor space, comfortable dinette seating and maximum sleeping capacity. Whichever floor plan you decide on, the Palomino will provide great family camping comfort.

Optional Toilet/Shower combination with hot water system for Filly, Mustang and TXL models.

Large kitchen areas make cooking and clean up a breeze.

All Palomino camping trailers include great features such as this handy silverware drawer.

Yearling Series

If you're looking for a midsize, affordable tent trailer with incredible value,

choose one of the models in the

Yearling Series for quality camping

without compromising your desire

for comfort.

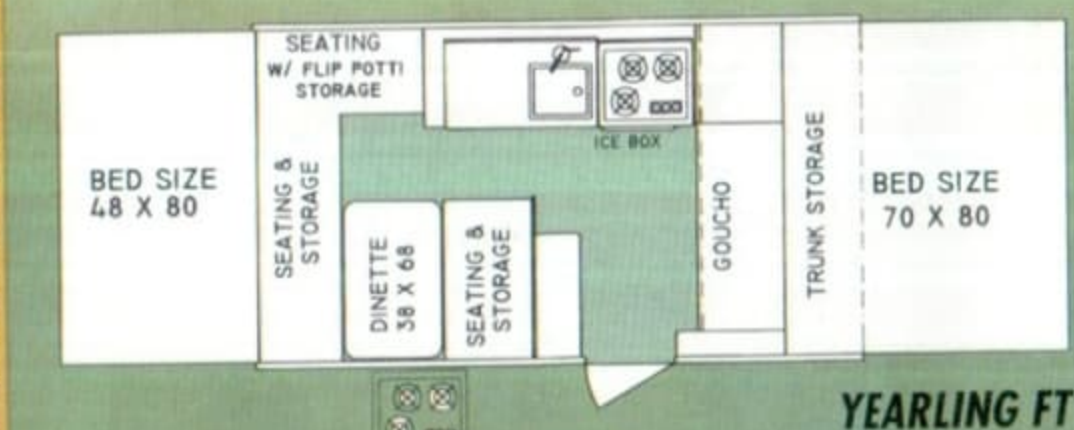

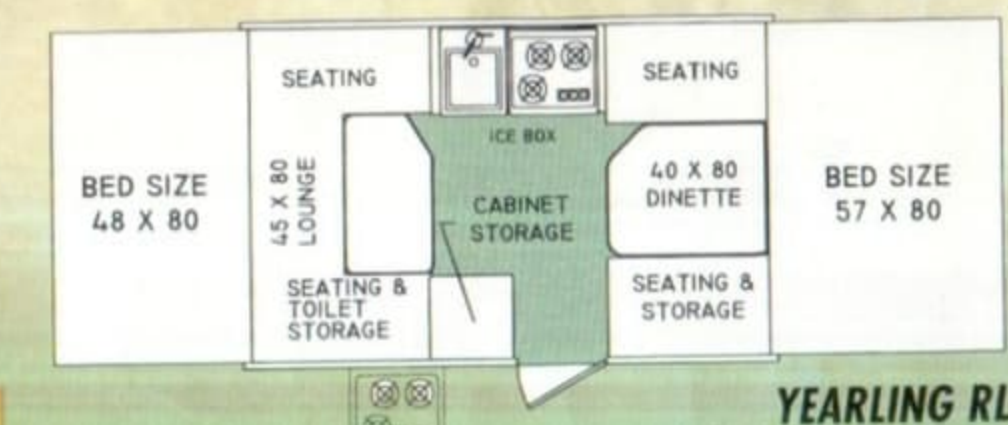

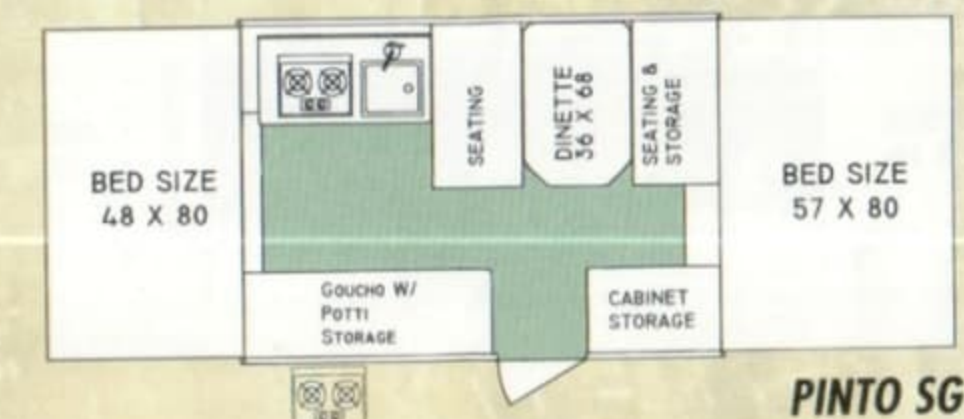

These midsize, light weight tent

trailers are ideal for anyone

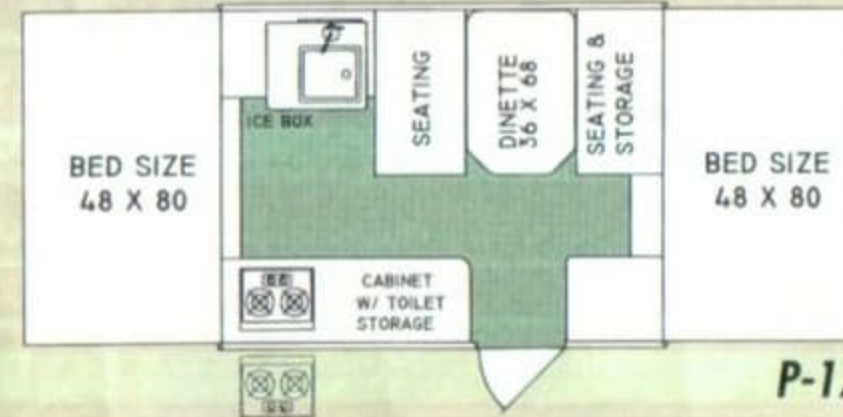

wanting the quality and amenities

of the larger Palomino's but in

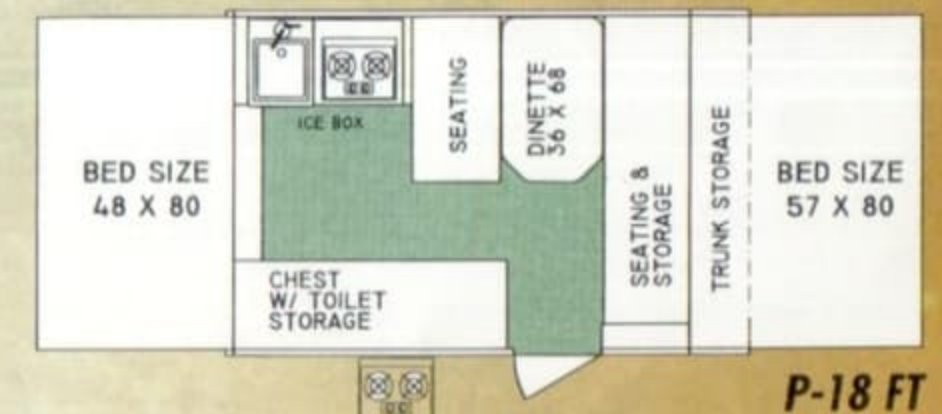

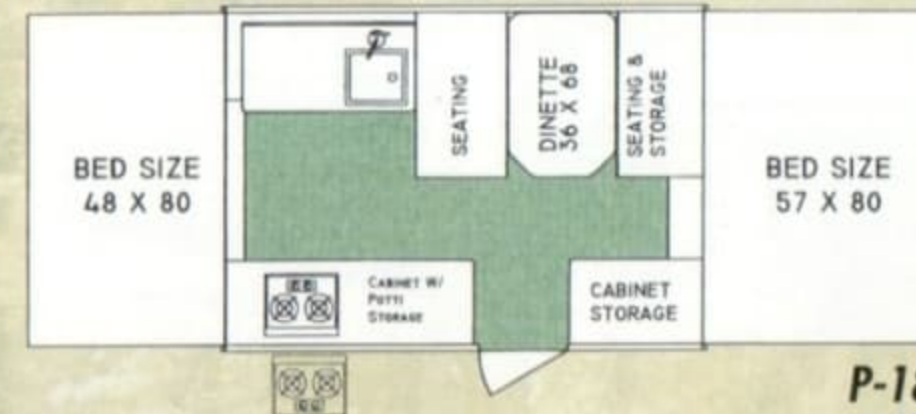

a smaller, less expensive package.

Pony Series

These easy towing trailers have an economical price and are well equipped to provide the best for camping without compromising comfort and quality.

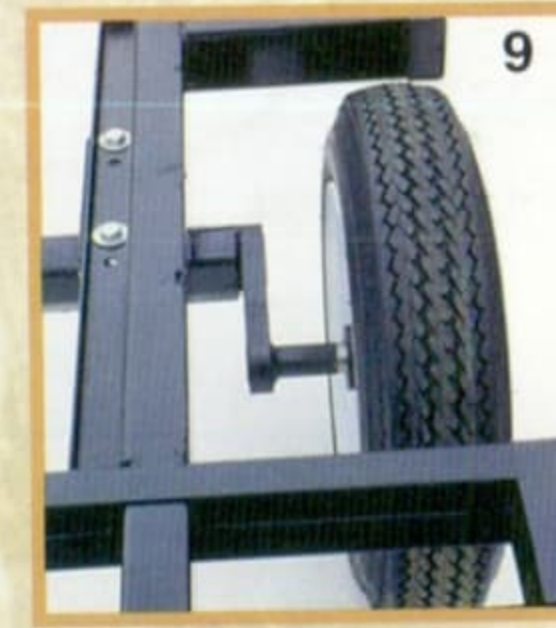

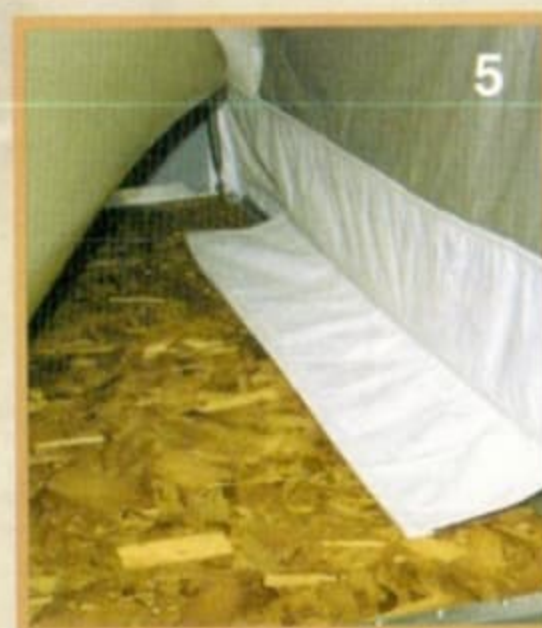

Features & Benefits

1. Conveniently located shelf for storing those kitchen items. 2. Retractable Clothes Hanger Bar. 3. Enjoy the convenience of cooking inside or outside, a standard feature on all Palominos

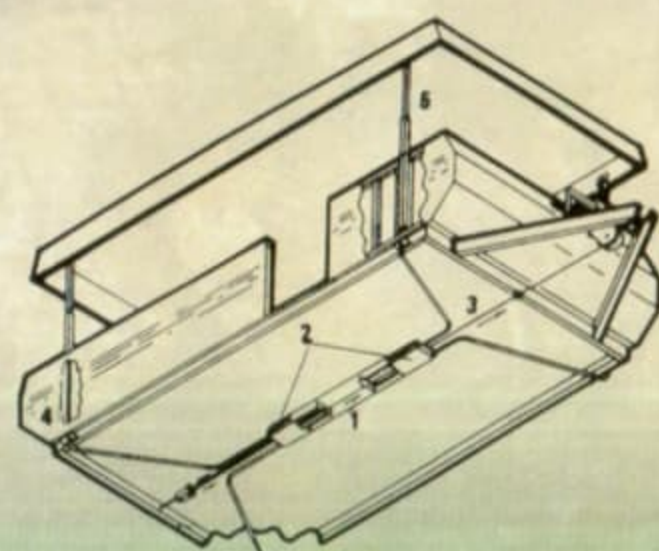

4. Large capacity Power Converter is equipped with an automatic battery charger that will charge the RV Battery while plugged into 110 Volt source. No user adjustments are necessary.

5. Palominos exclusive two flap system on the tent assembly provides not only a great seal but also provides extra protection for small children while in the bed area.

6. Exterior 110 Volt Receptacle. G.F.C.I. Protected 7. Easy outside storage access for items you may need to have handy while traveling. (Not available on some models.) 8. Strong 3" or 4" Channel and Tubular Frame.

CRANK-UP LIFT SYSTEM

1. The drive system is enclosed for protection from weather and road conditions.
2. The underneath location of the system allows for easy inspection and maintenance. Grease zerks are located top and bottom of the main tube to allow yearly maintenance.
3. A single cable capable of 3,200 lbs. tensile strength rotates around the rear cable pulley and pushes the four flexible steel push rods up the lifter posts.
4. Flexible steel push rods.
5. Three stage plated lift post.

9. AL-KO independent torsion axle for smoother and more stable towing. 10. Single Cable/Single Pulley Lift System for simplicity and smooth operation, utilizing flexible steel push rods and plated steel lifter posts. 11. Silverware Drawer.

Popular Options

1. LP Gas forced air furnace with electronic ignition provides 16,000 BTU's of heating with thermostat controlled comfort.
2. Large Dometic® three-way refrigerator operates on LP Gas, 120 Volt AC or 12 Volt DC. Available on all models.
3. Extra 20 lb. bottle with regulator, rack and cover.
4. Roof Rack available for all models. Includes mounting brackets. Ideal for bicycles, canoes or other small boats.
5. Roof mounted air conditioner available option on all models.
6. Optional bunk end light.
7. Optional bunk end light with fan.
8. Canopy - sets up in minutes, stores in its own bag on the outside of the trailer.
9. Screen Room with privacy flaps - easily attaches to your canopy to provide additional outdoor enjoyment.
10. The optional outside shower is perfect for "Rinsing off" before entering your camping trailer. Available on all Mustang models. Hot Water system required.
11. Protect your spare tire with an attractive vinyl cover.
12. Deluxe self storing entry step for easier and safer use of your camper.
13. Ez crank-down stabilizer jacks are a standard feature on all Mustang series models. The optional sand pads will provide better stability on soft ground or sand.

Electric Brakes standard on Mustang SL and TXL models. (optional on all other models.)
