

EVERY ROAD'S AN ADVENTURE

SUNSEEKER

BY FOREST RIVER

A Berkshire Hathaway company.

SUNSEEKER

BY FOREST RIVER

Tasteful design, combined with a unique combination of style, value and preferred amenities make travel in the Sunseeker comfortable and loads of fun. Sunseeker's unique split level design provides maximum headroom in the living area, while still offering pass-through storage on every floorplan. Plus, all Sunseekers are "Certified Green" by TRA Certification.

LE TOP FEATURES

- Crowned, laminated fiberglass roof
- One-piece seamless fiberglass cap
- Two cab-over windows (Bunk area)
- Slide out awning toppers
- Heated enclosed tanks (N/A 2250SLE, 2550DSLE)
- Enclosed dump station (N/A 2250SLE, 2550DSLE)
- 40" 12V LED TV
- Integrated entry step
- Two large storage drawers in dinette
- Black-out roller shades
- 2" Thick gel coat sidewalls with lightweight composite waterproof material
- Upgraded appliances with 1.3 cu. ft. convection microwave
- Overhead bunk ladder
- Side view and back-up cameras
- Maxx Air multi-speed power fan with cover (Kitchen)
- High pressure oxygen infused shower head
- Optional solar powered 12V charging system

LE PREMIER PACKAGE

Every LE model includes this package.

- Back-up camera/side view cameras with rear view mirror monitor
- Fiberglass front cap
- In-dash premium sound system with Bluetooth
- Undermount 1.3 cu. ft. stainless steel convection microwave
- 10.7 Cu. ft. 12V refrigerator
- Winegard Air 360+ antenna with Gateway 4G WiFi prep
- Slideroom toppers
- 15,000 BTU ceiling ducted, ultra quiet roof air with heat pump

3010DS shown with Black Diamond Walnut cabinetry and Platinum decor.

CLASSIC TOP FEATURES

- Lane detection monitoring system
- 7' Ceiling height
- Crowned, laminated fiberglass roof
- Trekker cap option with built-in entertainment center and storage IPO overhead bunk
- 2" Thick gel coat sidewalls with lightweight composite waterproof material
- EZ Ryde premium suspension system includes Bilstein shocks, Firestone Ride-Rite™ air springs and Hellwig sway bar
- Heated enclosed tanks
- Water filtration system
- Electric awning with LED lights
- Integrated entry step
- Valve extensions for rear tires
- 7,500 Lb. tow rating (Ford only)
- Two cab-over windows (Bunk area)
- Upgraded appliances with 1.3 cu. ft. convection microwave
- 10.7 Cu. Ft. 12V refrigerator
- 40" 12V LED TV (32" on 3010DS)
- Standard side view and back-up cameras
- Slide out awning toppers
- Premium in-dash CarPlay/Android Play stereo
- Maxx Air multi-speed power fan with cover
- Solar prep
- Optional solar powered 12V charging system (Additional panels can be easily added)
- Optional 12V theater seating

Classic shown with seamless front cap for enhanced aerodynamics, two large overhead bunk windows for pass-through ventilation, and Carbon full body paint.

CLASSIC PREMIUM CAMPING PACKAGE

Every Classic model includes this package.

- EZ Ryde premium Suspension System (N/A Chevy)
- Lane detection monitoring system
- Undermount stainless steel 1.3 cu. ft. convection microwave
- 10.7 Cu. ft. 12V refrigerator
- Heated remote exterior mirrors
- Back-up camera/side view cameras with monitor
- 12V bedroom TV
- In-dash CarPlay/Android Play radio
- Winegard Air 360+ antenna with Gateway 4G WiFi capability
- Slide room toppers
- Ultra leather driver/passenger seating
- Fiberglass running boards
- LP Quick connect
- 15,000 BTU ceiling ducted, ultra quiet roof air with heat pump

2440DS the optional Trekker cap includes a storage-friendly entertainment center. Shown in Vermont Oak.

2440DS spacious rear bath with a glass door and integrated shelving in the shower surround, plus exceptional closet storage.

★ ENJOY MORE ★

SAFE, COMFORTABLE DRIVING FEATURES

LANE DETECTION MONITORING SYSTEM

(N/A on LE and Transit models)

- NEW Voyager® VBSD1 Blind Spot Detection System
- Specifically engineered to enhance Class C motorhome safety
- Visual and audible alerts warn drivers of obstacles not visible in the rear view mirror
- Uses radar detecting sensors on the rear corners of the motorhome that communicate with LED beacons in the cab
- Beacons remain lit until the blind spot is clear
- Beacon flashes with an audible alert when turn signal is engaged

EZRYDE SUSPENSION SYSTEM

Our upgraded suspension system enhances comfort and performance for a more enjoyable drive. The system includes: Bilstein® Shocks, Hellwig RV Sway Bars and Firestone Ride-Rite Air Springs Available on Classic models, built on Ford E-450. (N/A on Chevy)

Hellwig RV Sway Bar Advantages

- Increase driving stability at highway speeds and reduce the effects of crosswind
- Improve traction and cornering abilities for safer driving
- No more white knuckle driving
- Most effective handling upgrade available for RVs
- Lifetime warranty

Firestone Ride-Rite Advantages

- Adjustable air springs provide an improved ride, and a better way to balance loads

Bilstein® Shock Advantages

- Monotube gas pressure shock absorbers virtually eliminate excessive sway and bounce
- Tested and tuned for your specific motorhome, for a safe and enjoyable ride
- Improved handling and consistent performance
- 228% Larger piston creates greater sensitivity and tighter vehicle control
- Lifetime warranty

All Classic floorplans are available with the B+ Trekker cap option that eliminates the overhead bunk for improved performance.

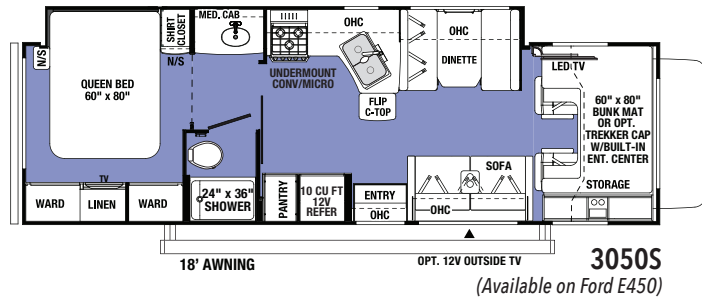

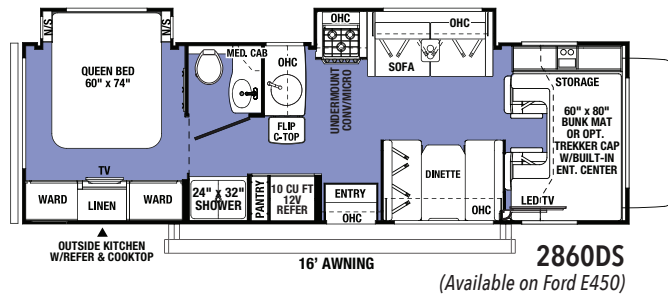

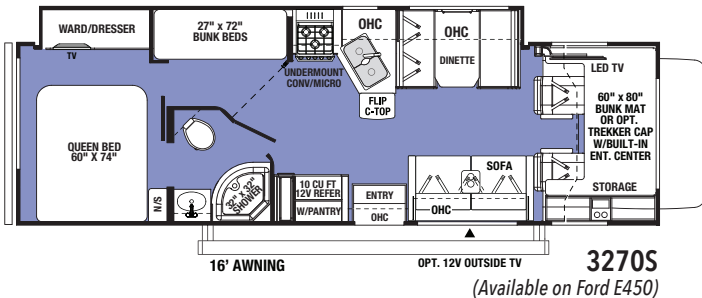

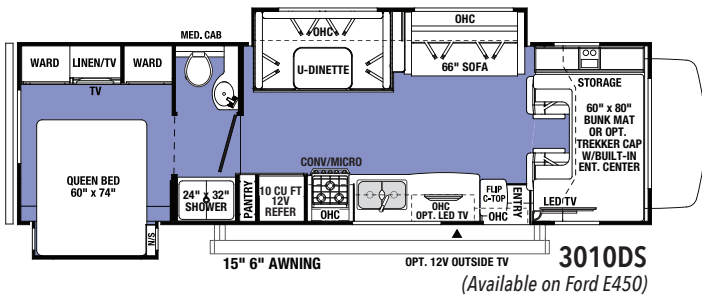

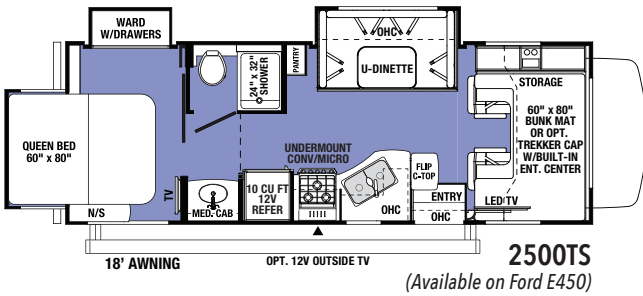

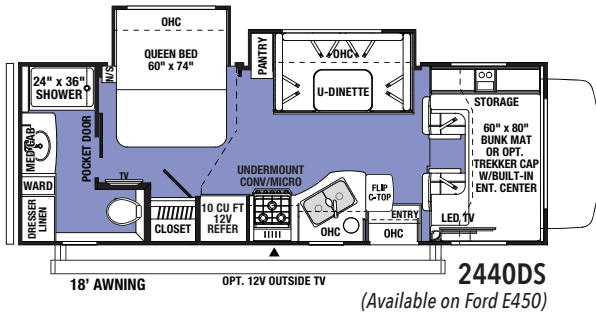

SUNSEEKER

2860DS Shown with outside kitchen, including an electric induction cooktop.

OPTION

12V POWER THEATER SEATING

Optional 12V power theater seating with adjustable foot rests. (Classic, MBS)

GVWR (Gross Vehicle Weight Rating) - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, occupants, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

GCWR (Gross Combined Weight Rating) - is the maximum permissible loaded weight of your motor home and any towed trailer or towed vehicle. Actual GCWR of this vehicle may be limited by the sum of the GVWR and the installed hitch receiver maximum capacity rating; see hitch rating label for details.

GAWR (Gross Axle Weight Rating) - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by each axle.

UVW (Unloaded Vehicle Weight)* - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s), including full fuel, all fluids and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.

*Estimated Average based on standard build optional equipment.

CCC (Cargo Carrying Capacity)** - is the amount of weight available for fresh potable water, cargo, passengers, additional optional equipment and accessories. CCC is equal to GVWR minus UVW.

Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity.

**Estimated average based on standard build optional equipment.

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities. The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit. Actual towing capacity is dependent upon your particular loading and towing circumstances, which includes the GVWR, GAWR and GCWR as well as adequate trailer brakes. Please refer to the Operator's Manual of your vehicle for further towing information.

ALL NEW FROM FORD

- Ford 7.3L V8 premium engine
- 6-Speed Ford TorqShift® automatic transmission
- 350 HP with 468 lb.-ft. of torque

Large panoramic windows with black-out shades for plenty of fresh air and natural light.

LED lights generate almost no heat compared to incandescent lights and use substantially less power.

Sunseeker is appointed with rich residential style cabinetry with soft touch self-closing drawers.

ENHANCE YOUR COOL

OPTIONAL DUAL AIR CONDITIONING SYSTEM

(Available on 2860DS, 3010DS, 3050S, 3270S)

- Power shedding system allows smooth operation on a 30 AMP service

12V 4-Port USB charging station (Living room/bedroom, N/A LE)

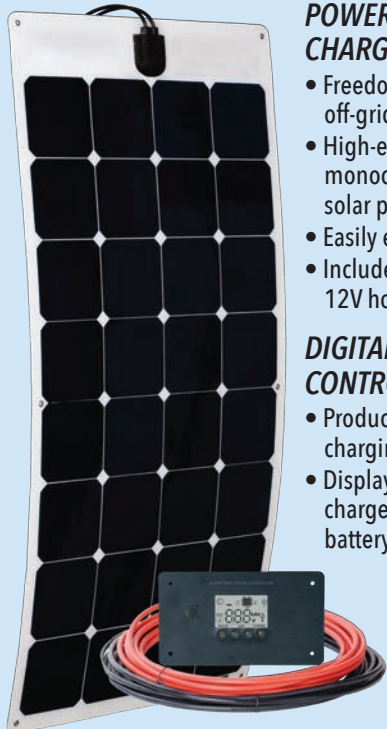

Winterizing tube provides easy access for quick maintenance includes bypass valve. (N/A 2250SLE, 2550DSLE)

Winegard Air 360+ amplified omni antenna with Gateway 4G WiFi capability can be used while in motion or parked.

OPTIONAL ROOF-MOUNT SOLAR CHARGING SYSTEM UPGRADE AVAILABLE

POWERFUL SOLAR CHARGING KIT

- Freedom to explore off-grid locations
- High-efficiency monocrystalline solar panel
- Easily expandable
- Includes additional 12V house battery

DIGITAL SOLAR CONTROLLER

- Produces more charging power
- Displays solar charge and battery capacity

WHY ADD SOLAR?

SAVINGS

Extends battery life by 50%

ZERO FUEL

No generator required to run

QUIET

Alternative to generators

RENEWABLE

and safe power source

Cordless charging plate

Sunseeker is equipped with a residential mattress for a good night's sleep.

10.7 Cu.Ft. 12V Refrigerator

Outside speakers

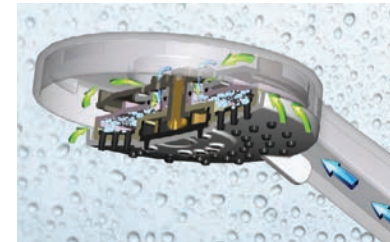

This compact unit filters water for the entire coach, eliminating unwanted contaminants and odors, ensuring safe drinking water for you and your family. (N/A LE)

7,500 Lb. Tow capacity (Ford E450)

Two batteries in a single housing for easy access. (One battery in LE and Transit)

High pressure, oxygen infused shower head conserves water, energy and tank life.

Optional 12V power theater seating with adjustable foot rests (Classic, MBS).

Durable, easy to clean (R-18) crowned fiberglass roof sheds water and doesn't cause black streaks like a rubber roof.

Heated/enclosed holding tanks use warm air from the furnace to protect tanks and valves. (N/A 2250SLE, 2550DSLE, MBS and Transit)

15,000 BTU ceiling ducted, ultra quiet roof air conditioner with heat pump (Heat pump N/A - Dual AC option, Transit Series)

Sunseeker's entry step is integrated into the sidewall. No more slippery, or damaged power steps. (N/A MBS)

Comfortable sofa with a drink tray converts to a convenient sleeping area.

Extend and retract the power awning with LED lights at just the push of a button. Both arms are adjustable to get just the right angle.

Built-in step well lock box adds security. (N/A Transit)

The 9" touch screen in-dash stereo system pairs up with your smart phone for access to Apple CarPlay/Android Play GPS and other applications. (N/A on LE, MBS and Transit)

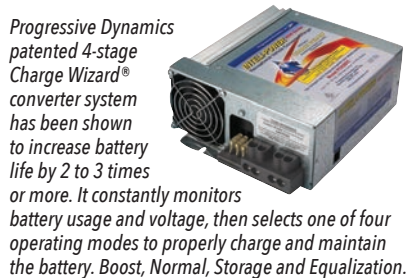

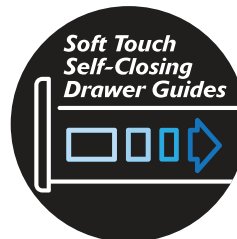

Optional exterior entertainment center (NA LE and Transit)

Maxx Air multi-speed power fan recirculates air throughout the entire coach.

This holding tank vent cap eliminates odors and gases from the holding tanks and exhausts them out the roof, without the use of costly chemicals.

Progressive Dynamics patented 4-stage Charge Wizard® converter system has been shown to increase battery life by 2 to 3 times or more. It constantly monitors battery usage and voltage, then selects one of four operating modes to properly charge and maintain the battery. Boost, Normal, Storage and Equalization.
