VOLTAGE

There's a reason Voltage is the most popular toy hauler in its class. Our designers held nothing back when it came to equipping the Voltage with feature-rich amenities and ample amounts of storage. Tall ceilings, a spacious executive bedroom and a gourmet kitchen set Voltage apart from all the others. It's truly first in class.

NOT ALL TOY HAULERS ARE CREATED EQUAL.

Voltage 3655

These RVs welcome the extreme elements with an optional 3rd A/C, Max Flow duct system, laminated slide boxes, tank heaters and superior insulation ratings.

MORE STANDARD FEATURES MORE VALUE

Dutchmen RVs turn more heads on the lot and in the campground than any other. Why? While other manufacturers offer features as options, Dutchmen tends to make those same features standard. Call it “bang for the buck,” “more for your money,” or simply “more value.” **We’ve built a reputation for bringing RV owners more standard features for less money** for more than 25 years . . . and it’s a reputation we plan to keep.
