

A man with glasses, wearing a grey t-shirt and blue jeans, is sitting on a cream-colored leather seat in a motorcoach. He is holding a grey mug and looking out a large window at a scenic landscape of rolling green hills and a herd of cattle. On the table in front of him is a tablet and another mug. To the left is a black refrigerator. The interior has wood-grain cabinets and a light-colored wall.

Every Newmar is crafted one at a time by folks who have spent an average of eight years building them. Each coach we assemble must undergo more than 1,000 tests and checks before ever leaving our factory.

The Highest Standards

We view our dealership network in terms of quality, not quantity. Each of our dealers acts as a partner in our shared mission to exceed your highest of expectations, for an ownership experience that's second to none from day one.

Without Compromise

All models include a one-year/unlimited mileage limited warranty and a five-year, non-transferable structural warranty that covers your coach's superstructure in the event it fails to perform. Ask your Newmar dealer for more details.
