VISIBILITY AND MANEUVERABILITY

Negotiating a ticky curve in the campground or on a major city street there will be no reason to worry while you're in the Chevrolet Kodiak. With a 54 degree turning radius, giant mirrors, large windshield and sloped hood this vehicle drives more like a light duty truck. Sloped hood allows the driver to see just a mere 13 feet in front of them, doubling their field of vision versus the competition's 26 feet.

Endura Exclusive Features & Benefits

**SOLID
HARDWOOD
CABINERY**

**PREDRIILLED
HARDWOOD
CONSTRUCTION**

Our residential style cabinets are constructed of solid hardwood doors and fronts that are predriilled and screwed then they are stained and top coated with a furniture grade finish that provides long lasting beauty and durability as well as adding strength and quietness to your motorhome.

COMPETITOR'S CABINERY

Other companies use wrapped cabinet fronts prone to peeling, fading and tearing. The softer composite wood used does not hold screws as well as hardwood resulting in loss of strength and squeaking. Discoloration will degrade the beauty and lower the value of the motorhome.

**GALVANIZED
STEEL
STORAGE
COMPARTMENTS**

Seamless carpeted galvanized steel storage compartments safely cradle your valuables. No protective padding and foam collection

Excellent Weathering -

Maintaining the vehicle's quality appearance enhances its resale value.

**Seamless
FIBERGLASS ROOF**

Tear Resistance - Flexroofs hard abuse resistant finish resists tearing, a condition that can cause leaks and lead to expensive repair.

Low Maintenance - Road grime can easily be removed with normal cleaning maintenance. Rubber chalking due to solar breakdown of the roof surface is eliminated, preserving the original appearance and resale value of the vehicle.

Stain Resistance - Fiberglass Flexroof is designed to resist staining and maintain its quality appearance.

Structural Integrity - Unlike conventional EPDM rubber roof membranes, Flexroof is a structural component of the roof system.

Textured Fiberglass - Helps dissipate heat and prevents free limbs from tearing or scratching your roof.

**FLUSH FLOOR
Slide out rooms**

Gulf Stream offers true flush floor slide out rooms to give you more headroom in the slide and eliminates the step up into the slide room that you will experience in many of our competitors motorhomes.

Comfort Plus furniture by Gulf Stream Coach features residential styling, solid construction, total comfort and a comprehensive warranty.

The Endura has nearly 7' interior ceilings for a residential look and feel with 6' foot ceilings in the slideroom

SUPER STRENGTH TRUSS SYSTEM

TAKE THE TIME TO COMPARE...
and you will see the exceptional value of a Gulf Stream Coach

8" C CHANNEL EXTENSION

The Cradle of Strength super strength truss system is unmatched in the RV industry. The structural subfloor foundation begins by welding a network of integrated steel trusses to the chassis rail. Specifically designed to distribute and transfer the tremendous forces from the coach to the chassis rail these trusses are individually tested to withstand 6,000 pounds each.

When the chassis is stretched, Gulf Stream stands alone in the industry by using a full 8" C channel extension versus the traditional 4" or less. This practice adds to the strength of foundation and offers peace of mind that towing is safe on an extension that is true to the chassis.

The Gulf Streamers RV Club is a valuable benefit to all Gulf Stream owners. Members enjoy staying active and participating in the various rallies and caravans offered throughout the United States and Canada. Others simply enjoy the value of receiving their Main Stream, the club's 44-page newsletter, with all its up-to-date product information, service tips and company highlights. Whether or not group camping is a part of your RV use, everyone can benefit from the Emergency Road Service and Gulf Streamers Insurance options. Both are available at competitive rates with friendly, reliable service. Another great benefit is the 10% Program, where campgrounds throughout the U.S. and Canada provide Gulf Streamers with a 10 percent discount on camping. As a member, you'll also receive discounts on National Theme Parks and special attractions, including RV and travel guides, directories and magazines. Rally and caravan participants spend time touring attractions, enjoying fabulous meals, taking in area highlights and shows, while having plenty of free time to relax or explore on their own. Our pre-scouted events include knowledgeable staff to assure you of the best routes, the tastiest restaurants and the friendliest atmosphere to help make the most out of your RV experience. Special rallies throughout the year also include Gulf Stream supplier seminars. Complimentary minor repairs by Gulf Stream technicians, Gulf Stream dealer product displays and roundtable discussions to voice your product improvement ideas.
