

Dutch Star

2012 | **DUTCH STAR**
A DRAMATIC NEW CLASSIC.

2012 DUTCH STAR DIESEL MOTOR COACH

DUTCH STAR'S BOLD STATEMENT SPEAKS VOLUMES. IN SILVER, GRAY, BLACK AND WHITE.

The newly styled 2012 Dutch Star brings a sense of drama to an industry classic. From vibrant new fabrics to oiled bronze light fixtures and accents to black and white diagonal polished porcelain tile floor – Dutch Star shines. Details like Corian® backsplashes with polished porcelain tile and black glass inserts in both kitchen and bath stand out. But Dutch Star's rich, black UltraLux® leather furniture, captain's chair and dash create a grounding contrast.

COMFORT DRIVE™ EQUIPPED

HEAD LIGHTS

CAPTAIN'S CHAIRS

THE DRIVE IS AS COMFORTABLE AS THE COACH.

Comfort Drive,™ another exclusive Newmar innovation, means less effort turning the wheel when you back up or turn. The steering wheel returns to center automatically, even after hard turns. With Comfort Drive,™ you steer with a light grip, making long trips less tiring.

TAKE COMMAND.

Dutch Star's Comfort Drive™ Steering makes it easy to take command of the road. And with cruise control and antilock brakes, you get all of Newmar's road safety options.

PURE ENJOYMENT.

Enjoy the ride in Dutch Star's new captain's chair stitched in black UltraLux® leather.

Comfort Drive™
STEERING

GRAPHIC SIMPLICITY, WITH A BIT OF MEDITERRANEAN FLAIR.

As soon as you step into its coach, you'll feel Dutch Star's bold new mood. A floor of bright white polished porcelain tiles, accented with black glass inserts, greets you. Its kitchen backsplash picks up the same theme, with bold white porcelain tile and black glass inserts. Its accent fabric seems reminiscent of the wrought iron of a quaint Spanish villa. And its Black UltraLux® leather furniture adds a sharp contrast – and a sense of repose.

STELLAR DESIGN.

The wood's the thing. And it's hand crafted silverado glazed maple,* from exquisite raised panel cabinets with black glazing to fluted columns with carved decorative header. Rounded bathroom cabinetry in the master bath and a radius hardwood wall outside the mid-coach bath softens the look.

RICH BEAUTY.

Dutch Star's main cabin features all new window treatments and a new ceiling design that ties in with its dramatic wood and fabric choices.

*optional

LOOKS LIKE A PIANO KEYBOARD. COOKS LIKE A DREAM.

Beneath its bold black and white backsplash lives a hardworking Dutch Star kitchen with all the amenities. Like a 30" convection microwave, three-burner cooktop and residential refrigerator – plus fine handcrafted hardwood cabinetry, of course.*

POLISHED CORIAN® COUNTERTOPS

TOP

From its solid polished Corian® countertop to the oiled bronze finish on its light fixtures and cabinet hardware, every detail in Dutch Star's kitchen has been thoroughly considered.

RIGHT

Dine in style – or just enjoy a leisurely morning coffee – at Dutch Star's cantilevered* dinette table with dramatically upholstered chairs.

*optional

PLUSH DINING

SLEEP NUMBER BED*

ENTERTAINMENT

BEDROOM.

Along with the main cabin's 40" Sony® LCD TV with surround sound and DVD player, you get a 32" Sony® LCD TV in the bedroom with DVD player. And at the head of your king size Sleep Number Bed*, a new black tufted UltraLux® leather headboard.

*optional

WALK-IN CLOSET

BATHROOM

BATHROOM.

Features abound in the master bath: a walk-in closet with full height hanging storage and stacked washer/dryer; a bathroom vanity with black and white designer tile backsplash, solid polished Corian® and pull out child step. The radius shower and rounded contour vanity cabinet create a soft, smooth look, too.

5. Side-hinged Baggage Doors with Optional Pullout Tray

Lengths, heights, widths and dry weights are approximate. Weight will vary based on optional equipment added to the above base weight.

GAWR: Gross Axle Weight Rating is the maximum permissible weight for an axle.

GVWR: Gross Vehicle Weight Rating is the maximum permissible weight for a fully loaded motor coach.

GCWR: Gross Combination Weight Rating is the value specified by the manufacturer of the vehicle as the maximum allowable loaded weight of this motor coach and any towed trailer or towed vehicle.

UVW: Unloaded Vehicle Weight is the weight of this motorcoach as built at the factory with full fuel, engine oil and coolants. The UVW does not include cargo, fresh water, propane gas or dealer-installed accessories.

NCC: Net Carrying Capacity is the maximum weight of all occupants, including the driver, personal belongings, food, fresh water, waste water, propane gas, tools, tongue weight of towed vehicle, dealer-installed accessories, etc., that can be carried by the motorcoach.

*Specifications supplied by the chassis manufacturer.

Dutch Star, a high performing motor coach, has a Freightliner® chassis with Independent Front Suspension. Its tubular truss web frames and substructure beams form a foundation stable enough to allow extensive pass through storage. This allows Dutch Star to expand beyond its chassis footprint, creating extra living space. Its Cummins® ISL 400 or 450 HP engine gives you incredible maneuverability and power, even on steep inclines. And if you should ever need it, Freightliner's roadside assistance program is in place for the entire warranty period.

Dutch Star's new floorplans give you many unique amenities. Its 4342 floorplan has an angled shower and a makeup counter in the bathroom – and two facing sofas in the main coach. The 4062 floorplan features a king size bed plus a large Sony® LCD TV on the bath wall in the main coach – for an optimized viewing angle.

Mahlon Miller, Newmar founder, and his wife, Irene
Matthew Miller, Newmar president, and his wife, Pam

The quiet, energetic farm town of Nappanee, Indiana is home to Newmar's owners, the Miller family. They are actively engaged in its operations, embracing employees, suppliers, dealers and customers as part of the Newmar family. The family has grown since 1968 but continues to strive for faithfulness to the tenets of its founders, including a strong community, bearing burdens for others, forgiveness, fairness, honesty, integrity, and peace with one's neighbors.

NEWMAR EXPRESS LIMITED WARRANTY

Every Dutch Star Diesel Pusher is backed by Newmar's one-year limited warranty/unlimited miles. Ask your Newmar dealer for details.

LIMITED FIVE-YEAR STRUCTURAL WARRANTY

If any part of your Newmar recreational vehicle superstructure (which is the steel/aluminum structure of the sidewall, roof or frame) fails to perform properly within five years from the date of purchase because of faulty workmanship or material supplied by Newmar, it will be repaired without charge for either parts or labor by Newmar. This structural warranty is available only to the original purchaser and is non-transferable.

Some features in our literature are optional. Colors and finishes are photographic representations. The actual materials may look different. Prices, specifications and floorplans are subject to change at Newmar's discretion, without prior notice or obligation. Please see your dealer for actual samples and specifications.
