WHAT'S NEW FOR 2026

FLOOR PLANS:

Summit Aire 4505

- This is a triple slide model, featuring a full-wall slide on the off-door side.

Summit Aire 4540

- This floor plan is a full wall slide, bath and a half, bunk model.

CHASSIS:

- Featuring a Cascadia Chassis with DD16 Engine, 600HP, Tandem Axle and 30K Hitch.
- Detroit Assurance Safety System including lane departure warning, auto on/off headlights, intelligent high beams, auto rain sense wipers, object detection, active brake assist, pedestrian detection, and adaptive cruise control.
- Keyless entry system for cab doors.

CABINETS & FURNITURE:

- Introducing new cabinet color, Chestnut.
- Two-Tone cabinet option now available with Chestnut and Summit.
- Additionally, there is a new center console in the optional theater seats that includes a pull-out cup holder on the front face and a flat surface on top for stemware.
- Italian leather furniture and front seats are standard.
- Features driver and passenger seats Air Ride with electric lumbar, heat and air cooled.

ELECTRICAL:

- Features ATC control panel that connects via Bluetooth to the Newmar App.
- Xite 360 cam monitor installed under cab overhead.

EXTERIOR:

- There are five exterior graphic options available for 2026: Shavono, Palisade, Red Cloud, Crestone, and Blanco.
- Exterior entertainment center is standard.
- Baggage door push button release, keyless entrance door with touch pad and doorbell are all standard.
- Artisan Series graphics option allow for a truly one of one graphics options that once ordered are archived forever.
- Optional Onyx Package available.

INTERIOR: Interior Lifecycle Change for 2026

- The Summit Aire interior will reflect the luxury offered in the London Aire house, with some exceptions.
- The four available interior décor options for MY2026 are Alden, Camino, Wentworth, and Balboa.

PLUMBING & BATH:

- Featuring luxury bath finishes consistent with the London Aire.

WINDOWS, AWNINGS, VENTS & DOORS:

- Kitchen window is now standard.

OPTIONS:

- Optional Lithium Battery Packages for MY2026 include 640AHR or 960 AHR, with (2) 3000W Inverters.
- Optional LED lights under coach.
