GO WHERE YOU WILL. YOU'VE GOT THE MEANS TO DO IT BOLDLY.

With a 2002 Intruder™ Motorhome, virtually no place is off limits, too far or too "far out" for you. This is one rugged RV. But its hardiness certainly doesn't detract from its comforts.

Intruder's styling is refreshingly clean and contemporary, with home-like touches that invite you to settle in. Look closer and you'll find an array of amenities more often associated with motorhomes priced thousands of dollars higher. And, this year, more of Intruder's exceptional features are standard. How does Damon do it? With cost-efficient manufacturing techniques arrived at through years of experience.

If you're ready to move up to a richer, bolder, more satisfying RV life, you're ready for Intruder.

- For extraordinary stability, handling and roadworthiness, Intruder offers either a 22,000-pound Ford® or Workhorse® chassis.
- Intruder's exterior has a smooth, sleek, highline appearance, thanks to its high-gloss fiberglass gelcoat walls.
- Aluminum framing all around lends strength and necessary rigidity to the coach while keeping the weight down.
- Big, front-mounted, bus-style sideview mirrors offer an extra measure of safety and convenience.
- Ducted defrosters quickly clear the windshield of condensation or ice — and keep it clear.
- Optional electric sun visors let you adjust for glare easily.
- Intruder provides an incredible amount of storage space — including massive pass-through basement storage compartments.
- The cab overhead includes a top-flight entertainment system with a VCR and a 25" color TV.

Model 350 • Biltmore Interior • Oak ▲

Model 375 • Rockefeller Interior • Maple ▲

- If you've wished RV bedrooms could be a bit bigger (for easier dressing), you'll love Intruder's bedroom slideout.
- A unique StepSaver™ kitchen puts everything well within reach to make meal preparation quick and easy.
- Intruder's kitchen and bathroom feature beautiful solid-surface countertops with stylish integrated sinks.
- Standard 12" x 12" vinyl tile flooring in the kitchen and bath has the look of ceramic tile while retaining vinyl's easy maintenance and durability.
- If a wood floor is more to your liking, go for our optional hardwood plank flooring.
- In the living and bedroom areas, you'll enjoy the plush comfort and hard-wearing beauty of our 100% nylon carpeting with stain treatment and padding.
- In the bathroom, you have the convenience of a taller, residential-style toilet.
- Among Intruder's finest options are a 7.0-kW Onan® Marquis Gold™ generator, a driver's door with a power window, a six-way power driver's seat and ultra-leather captain's chairs.
- Damon offers you the option of a heat pump, eliminating the need to get additional heat from LP sources if you travel in milder climates.
- Now, whenever you pull into a campsite, you can have hot water on tap immediately with an optional MotorAid® 6-gallon gas/electric water heater. It actually uses Intruder's engine to heat water while you drive.
- You'll take comfort in knowing your 2002 Intruder has passed a strenuous 400-point inspection test as part of Damon's StartRight Quality Assurance® program.
- Intruder also gives you the benefits of Damon's exclusive Total Quality Service® (TQS) initiative. Ask your dealer for details.

◀ Model 350 • Biltmore Interior • Oak

**The power to go where you want when you want.** And to travel freely, without hassles. That's a big part of a motorhome's appeal. And nobody gives you the power like Damon. You'll feel it the moment you turn the key on Intruder's engine. And you'll really feel it as you traverse the roughest, steepest, most challenging terrain. Intruder delivers.

**To keep your RV experience running smoothly** and efficiently, whatever you expect from it, Damon gives you a choice of two top-performance generators: a standard 5.5-kW Onan® Marquis Gold™ ... or an optional 7.0-kW Onan® Marquis Gold™. Also included are a 75-amp, 12-volt power converter and dual 6-volt auxiliary batteries.

**Intruder's seamless, one-piece EPDM rubber roof** is so resistant to sun damage and the elements that it comes with a full 12-year warranty. It also provides excellent thermal and acoustical insulation. Radius corners, along with the roof's crown, allow proper water runoff.

**An optional heat pump** gives you greater comfort control in milder climates.

**Intruder is satellite- and cable-TV-ready** to increase your entertainment options.

**Enjoy a standard patio awning.**

**Centrally ducted air ensures** a consistent climate throughout the coach (with a standard 13,500-BTU air conditioner in front and an 11,000-BTU air conditioner in the rear).

**A large windshield and pantographic dual-arm wipers** provide an extra measure of safety.

**The aluminum-frame crowned roof** features beaded block-foam insulation and a residential-styled ceiling.

**Walls and openings are aluminum-framed.** Walls are also vacuum-bonded with beaded block-foam insulation.

**A standard 22,000-pound chassis,** either Ford® or Workhorse®, provides rugged dependability.

**Great-looking, white-framed, radius-corner windows** help eliminate those annoying black streaks that run down the sides of RVs from weathered black window frames.

**ChromaFlair® ColorShift™ iridescent striping** adds a touch of excitement. It changes color, depending on the angle at which you view it.

**Intruder has a steel firewall** and a steel-truss basement structure system; an insulated floor system with structurewood and beaded block-foam insulation; and a heated tank area with insulated doors.

## Individually Intruder™

**Don't "Bar-B-Q" – "RVQ"** with Damon's optional outdoor barbecue grill! It attaches easily to a pre-installed exterior sidewall rail and a gas line. There's no messing with propane tanks. And the grill stows in its own zippered bag.

**Increased pass-through basement storage** gives you more room for gear.

**A 25" color TV** and entertainment center are standard in the 375 floorplan.

**A highly durable, low-maintenance, 12" x 12" vinyl tile floor** with the look of ceramic tile is standard in the kitchen.

**Intruder gives you the option** of a washer/dryer in models 350 and 369.

**An optional MotorAid® 6-gallon gas/electric water heater** uses Intruder's engine to heat water while you drive.

**The residential-style toilet** is taller, more accommodating.

**Spacious slideout drawers** under the optional booth dinette seats offer a convenient storage solution. It's now possible to find and retrieve the blankets in the very back without unloading everything else.

**The pantry** has individual pull-out drawers, which increase usable storage space and help you keep those cooking supplies organized.

## Beauty, Brawn and Benefits Galore

Advanced engineering. Computer-aided design. Innovative manufacturing technologies. And feedback from RVers just like you. All this has gone into the making of a 2002 Intruder Motorhome. You can see the difference it makes. No other motorhome in Intruder's class offers so impressive a range of features.

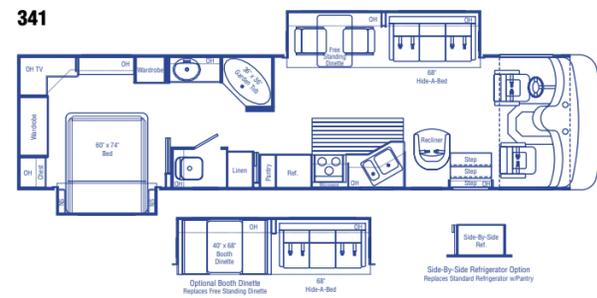

# Intruder™ Gives You Choices That Make The RV Life Fit Your Life.

## Décor ...

Damon's interior designers and engineers have created a choice of environments that not only help you feel right at home, but also lend a sense of personality to your Intruder. Fabric selections, trimwork, countertops, flooring and window treatments are carefully coordinated to provide a customized look — one that's fashionable, yet timeless; exciting, yet tasteful.

## Floor Plans ...

Notions about what the RV life should entail are unique to every RVer. That's why Damon offers the 2002 Intruder in a variety of floor plans, with a number of useful options. Regardless of which floor plan you choose, you can be sure it's thoughtfully laid out to provide the roomiest, most comfortable, most convenient mobile living experience you've ever had.

## Paint ...

Thanks to its clean, bold paint stylings, Intruder's exterior has a remarkably fluid, energized look. Choose the color package that best suites your taste. It's sure to turn heads and win favorable reviews wherever you go.
