A recessed, glass lid stove and sink add charm and functionality to the gorgeous modern kitchen area.

Relax on the optional electric tri-fold sofa, or convert it to a large bed for a peaceful nights sleep.

The Freedom II Serenity (above) and the Freedom II Libero (right) are quite similar throughout the interior of the coach. The same great design, appliances, fabrics and features compliment the luxurious Freedom II line.

## The space and features of a Class A. The maneuverability of a van.

### Enjoy the Freedom.

Superb interior refinement and irresistible charm have been combined with efficient use of interior space and a host of safety features to ensure that you will be ready to seek out your new journey, no matter where the destination. The Freedom II sets a new standard of construction and styling that surpasses all motorhomes on the market today. The fit, finish and quality that customers are accustomed to and recognize LTV as, have been the starting point for the Freedom II Serenity and Libero.

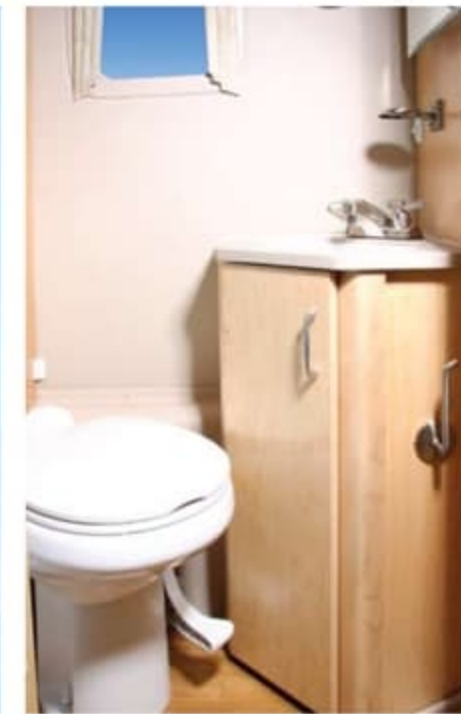

## Which Freedom II suits you?

The Freedom II Serenity is built on the Sprinter 3500 cab chassis with a fuel efficient 3 Litre V6 Mercedes Benz Diesel Engine. The Freedom II Libero, built on the Chevrolet Express 3500 cutaway chassis with a 6 Litre V8 Vortec gas engine, is the big brother to the Serenity with an additional 8" of length and 3" of height and all the same great amenities and design.

### FREEDOM II SERENITY [diesel]

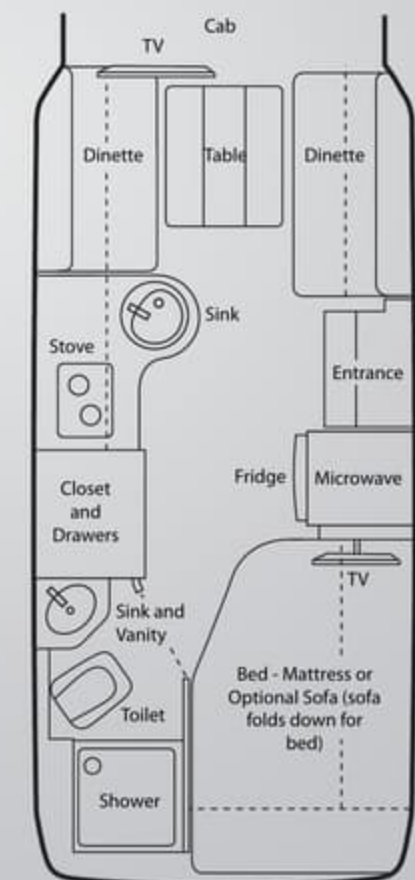

### FREEDOM II LIBERO [gasoline]

## FREEDOM II

### ► Floorplan

The Serenity and Libero share the same overall floorplan. The rear of the coach has a separate bedroom area with privacy curtain and a private bathroom with shower. The mid ship galley leaves room for a front seating/dining area that converts to a 2nd bed.
