At NeXus, we sell our products directly to the retail customer. By removing the “middleman” we will save you thousands of dollars. In addition to large savings, we promise to give you the best buying experience possible. You will receive honest, timely, and accurate information so you can make your buying decision. At NeXus, you are consulted by educated professionals and you get to deal directly with the owners!

NeXus RV has built the Best Class A, Super C, C and B+ motorhomes in the industry. Our products are designed with an unmatched construction philosophy that will give you the security to know that you can travel with your family and friends protected with the strongest, most durable systems available. Through the experience of building over 40,000 motorhomes over a 21 year career, the experts at NeXus are eager to offer you the best value in the industry.

After years of building NeXus RV's we are proud to achieve 100% customer satisfaction. Customers are the first priority and everything we do is for their positive experience. Although we have not reached our potential we are working tirelessly to achieve perfection.

It is with this winning formula we have achieved a leadership position in the RV industry. And we truly believe our factory direct approach will change the way people buy RVs.
