Coachmen Catalina. Behind The Brand.

To our existing owners, future campers joining our Coachmen Catalina families, and partnered dealerships; the difference in a good product versus a great product often lies in the detail designed into the consumer friendly features of a product and the reliability of the product. Our team understands and has the continuous goal, and responsibility of providing top of the line trailers, with an exceptional value, backed by unmatched customer service.

For us to keep providing the best products requires the need to stay innovative and interactive. Through extensive research, incorporating feedback adjustments, and continuing to make changes each year to ensure we are always improving the trailers we provide. Our team is excited that Catalina is able provide a broad selection of choices, through smaller lightweight single-axles trailers, highly sought after conventional travel trailers, toy haulers, and destination trailers. Though we cover several segments, we are focused on ensuring the best possible floorplans in each of our offerings. We understand the importance of quality, and the quality of materials used in our construction, the material used is just the first building block to ensuring you are going to love your Catalina for so many years.

Each trailer receives several levels of thorough inspection throughout the manufacturing process, and again after its completion. For us, quality does not just stop at the trailers we build, that focus continues in the features, designs, comforts, and diversity of layouts to provide the most optimal opportunity to meet and exceed each customers needs. That's still not enough for us, that quality continues is in how we do business; our customer service teams are not only fantastic groups and fun to work with, but are such a valuable part of our dedication to upholding the kind of service, and support for which our Legacy has been built on throughout our incredible history. Not only does this ensure a rewarding customer experience and satisfaction, it also generates excitement and enthusiasm among our Catalina owners, dealership partners, and employees working with our trailers each day!

Thank you for your business,

-The Coachmen Catalina Team

Summit Series 8

Trail Blazer

Coachmen RV. A Name you can trust since 1964.

At Coachmen, you will find a rich history of commitment from our team members. This commitment extends to our owners and in the pride we have for our brand. The close relationship and service that we share with our owners and our dealers is a quality that others have been trying to mimic throughout our almost 60-year history, and counting.

We rely on the relationships that we have enjoyed with our owners throughout our history. A product that the details are well thought through to being consumer friendly, practical, yet still innovative, is important to Coachmen owners, and that makes it important to us!

Today, Coachmen is stronger than ever as part of Forest River, Inc. So you can have confidence that we will be around to make your ownership worry free for a long time to come. For nearly 60 years, we have built a nationwide network of loyal dealers and service centers who are committed to keeping your RV lifestyle trouble free. No matter where the open road takes you, you are never far from Coachmen's customer service and support.

Optional Fireplace Shown

Legacy Edition

The Catalina Legacy Edition line-up offers a little more convenience in a variety of floor plans to suit your needs. Each floor plan we build here at Catalina is carefully thought out with you, the customer, in mind. We pride ourselves on the details with the perfect balance of features and functionality!

CATALINA

Leader to the Great Outdoors

313RLTS

Tri-Fold Sofa Optional, Table & Chairs Optional

The 313RLTS is one of our most relaxing designs yet. Windows encompass the entire rear living area, so views are certain to impress! Immediate comfort is a sure thing with the thoughtful seating layout, and open concept feeling. No shortage of storage and wardrobe closets in this spacious master bedroom, yes, there is more. This is one of several Legacy Edition designs offering washer/dryer prep for even more luxury.

CATALINA

Leader to the Great Outdoors

323BHDSCK

The bunkroom suite in the 323BHDSCK is furnished with a double size loft bed, a single bunk that can be stowed for more room, our versatile COA cube lounge sofa/futon, its own entertainment center, and abundant storage. On the outside, owners can take advantage of our standard large outside camp kitchen, which includes a griddle, dorm-style refrigerator, sink, cabinets, and drawers.

CATALINA
Leader to the Great Outdoors

261BHS

The 261BHS is the perfect mid-size bunkhouse floor plan! The extra wide double over double bunks offers sleeping for the kids and/or adults. Our full size super slide provides a booth dinette and sofa, both with additional storage underneath. Our floor to ceiling shelved pantry really enhances the storage space to round out all your kitchen supply needs.

Summit Series 8

The Catalina Summit Series 8 is our second carefully designed line up. With tons of features and standards packed in at a very affordable price, the Summit Series 8 is a hit across North America. Featuring 4 family friendly floor plans, the Summit Series 8 has everything that you'll need for your next adventure.

231MKS

Weighing around 5,000 lbs. dry, the 231MKS is perfect for any adventure! Natural light floods into this trailer from the seven main area windows making it super bright and open, also providing exceptional views. The large rear sofa offers a direct view of the entertainment center and our U-shape dinette slide out opens up the living room while providing convenient additional seating and lounging space.

184BHS

A rare find in the single axle market, our 184BHS double over double bunk beds offer more comfort and flexibility. The large U-shape dinette slide out opens up this floor plan while adding storage underneath and additional sleeping. Our fold down front queen Murphy bed is the ultimate space saver! Enjoy the comfort and convenience of a sofa when the bed is stowed, then easily lower the bed for a good night's sleep.

Summit Series 7

Very similar in value to our Summit Series 8 line-up, the Summit Series 7 takes the affordability and maneuverability one-step further with four well thought out layouts. For many, it's the first step to getting your family out camping – the versatility and simplicity of the shorter lengths and lighter weights makes creating adventures easier.

CATALINA
Leader to the Great Outdoors

39MKTS

A proven favorite, the 39MKTS, starts off with a fantastic open concept kitchen and living area design. Love storage? So do we! From end to end, the abundance of cabinetry and storage throughout just keeps on wowing. Whether preparing a delightful dinner for a few, our entertaining a group, the kitchen island lets you stay involved in everything, not to mention it takes the counterspace to the next level. Top it off with an impressive master suite, and even large closet prepped for a washer/dryer.

Destination Edition

Do you have a regular campground spot, site at an RV park, or piece of property that you go disconnect from everyday life and relax? If so, the Catalina Destination Series line-up could be perfect for you or your family. Our Destinations come equipped with a large 18 Cu. Ft. residential refrigerator, Range with 21" oven, higher ceilings, residential showers, and spacious master bedrooms to make them the ultimate home away from home!

PREFERENTIAL SERVICE

PRODUCT INFORMATION

www.ForestRiverBuyLocal.com

GVWR (Gross Vehicle Weight Rating) - is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, optional equipment and accessories. For safety and product performance do NOT exceed the GVWR. // **GAWR (Gross Axle Weight Rating)** - is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles. // **UVW (Unloaded Vehicle Weight)*** - is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or pin and LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories. *Estimated Average based on standard build optional equipment. **CCC (Cargo Carrying Capacity)**** - is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black and gray tanks to provide for more cargo capacity. ** Estimated average based on standard build optional equipment. Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the cargo carrying capacity is applied to every Forest River RV prior to leaving our facilities. The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

All information contained in this brochure is believed to be accurate at the time of publication. However, during the model year, it may be necessary to make revisions and Forest River, Inc., reserves the right to make all such changes without notice, including prices, colors, materials, equipment and specifications as well as the addition of new models and the discontinuance of models shown in this brochure. Therefore, please consult with your Forest River, Inc., dealer and confirm the existence of any materials, design or specifications that are material to your purchase decision.
