LUXURIOUS LIVING! WILDCAT OFFERS THE VERY BEST OF INTERIORS

Wildcat has the very best inside and out. Look into the 32QBBS we have pulled out all the stops for you. Classy, elegant and functional are our strong points. From the raised panel refrigerator front to the convenience of a folding front bunk, each detail is reviewed and enriched by the best designers just for you. The Teak Mocha interior fabric shown here makes you feel right at home. Living the Wildcat way has never felt so good.

(Below) You will feel right at home in the Wildcat's spacious master bedroom. Amenities include a queen-sized bed, many built-in cabinets and storage drawers, a panoramic bay window, mirrored closet doors, and a conveniently mounted overhead TV cabinet. (Below Right) Look to your right and you will find a large open bunk room. Above the sofa is a bunk that folds flat to the wall.

WILDCAT TRAVEL TRAILERS. INTRODUCING THE NEWLY DESIGNED WILDCAT TRAVEL TRAILERS

Congratulations you will receive Fifth Wheel pass thru storage features in the NEW Wildcat Travel Trailer. Sit back and relax in the Wildcat hydraulic slide outs. The first thing you will notice is the extra large space in the slide out itself. Yes, you get Fifth Wheel sized slide outs! Not the small rooms our competitors give you. Wildcat slide outs are taller than anyone in our segment. Enjoy your stay in the Wildcat 34RLT, as you will find it totally relaxing.

34RLT FLOORPLAN

WILDCAT. SPECIAL FEATURES: EXTERIOR

Wildcat offers standard extra large baggage doors on the front and door side pass through storage compartment

TRAILAIR® EQUA-FLEX™ FLEXIBLE EQUALIZER – This product is designed to replace the standard cast iron equalizer between the leaf spring suspension. This Equalizer provides a reduction in road shock by 53–60% according to Roush Industries, Inc.

The 30LSBS features an outside entertainment center with a swivel T.V. pedestal to watch the game outdoors. A clear safety glass front ensures no bugs get in and no air conditioning gets out.

Wildcat has a new feature: the aluminum radius roof corner molding wrap. This high-end feature is normally offered on much more expensive products but Wildcat has brought it to you now as a standard.

The hand-held, outside shower option provides quick clean-ups.

The water filtration system provides safe clean drinking water through all the water lines and water heater.

The standard outside entertainment center includes (2) stereo RV marine speakers and cable jacks to plug your T.V. into.

The Trail-Air™ Roto-Flex Extended Hitch Pin puts less stress on the tow vehicle and less stress on your coach.

C.T.S trash can is accessible from the outside baggage door as shown above.

Hydraulic landing gear on Fifth Wheels (Optional) 10 times faster than conventional electric jacks. Quick release pins on Fifth Wheel feet. (Standard)

The rear bunk beds in the 31THSB fold up and out of the way so you can roll in your toys, or if you just need additional storage space.

Forest River Encourages You to Buy Locally

Forest River, Inc. strongly encourages our retail customers to purchase from their local dealership whenever possible due to the following factors:

- Our Dealers are as a rule, independently owned and operated businesses. Outside of those customers they personally sold products to, they are not contractually obligated to perform warranty service on Forest River products that were purchased elsewhere. There may be an occasion that you would be required to return to the point of purchase to satisfy warranty requirements.*
- Although many dealerships will eventually service products not purchased at their place of business, they will usually take care of their customers and other Forest River customers who are traveling away from their local dealer as they would their own.*
- Local purchases allow a customer to establish a relationship with a dealer close to home. This relationship provides the customer with a convenient location for service and support from a "home town" professional.*
- The opportunity for a thorough PDI (Pre Delivery Inspection) and product orientation is an additional benefit of buying from your local dealer. Further providing the opportunity for refresher courses or the ability to get questions answered much more conveniently.*
- For our Canadian customers, there are also requirements which must be met to bring an RV purchased out of the country to their home. Although not insurmountable, these requirements may involve such things as additional inspections and certifications, taxes and fees. Your local Canadian Dealer is a professional at meeting these requirements.*

Forest River's goal is for all RV Owners to fully enjoy their RV experience. In light of this goal, and considering the advantages of buying local, we encourage you to be thorough when determining what product to purchase and which dealer to purchase it from as both are key to your ultimate satisfaction and the realization of your dreams.
