Vacationer XE 32A in Kona Grove décor with Italian Sienna wood cabinetry.

2017 VACATIONER XE

This is living.

The 2017 Vacationer XE was built for Holiday Rambler owners looking for the finer things in life. A soft-touch Lexington sofa helps you relax in front of a 40" flat-screen LED TV as a drop-down queen bed with lift-up underneath storage and overhead cabinet reading lights await you in the master bedroom. With four floorplans available, you're sure to find the whole coach solid-surface countertops and day/night roller shades perfect additions to an already welcome retreat.

2017 VACATIONER

Vacationer 36X in Kona Grove décor with Italian Sienna wood cabinetry.

This is living.

For Holiday Rambler owners, every day is a vacation. This is truer than ever with the 2017 Vacationer, a mid-priced Class A gas made for full-time RV living. RV bliss begins in the galley with a residential refrigerator, oversized window and stainless-steel convection microwave oven. And what's not to love about the RV life when you can enjoy it sitting in front of the living room's electric fireplace or under the legless patio awning watching the exterior entertainment center.

This is living.

At Holiday Rambler, your dream journey is our unwavering inspiration. Whether you're planning a rambling weekend getaway or imagining a cross-country holiday adventure, we know that owning a motorhome is a dream lifestyle. We take that dream seriously. **We focus on the idea of home — not the place but the feeling.** Then we make sure to turn that feeling into one of the most envious getaways. Holiday Rambler. This is living ...

YOUR LOCAL DEALER

HOLIDAY RAMBLER®

DISCLAIMER

1. GVWR (Gross Vehicle Weight Rating) is the maximum permissible weight of this fully loaded motorhome. The GVWR is equal to or greater than the sum of the (UVW) unloaded vehicle weight plus the (OCCC) occupant cargo-carrying capacity*.
 2. GAWR (Gross Axle Weight Rating) is the maximum permissible loaded weight a specific axle is designed to carry.
 3. GCWR (Gross Combined Weight Rating) is the value specified by the motorhome manufacturer as the maximum allowable loaded weight of this motorhome with its towed vehicle. Towing and braking capacities may be different. Refer to Holiday Rambler and chassis manufacturer's manuals for complete information.
 4. Length measured from front bumper to rear bumper (excludes accessories).
 5. Excludes safety equipment and awnings.
 6. Motorhomes feature a body width over 96" which will restrict your access to certain roads. Before purchasing, you should research any state and/or province road laws which may affect your usage.
 7. Tank manufacturer's listed water capacity (WC). Actual propane capacity is 80% of water listing as required by the safety code.
- * The chassis manufacturer recommends the installation of a supplemental brake control system to activate the brakes on the vehicle or trailer you are towing. Hitch receiver ratings expressed are maximum for the hitch receiver installed and may require the purchase of additional equipment that is dependent on the weight of the towed load. Consult with hitch receiver manufacturer for further information.
- ** UVW and OCCC are found on the label containing the federal certification tag in each RV.
- ** The Minimum Towable Load of this vehicle is the available weight capacity, up to GCWR, when the coach is fully loaded to maximum GVWR. However, if the coach is loaded to something less than maximum GVWR, that extra available weight capacity can be added to your Towable Load. For example, if your coach is loaded to 1000lbs less than maximum GVWR, your Towable Load increases accordingly. Do not exceed the hitch rating weight, GVWR or GCWR.
- ** ALL 2017 REV RECREATION GROUP MOTORHOMES INCLUDE A LIMITED ONE-YEAR/15,000-MILE COACH WARRANTY AND THREE-YEAR/45,000-MILE STRUCTURAL WARRANTY, WHICHEVER OCCURS FIRST, AND IS FULLY TRANSFERABLE FOR THE FIRST 12 MONTHS.

To locate a dealer near you, visit our website at www.holidayrambler.com or call 1-877-252-4666. We can also be contacted at Holiday Rambler Customer Relations, P.O. Box 1007, Decatur, IN 46733.

IMPORTANT—PLEASE READ

Product information, photography and illustrations included in this publication were as accurate as possible at the time of printing. For further product information and changes, please visit our website at www.holidayrambler.com or contact your local Holiday Rambler dealer. Prices, materials, design and specifications are subject to change without notice. All weights, fuel, liquid capacities and dimensions are approximate. Holiday Rambler has designed its recreational vehicles to provide a variety of uses for customers. Each vehicle features optimal seating, sleeping, storage and fluid capacities. The user is responsible for selecting the proper combination of loads (i.e., occupants, equipment, fluids, cargo, etc.) to ensure that the vehicle's capacities are not exceeded.

REV GROUP

Holiday Rambler is part of REV Recreation Group, a division of REV Group, Inc., a family of 26 industry-leading motor vehicle brands. At REV Group, we innovate, design and build products that connect and protect thousands of people every day—our trusted vehicles are engineered with the utmost rigor and precision to deliver the highest levels of performance, reliability, durability and safety.
