

THE AMERICAN COACH WAY OF LIFE.

TAKE A STAND FOR FREEDOM.

Well, what are you waiting for? Retirement? Lottery winnings? The kids to move out of the house? Maybe it's time for you to move out instead.

Maybe it's time, once and for all, to take a stand for *you*. The places you want to go. The things you want to do. The oceans you want to swim.

Of course, we realize you probably haven't given a lot of thought to such things since you were a little kid yourself. But by now, you've paid your adult dues. And it's time to reclaim that freedom you lost somewhere between hanging on a rope swing and landing your first job.

It's time for American Coach. Perhaps more than any luxury coach manufacturer in the world, we understand how you feel. Our motorcoaches are proof of that.

They're the type that can tackle the Grand Tetons one minute and tear up the passing lane the next. Safely. Dependably. And with the kind of worry-free abandon that comes from knowing the road's best service and warranty package is backing you up.

You see, at American Coach, we realize our motorcoaches aren't the first RVs most people buy. They're the ones you dream about, envy, and work toward all your life.

That's why they have to be as extraordinary as we can make them.

Yes, we know you've waited a long time to be a kid again. Just make sure you buy a motorcoach that can handle it.

The 1999 American Tradition. Come on, let's go. You've got a lot of sand castles to build.

THE AMERICAN TRADITION 1999

EMBRACE YOUR OWN AMERICAN TRADITION

American Coach

THE ROAD BECKONS. AMERICA CALLS.

PLEASE READ: Product information and photography in this brochure were as accurate as possible at the time of publication. Subsequent refinements may be evident in the actual product. Prices and specifications are subject to change without notice. Selected decorator items shown in the photographs are not part of the product unless specified. All liquid capacities, dimensions, and weights are nominal. Warranty valid only on product sold in the U.S.A. and Canada.

FLEETWOOD RV

OUR FAVORITE TRADITION: GIVING YOU MORE THAN YOU COUNTED ON.

Under the hood: a miracle of modern electronics.

We're constantly looking to improve the driving experience in your American Coach. This year power, comfort and control take a dramatic leap forward, with the American Tradition's new ISC 300 Cummins® engine. It's 300 horsepower and 8.3 liters like before — but now, it's fully electronic.

That translates into space-age features like on-board diagnostics, interactive systems, road speed governing, trip information, duty cycle monitoring and more. Other engine block improvements result in significantly reduced noise and vibration. Increased towing power, torque and fuel economy. Cooler operation. And quicker response across the entire power band. Mountains, ho!

Smoother ride. Sweeter journey.

Our superior Independent Front Suspension is standard equipment on the '99 American Tradition. That's rare for a motorcoach in this price range. And a huge, relaxing advantage for our owners.

With IFS, each wheel responds independently to road bumps, dips, and potholes — giving you greater vehicle stability, fewer road vibrations, more control when braking and steering, and the welcome elimination of "bump steer."

We can't take every bump out of the road. But we can make you forget they're there.

DETAILS. DETAILS. DETAILS.

Our service pledge stays with you.

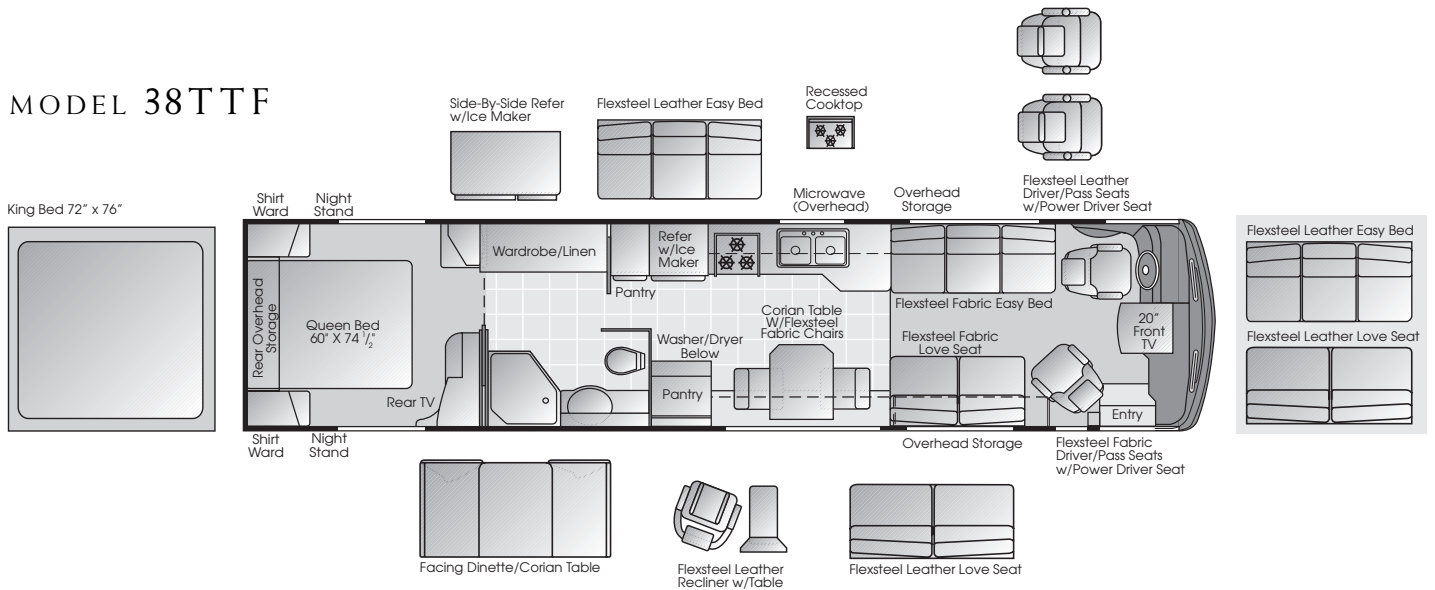

At our factory service facility in Decatur, Indiana, there are 26 pristine, state-of-the-art service bays. That's in addition to the numerous American Coach dealers you'll find throughout the U.S. For added reassurance, all new American Tradition owners drive away with a 1-Year/ 3-Year RV OWNERCARE service and warranty card in their pocket.

Together, we're on the road to a lasting relationship. Won't you sign on for the extended tour?

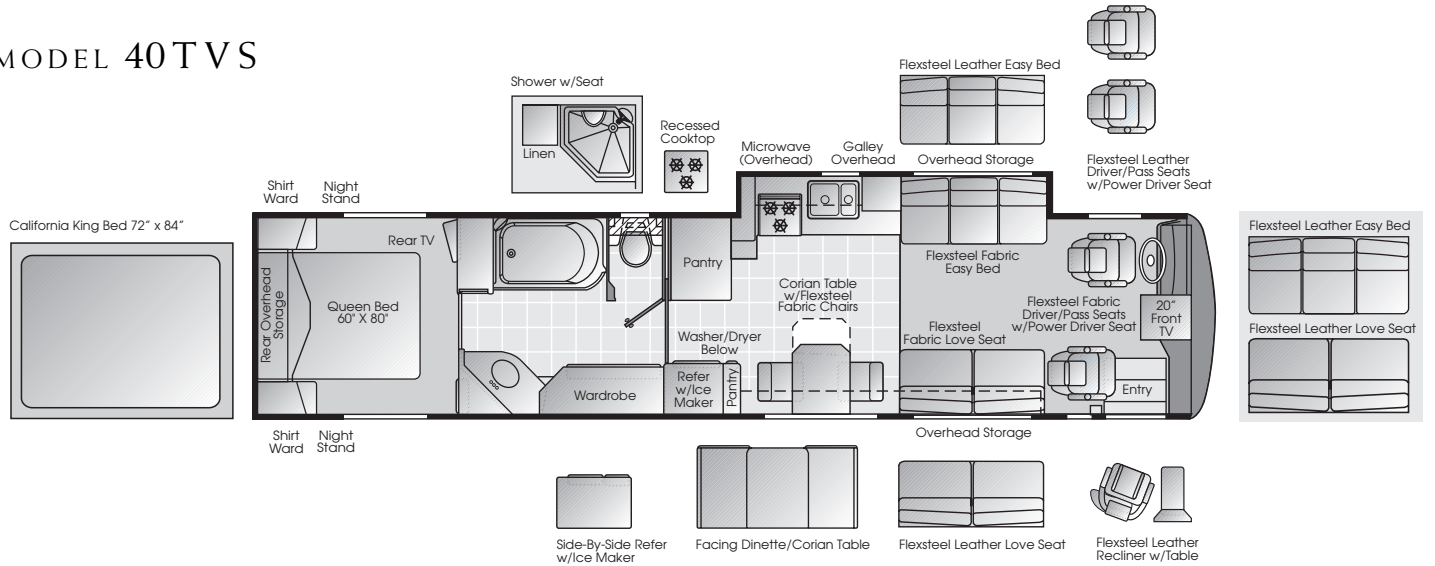

1. Check out the dashboard. High-end gauges with a new trip odometer and hours-in-service gauge. The new radio is pre-wired for a satellite dish.
2. Road-gripping reassurance. The American Tradition is equipped with large 22.5" Goodyear® radial tires.
3. One tough chassis. Our custom-built chassis from Spartan® includes steel outriggers. They provide additional floor support and structural integrity.
4. We've protected electrical wiring from road damage by routing it inside a custom-designed raceway.
5. Better weight distribution and stability. All weight-bearing items, such as holding tanks and diesel fuel tanks, are positioned between the frame rails.
6. You'll go further between pit stops with our large 125 gallon fuel tank. For added convenience, the tank can be filled from either side of the coach.
7. Reliable, efficient power in all kinds of driving situations is guaranteed with the Allison® MD-3060 6-speed automatic transmission.
8. Expansive basement storage is just one by-product of the custom-built Spartan® Highlander chassis, featuring a stacked rail design and a stronger, unitized frame.
9. Feel the luxury-car ride as you lounge atop an ideal combination of flex and stability.
10. Smooth. Smoother. Smoothest: Every American Tradition comes with anti-lock brakes, full air ride suspension and Bilstein® shocks.
