

JB16.1

Hitch Weight

315 lb.

GVWR

3,815 lb.

U/VW

2,889 lb.

CCC

926 lb.

Exterior Length	14' 4"	Exterior Height	10' 4"
Exterior Width	88"	Fresh Water	30 gal.
Gray Water	30 gal.	Black Water	30 gal.
Awning Size	TBD		

Specifications Definitions

GVWR (Gross Vehicle Weight Rating) – is the maximum permissible weight of the unit when fully loaded. It includes all weights, inclusive of all fluids, cargo, additional equipment and accessories. For safety and product performance do NOT exceed the GVWR.

LCWR (Gross Combined Weight Rating) – is the maximum permissible loaded weight of your motor home and any towed trailer or towed vehicle. Actual GVWR of this vehicle may be limited by the sum of the GVWR and the installed hitch receiver maximum capacity rating; see hitch rating label for detail.

GVWR (Gross Axle Weight Rating) – is the maximum permissible weight, including cargo, fluids, optional equipment and accessories that can be safely supported by a combination of all axles.

UVW (Unloaded Vehicle Weight)* – is the typical weight of the unit as manufactured at the factory. It includes all weight at the unit's axle(s) and tongue or front LP Gas. The UVW does not include cargo, fresh potable water, additional optional equipment or dealer installed accessories.
 *Estimated Average based on standard build optional equipment.

CCC (Cargo Carrying Capacity) ** – is the amount of weight available for fresh potable water, cargo, additional optional equipment and accessories. CCC is equal to GVWR minus UVW. Available CCC should accommodate fresh potable water (8.3 lbs per gallon). Before filling the fresh water tank, empty the black water tanks to provide for more cargo capacity.

Estimated Average based on standard build optional equipment.

Each Forest River RV is weighed at the manufacturing facility prior to shipping. A label identifying the unloaded vehicle weight of the actual unit and the carrying capacity is applied to every Forest River RV prior to leaving our facilities.

The load capacity of your unit is designated by weight, not by volume, so you cannot necessarily use all available space when loading your unit.

16 SERIES FEATURES & OPTIONS

- &STRONG>BEAST MODE PACKAGE (REQUIRED)
- JBL FLIP PORTABLE BLUETOOTH SPEAKER
- COMPLETE INTERIOR/EXTERIOR LED LIGHTING PACKAGE
- GLASS RECESSED COOKTOP
- STAINLESS STEEL SINK
