

STUNNING ASPEN OAK INTERIOR MAKEOVER

This is the big story for fall. Literally everything in Alpine's interior has been transformed. Dark walnut cabinetry has been replaced with a gorgeously-grained Aspen Oak in a soft gray finish. A darker accent wood used in the fascia, molding and island creates interest and adds a bit of richness.

New & Noteworthy:

- Airy Aspen Oak woodgrain cabinetry with contrasting Renewed Oak accents and vintage wire mesh glass inserts
- High-contrast linear tile backsplash adds interest in the kitchen
- Modern geometric tile fireplace surround
- Polished natural stone solid surface countertops
- Carpeting has been eliminated, coaches feature varied plank width resilient flooring throughout
- Wine racks added to most models
- Island, valance and bedding design all updated

High-Fidelity Video and Audio

Premium Jensen® video and audio components engineered specifically to withstand road vibration are now available in all Alpine models. This includes three, separately controlled sound zones that can be operated via Jensen's smartphone app and a single speaker system designed specifically for the master suite. ASA Electronics iN-Command® Generation 3 with Global Connect and oversized touchscreen monitor and smartphone app gives owners power over slide rooms, awnings, HVAC and more. This technology is also fully compatible with late model GMC and Chevrolet smart trailering systems.

Alpine's Reimagined Rear Kitchen Floorplan

The 3910RK meets a new generation of culinary-minded RVers with a huge wraparound kitchen with sightlines into the living area.

NEW FULL-BODY PAINT DESIGN

Full-body paint is Alpine's hottest upgrade at the moment. Offered in Black Diamond and Champagne colorways.

NEW 3RD AIR CONDITIONER OPTION

Alpine introduces maximum cooling power with the addition of an optional, third Quiet Cool air conditioner on most models.
