ENJOY
THE DAY.

ENJOY
THE DRIVE.

Welcome to the world of Explorer Vans where no matter what you have planned, you can count on having a great driving experience in a luxurious vehicle that perfectly accommodates your life.

Gathering friends for a shopping trip? Your Explorer Van is ready with its roomy interior wrapped up in a sleek, space-saving exterior. In fact, Explorer Van gives you 36% more interior space than the average full-size SUV, yet it is only a few inches longer bumper to bumper. Plus, the short front end and tight turning radius, along with standard features including backup sensors and a backup camera, make parking a cinch.

With seating for 7 to 9 passengers and storage space to spare, you have the freedom to bring all your friends. Of course, you're the lucky one, because with great amenities like the available  GM MyLink 7" Touchscreen Navigation, SiriusXM® Satellite Radio, Bluetooth® with voice commands, an Integrated Driver Information Center, and much more, the driver's seat is the best seat of all.

REGULAR WHEELBASE WITH VISTA CRUISER SPORT ROOF CYBER GRAY METALLIC/YN SILVER CUSTOM FADE

TAKE YOUR FOURSOME AND THEN SOME.

In an Explorer Van, it's safe to say the drive to the course will be one of the best drives of the day. Indulge your sporty side with our custom Vista Cruiser Sport Roof and Power Sunroof options. Easily fit all your gear in the rear with our Push Button Power Sofa/Bed that slides forward and back to give you 34-41 cubic feet of storage space. Plus, bring along your coolers and more with our Quick-Release Captain's Chairs that provide maximum interior space wherever you need it.

EXTENDED WHEELBASE 9 PASSENGER WITH VISTA CRUISER SPORT ROOF ANTELOPE/STEERHIDE TWO-TONE LEATHER INTERIOR

Choose from Low Top (51") or High Top (61") headroom heights and the comfort and convenience of rear air/heat, USB charging ports and custom window shades to eliminate glare.

EXTENDED WHEELBASE WITH VISTA CRUISER SPORT ROOF BROWNSTONE METALLIC/BEIGE PEARL FADE

DESIGNED FOR THE
MOST IMPORTANT TEAM. YOURS.

It's all aboard in an Explorer Van, and it's made even easier with the Medallion Series Wrap-Around Ground Effects, available with optional Power Running Board Steps that access and recess when you open the doors.

EXTENDED WHEELBASE 9 PASSENGER WITH VISTA CRUISER SPORT ROOF ANTELOPE/STEERHIDE TWO-TONE LEATHER INTERIOR

Once inside, you'll be amazed at the quiet, thanks to the R-11 insulated cabin and optional Dynamat® Sound Deadening application in the subfloor and doors. And because entertained kids are quieter kids, there's an optional 15" Flip-Down Monitor on Low Top vans or a 29" HDTV on Sport Roof vans, with Blu-ray™ player, HDMI input and 110V game outlet inverter.

At the end of the day, simply pull your Explorer Van into the garage to unload. The Low Top van fits easily in your 7' garage, while the Sport Roof van is designed for an 8' garage opening.

FEATURES

REAR ENTERTAINMENT

You'll love the fact that the rear entertainment system acts independently of the radio, so you can enjoy your favorite SiriusXM® channels while the kids enjoy their games and movies. We even supply wireless headphones to help you enjoy extra quiet on the road.

BUILT TO TOW

With a Vortec™ 6.0L V8 Engine, 342 horsepower and 373 lb.-ft. of torque, you have the muscle to tow up to 10,000 lbs. behind your GM Explorer Van. Bring the boat. Bring the camper. Bring on the adventure.

SPACIOUS VERSATILITY

All Explorer Van Captain's Chairs come standard with the LATCH system for child restraint and quick-release pedestals so you can easily remove seats. Plus, loading and unloading children of all ages is easy with the floor space, headroom and wide center aisle. For added versatility, the Power Sofa/Bed folds up and down with the push of a button.

HANDCRAFTED QUALITY

You'll find expert craftsmanship and attention to detail throughout an Explorer Van. With European leather seating, premium carpet and high-gloss wood trim, you are surrounded by world-class luxury.

WELCOME TO THE FAMILY!

Explorer Van Company is a family-owned and operated company that has been building high quality luxury vans in Warsaw, Indiana since 1980. From our humble beginnings, building one van a month out of a small garage to producing 2,000 vans a year from our current 250,000-square-foot facility, Explorer has always been known for our attention to detail, service and honesty. We challenge ourselves every day to build a van that will take you on exciting adventures and provide a superior driving experience.

Thanks to our nationwide dealer network, specialized sales staff and handcrafted quality, Explorer Vans are the best-selling vans in America. We know that once you take a closer look, you'll understand the personal touch that goes into every van we build. It is our hope that you will truly feel our passion behind the wheel of your Explorer Van.
