KODIAK CUB

THE INDUSTRY'S BEST WARRANTY

Every Dutchmen RV comes with our all-new 3-year limited structural warranty. Dutchmen owners can expect an extra two years of protection and peace of mind.

MORE STANDARD FEATURES MORE VALUE

Dutchmen RVs turn more heads on the lot and in the campground than any other. Why? While other manufacturers offer features as options, Dutchmen tends to make those same features standard. Call it “bang for the buck,” “more for your money,” or simply “more value.” **We’ve built a reputation for bringing RV owners more standard features for less money** for more than 25 years . . . and it’s a reputation we plan to keep.

IT'S LIT.

Setting up your campsite after the sun has gone down can be one of the most challenging tasks of camping. That is why the Kodiak Cub has strategically placed lights around the unit for your ease and convenience in these situations. With a light up grab handle, lights over each stabilizer jack, LED awning lights, and interior motion lights, your Cub will be lit up so well that you can set up camp just as easily in the dark as you could in the light of day.
