## **Built-In Features at Every Turn**

Carriage has always maintained a tradition of providing full-time living durability along with first class amenities that allow you to enjoy the luxury camping experience that you've always dreamed of having.

The image shows the interior of a motorhome. On the left, there's a kitchen area with light-colored wood cabinets. A countertop holds a built-in television displaying a group of people in historical costumes. Below the counter are drawers and a dark panel. To the right, a doorway leads to a bedroom with a bed covered in a patterned blanket and more wooden storage. The ceiling has recessed lights and a vent.
