

Monthly Activities Edition GAZETTE

Welcome - Welcome to our home away from home. A place where families have been vacationing for generations! Feel free to take part in our activities happening within the campground this month. Please if there is anything we can do to make your stay more enjoyable, come to the office and discuss your issues with the staff.

Thank You! - We continue to hear from customers that Blue Haven is a whole different world, how friendly everyone is, and how clean campground is. These comments would not be possible without people like you!

Thank you Activity Committee:

Signs of spring are here, and summer is just around the corner! We are looking forward to a spectacular 2014 camping season, and we have an exceptional season planned. The Blue Haven Volunteer Activity Committee has met during the off season to organize and plan the 2014 activity schedule. This year we will continue to build on our customer appreciation and focus our resources on the activities that have the most popularity. Please let us know which activities are the best, and if there is any activities that you would like to add to future schedules.
